About WiseTech Global

WiseTech Global is a leading developer and provider of innovative software solutions for the logistics, global trade and supply chain industries worldwide. Serving more than 22,000[1] logistics companies and other industry participants across 193 countries — including 46 of the top 50 global third-party logistics providers and 23 of the 25 largest global freight forwarders worldwide[2] — WiseTech delivers technology that drives productivity and integration across the supply chain. With the acquisition of e2open, WiseTech has expanded its network to encompass over 500,000 connected enterprises across manufacturing, logistics, channels and distribution, further strengthening its platforms and connectivity across the industry. With the vision to be the operating system for global trade and logistics, WiseTech is creating a multi-sided marketplace connecting carriers, logistics providers, importers, exporters and shippers.

We are relentless about innovation, adding over 6,300 product enhancements to our global CargoWise platform in the last five years[3], bringing meaningful continual improvement to the world's supply chains. Our breakthrough software solutions are renowned for their powerful productivity, extensive functionality, comprehensive integration, deep compliance capabilities, and global reach.
