

ASX ANNOUNCEMENT

22 April 2026

Appendix 4C and Quarterly Activities Report

The Board of Directors of 333D Ltd (ASX:T3D or “**Company**”) releases its cash flow report (**Appendix 4C**) for the quarter ending 31 March 2026 (“**the quarter**”) and provides an update on activities during the quarter.

QUARTERLY ACTIVITIES REPORT

- **Cash receipts from customers of \$231,702**
- **Positive net operating cash flow of \$71,505 (prior quarter: outflow of \$99,180)**
- **Total cash and digital asset holdings of \$1,022,010**

The March quarter delivered positive operating cash flow and continued revenue momentum, supported by a targeted investment (subsequent to the quarter) to scale the Company’s healthcare-focused digital asset platform.

Principal Activities

333D Limited operates in digital asset creation, management and monetisation, with a focus on healthcare applications including DICOM-based imaging. The Company provides digital asset management services, 3D content creation, and AI-enabled file encoding for use across digital platforms and physical outputs such as 3D printing.

Scaling Digital Asset Platform (Healthcare Focus)

333D continues to build momentum in its digital asset management business, with revenue increasingly driven by licence and service-based contracts in the healthcare sector.

The Company’s platform enables the capture, management and monetisation of digital medical imaging (DICOM) and 3D data, positioning 333D at the intersection of healthcare, AI-enabled data, and digital infrastructure.

Revenue traction during the quarter reinforces the scalability of this model, with recurring-style income streams emerging from digital asset management contracts.

Key areas of activity during the quarter

The Company generated cash receipts of \$231,702 from customers during the quarter, reflecting continued growth in licence and service fee revenue from digital asset management contracts. This performance demonstrates the ongoing success of the Company’s strategic focus on the healthcare sector.

Net operating cash flow for the quarter was positive \$71,505, representing a significant improvement compared to the prior quarter, which recorded a net operating cash outflow of \$99,180. This improvement reflects consistency in recurring revenue along with continued cost discipline.

333D Limited

ABN 24 118 159 881

Level 23, Rialto South Tower,
525 Collins Street,
Melbourne VIC 3000 Australia

Bitcoin treasury

The Company holds Bitcoin as a long-term strategic asset. As at 22 April 2026, the value of the Company's Bitcoin holdings was \$214,177.

In addition, the Company held cash and cash equivalents of \$807,833 as reported in Item 5.5 of the Appendix 4C, resulting in total liquidity of \$1,022,010.

Summary of expenditure incurred

Total expenditure for the quarter was \$160,197, comprising:

- Service and operating costs: \$147,613
- Staff costs: \$21,040
- Administration and corporate costs: net credit of \$8,456, primarily reflecting timing differences and cost recoveries

Payments to related parties

Pursuant to *ASX Listing Rule 4.7C.3*, payments to related parties during the quarter totalled \$77,770. This comprised \$16,031 in accounting service fees and \$1,739 in expense reimbursements to entities associated with Director Dr Nigel Finch, and \$60,000 in director's fees paid to Mr John Conidi.

Events subsequent to the quarter

Subsequent to the end of the quarter, the Company made a targeted investment to scale its healthcare-focused digital asset platform, deploying \$95,800 in capital equipment to enhance digital asset management capabilities and support future growth.

Use of Funds Statement

The Company confirms that the quarter is not included in a period covered by a "use of funds" statement or expenditure program in a prospectus, PDS or information memorandum previously lodged under *ASX Listing Rule 1.1*.

- END -

The release of this announcement was **authorised by the Board of Directors** of the Company.

About 333D Limited

333D Limited is a digital asset technology company specialising in the creation, management and monetisation of digital content, with a particular focus on healthcare applications. The Company's capabilities include DICOM-based medical imaging, 2D and 3D digital content creation, AI-enabled file encoding, and digital asset management solutions. Its technologies enable digital assets to be used across multiple platforms, including physical outputs such as 3D printing.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
