 - Large mineral endowment of 6.0Moz in Ore Reserves and 20.5Moz in Mineral Resources⁴ creating a solid foundation for long life operations
 - Diversified portfolio of scale and quality in tier 1 mining jurisdictions with enhanced operational resilience

 - Pro forma market capitalisation of approximately A\$10.7 billion⁶, delivering increased liquidity and a step-change in global market relevance

Strategic Rationale

- **Creation of a New +700kozpa⁷ Senior Gold Producer**
 - Merger creates a leading Australian gold producer with a diversified portfolio of high-quality, long life assets in Western Australia and Canada
 - Positions the combined company as the 3rd largest primary ASX-listed gold producer and transitions it to a globally relevant senior gold producer
- **Strong Debt-Free Balance Sheet and Significant Cash Generation to Fund Next Phase of Growth and Drive Future Shareholder Returns**
 - Combination of two highly cash generative, materially unhedged⁸ gold businesses, with combined annualised free cash flow of A\$1.7 billion⁹ and a sector-leading balance sheet with A\$1.9 billion¹⁰ in pro forma cash and bullion, no drawn debt and A\$300 million in available debt facilities
 - Provides the platform and funding capacity for increased optionality for capital allocation across growth initiatives and shareholder returns
- **Large Mineral Endowment Supports Long Life Gold Production**
 - Combined 6.0Moz of Ore Reserves and 20.5Moz of Mineral Resources¹¹ supporting long life operations
 - Significant Mineral Resource base and available milling capacity provide numerous opportunities for Mineral Resource conversion across the combined tenure, to support long life operations
 - Leading ASX gold sector project pipeline with two advanced stage gold development projects in established mining jurisdictions, with the balance sheet strength to potentially internally fund the development of both
- **Diversified Portfolio of Scale and Quality with Enhanced Operational Resilience**
 - Consolidation of two cornerstone long life assets in Tropicana and Leonora with complementary large-scale and low-cost production profiles, providing flexibility and resilience to the combined company
 - Extensive infrastructure with combined company milling capacity of approximately 22.3Mtpa across 9 mills (increasing to approximately 24.3Mtpa following the anticipated completion of the mill expansion at King of the Hills by FY27 Q2)¹² in regions of extensive gold endowment

⁷ Refer to footnote 1.

⁸ Combined company is materially unhedged with Vault maintaining a small portion of hedges (~10koz) remaining for delivery in Q1 FY27.

⁹ Illustrative annualised free cash flow based on March 2026 quarterly free cash flow for each of Regis and Vault. Free cash flow is defined as the change in quarterly cash balance, prior to dividend payment, debt repayment, hedge book close out payment, proceeds from asset sales, share buybacks or M&A related charges (including stamp duty, integration costs and other one-off transaction costs). Refer to slide 11 in the presentation released to the ASX by Regis and Vault on the date of this announcement for further detail.

¹⁰ Pro forma cash and bullion as at 31 March 2026 prior to interim dividend payments made after the quarter end and excludes transaction costs.

¹¹ Refer to footnote 4.

¹² Includes Moolart Well mill (~2.5Mtpa), Rosemont mill (~2.5Mtpa), Garden Well mill (~5.0Mtpa), attributable share of Tropicana mill (~2.8Mtpa), KOTH mill (expected expanded capacity of ~6.0Mtpa as of FY26 Q4), Deflector mill (~0.8Mtpa), Mount Monger mill (~1.3Mtpa), the Darlot mill

- **Scope to Unlock Value Through Synergies**
 - Opportunity to realise procurement savings across enlarged portfolio and reduce corporate costs
 - Over A\$500 million in corporate tax benefits¹³ arising from write-up of tax assets
 - Larger and more diverse company to attract a lower cost of capital to fund future growth
- **Increased Scale and Global Market Relevance**
 - Pro forma market capitalisation of approximately A\$10.7 billion¹⁴ and expected improved trading liquidity (12-month median daily traded value of approximately A\$51.5 million¹⁵)
 - Step-change increase in market relevance, opening up incremental market and gold index inclusion opportunities and supporting buying demand
 - Elevation to senior global gold producer peer group, creating a re-rate opportunity
- **Experienced Management Team with Proven Track Record**
 - Combined company to leverage the complementary skill sets of the respective companies to deliver increased capability
 - Combined operational workforce with recognised technical strengths and skills to drive capital efficiencies and unlock value across the enlarged portfolio

Jim Beyer, Managing Director and CEO of Regis, said: *“This merger creates Australia's third largest primary ASX-listed gold producer, which demands global recognition. Combining our high-quality assets across five Western Australian operating hubs, we expect annual production exceeding 700,000 ounces from a combined Mineral Resource base of 20.5 million ounces. With a strong balance sheet, approximately A\$1.9 billion¹⁶ in cash and bullion, and a compelling organic growth pipeline, including the McPhillamys development project and Sugar Zone, the combined company is exceptionally well-positioned to deliver long-term value and enhanced capital returns for our shareholders.”*

Luke Tonkin, Managing Director and CEO of Vault, said: *“This transaction represents a compelling opportunity for Vault shareholders. It allows them to retain meaningful ownership and governance influence while gaining exposure to a larger, more resilient gold company with enhanced scale, diversification and balance sheet strength. Vault's portfolio, anchored by the King of the Hills operation currently undergoing a significant mill expansion, brings long life high quality assets and a strong financial position to the merger.*

By combining these strengths with Regis' proven operational and exploration capability, the merged company is better positioned to deliver sustained production, enhanced reserve replacement and long-term value creation across gold price cycles. Importantly, this combination is being executed from a position of strength. Both companies contribute debt-free balance sheets, Tier 1 jurisdiction assets, and full exposure to spot gold prices. Shareholders benefit from greater durability, capital optionality, and relevance in global gold markets without sacrificing discipline or quality. We believe this merger is the right strategic step for Vault shareholders, strengthening the Company's long-term outlook while preserving meaningful oversight, upside and optionality.”

Transaction Summary

Regis and Vault are pleased to announce that they have agreed a binding scheme implementation deed (“SID”) under which the two companies will merge via a Vault scheme of arrangement.

(~1.0Mtpa, currently on care and maintenance) and the Sugar Zone mill (~0.35Mtpa installed capacity). Milling capacity is expected to increase to ~24.3Mtpa post KOTH mill expansion to ~7.5 – 8.0Mtpa capacity by FY27 Q2.

¹⁵ Based on IRESS share price, volume and daily traded value data as at 4 May 2026. Median based on last twelve month median to 4 May 2026 and reflects the addition of Regis and Vault's median daily traded value.

¹⁶ Refer to footnote 10.

If the Scheme is implemented, Vault shareholders will receive 0.6947 new fully paid ordinary shares in Regis for each Vault share held¹⁷. Upon implementation of the Scheme, Regis shareholders will own approximately 51% and Vault shareholders will own approximately 49% of the combined company¹⁸.

In addition, both parties plan to maintain shareholder return initiatives in line with their respective capital management policies prior to transaction completion and are permitted to declare ordinary dividends during this period, ahead of the Scheme implementation date, subject to a commensurate adjustment to the merger exchange ratio.

The Scheme is subject to approval by Vault shareholders, Court and other regulatory approvals, an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Vault Shareholders, no material adverse change in respect of Regis or Vault and other customary conditions. No Regis shareholder approval is required.

The SID also includes reciprocal exclusivity arrangements, subject to a 'fiduciary out' (including customary 'no shop', 'no talk', 'no due diligence', notification and matching right obligations), and reciprocal break fees. The amount of the break fee, should it become payable by either party, is approximately A\$50.7 million.

Full details of the terms and conditions of the Scheme are set out in the SID, a copy of which is attached to this announcement.

Directors' Recommendations

The board of directors of Vault has unanimously recommended that Vault shareholders vote in favour of the Scheme, in the absence of a superior proposal for Vault and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Vault shareholders. Each director of Vault intends to vote all Vault shares held or controlled by them in favour of the Scheme, subject to the same qualifications.

The Scheme is also unanimously endorsed and supported by the Regis board, subject to no superior proposal for Regis emerging.

Board of Directors and Management Team

If the Scheme is implemented, the executive management team of the combined company will consist of:

- Jim Beyer as Managing Director and Chief Executive Officer;
- Anthony Rechichi as Chief Financial Officer; and
- Michael Holmes as Chief Operating Officer.

Russell Clark will become the Non-Executive Chairman of the combined company, and the combined company's board will comprise 8 directors, with 4 directors being appointed from the current Regis board and 4 directors from the current Vault board.

- (i) prevent a Condition Precedent being satisfied; or
 - (ii) mean that any Condition Precedent will otherwise not be satisfied,
- before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date.

3.5 Certificate

- (a) Before the Delivery Time on the Second Court Date:
- (i) Vault must provide a certificate (signed on behalf of Vault) to Regis confirming whether or not:
 - (A) in respect of matters within its knowledge, the Conditions Precedent (other than the Condition Precedent in **item 6** (Court approval) of **Schedule 1**) have been satisfied or waived in accordance with this **clause 3**; and
 - (B) it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches; and
 - (ii) Regis must provide a certificate (signed on behalf of Regis) to Vault confirming whether or not:
 - (A) in respect of matters within its knowledge, the Conditions Precedent (other than the Condition Precedent in **item 6** (Court approval) of **Schedule 1**) have been satisfied or waived in accordance with this **clause 3**; and
 - (B) it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches.
- (b) Each party must deliver to the other party a draft of its certificate to be provided under **clause 3.5(a)** by 5:00pm on the date that is two Business Days prior to the Second Court Date.

3.6 Termination on failure of a Condition Precedent

- (a) If:
- (i) there is an act, a failure to act, an event or an occurrence that would, or does, prevent any of the Conditions Precedent being satisfied, or if any of the Conditions Precedent will not otherwise be satisfied (and the non-fulfilment which would otherwise occur has not already been waived in accordance with this document), by the earlier of:
 - (A) the time and date specified in this document for the satisfaction of that Condition Precedent; and
 - (B) the End Date;

or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable);

- (ii) there is a breach or non-fulfilment of a Condition Precedent which is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent; or
- (iii) it becomes more likely than not that the Scheme will not become Effective by the End Date,

then Vault and Regis must promptly consult acting reasonably and in good faith with a view to determining whether:

- (iv) the Scheme, or a transaction which results in the transfer of all of the Vault Shares to Regis, may proceed by way of alternative means or methods;
 - (v) to extend the relevant time or date for satisfaction of any Condition Precedent contemplated by **clause 3.6(a)(i)**;
 - (vi) a party with a right to waive any Condition Precedent contemplated by **clause 3.6(a)(i)** will do so and if so on what (if any) conditions;
 - (vii) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by the parties;
 - (viii) to seek orders from the Court to postpone the Scheme Meeting, or recommend that there be an adjournment of the Scheme Meeting, to another date agreed to in writing by Vault and Regis;
 - (ix) to extend the End Date;
 - (x) to otherwise amend the Timetable; or
 - (xi) to take a combination of any of the actions referred to in **clause 3.6(a)(iv)** to **3.6(a)(x)**.
- (b) Subject to **clause 3.6(d)** and **clause 3.6(f)**, if the parties are unable to reach agreement under **clause 3.6(a)** by the earlier of:
- (i) the date that is five Business Days after commencing discussions in relation to the relevant event or occurrence that would, or does, prevent a Condition Precedent being satisfied;
 - (ii) the date that is five Business Days after the time and date specified in this document for the satisfaction of the Condition Precedent; and
 - (iii) 5.00pm on the Business Day before the End Date,

as appropriate, then, unless that Condition Precedent has been waived in accordance with **clause 3.2**, a party noted in the table in **Schedule 1** as being entitled to the benefit of that Condition Precedent (which may be either party where both parties are noted in the table in **Schedule 1** as being entitled to the benefit of the Condition Precedent) may (subject to **clause 3.6(c)**) terminate this document without any liability to the other party because of that termination. For the avoidance of doubt, nothing in this **clause 3.6(b)** affects:

- (iv) the obligation of Vault to pay the Vault Reimbursement Fee, if it is required to do so under **clause 10**; or

- (v) the obligation of Regis to pay the Regis Reimbursement Fee, if it is required to do so under **clause 11**.
- (c) A party will not be entitled to terminate this document pursuant to **clause 3.6(b)** if:
- (i) the relevant Condition Precedent has not been satisfied as a result of:
 - (A) a breach of this document by that party; or
 - (B) a deliberate act or omission of that party (except acts or omissions expressly permitted by this document) which either alone or together with other circumstances prevents that Condition Precedent being satisfied; or
 - (ii) the relevant Condition Precedent is stated in **Schedule 1** to be for the sole benefit of the other party.
- (d) If the Condition Precedent in **item 4** (Shareholder approval) of **Schedule 1** is not satisfied only because of a failure to obtain the majority required by sub-paragraph 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court under section 411(4)(b) of the Corporations Act be sought (**Order**), provided that the party has, in good faith, reasonably formed the view that the prospect of the Court giving its approval in the circumstances is reasonable and the written notice provided to the other party sets out the grounds on which the Court may give its approval.
- If such notice is given:
- (i) Vault must apply to the Court for the Order and make such submissions to the Court and file such evidence as counsel engaged by Vault to represent it in Court proceedings related to the Scheme in consultation with Regis, considers is reasonably required to seek to persuade the Court to exercise its discretion to make the Order; and
 - (ii) the cost of the application for the Order is to be borne equally between the parties.
- (e) If an Order is sought under **clause 3.6(d)**; and:
- (i) approval is given, the Condition Precedent in **item 4** (Shareholder approval) of **Schedule 1** is deemed to be satisfied for all purposes; or
 - (ii) the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in **item 4** (Shareholder approval) of **Schedule 1**:
 - (A) Vault may (and must at Regis's request) appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel of the Western Australian bar practising in the field of corporate law indicates that, in their view, an appeal would not have reasonable prospects of success before the End Date). If any such appeal request is undertaken at the request of Regis, Regis will bear Vault's costs of the appeal (including the costs of the independent senior counsel) unless the parties agree otherwise. If any such appeal is undertaken by Vault without the prior request from

Regis, each party will bear its own costs of the appeal, unless the parties otherwise agree.

- (B) If no such appeal is undertaken, either party may terminate this document.
- (f) In relation to the Condition Precedent in item 2 (ACCC approval) of **Schedule 1**, if the ACCC has given written notice that a notification is subject to Phase 2 review within the meaning of section 51ABZJ of the CCA, a party may, with the other party's prior written consent, request the ACCC to cease considering the notification.

4 Transaction Steps

- (a) Vault must propose the Scheme to Vault Shareholders on and subject to the terms of this document.
- (b) Vault must not consent to any modification of, or amendment to, or the making or imposition by a court of any condition in respect of the Scheme without the prior written consent of Regis.

4.2 Scheme Consideration

Subject to **clauses 4.4** and **4.5**, Regis covenants in favour of Vault (in Vault's own right and separately as trustee for each Scheme Shareholder) that on the Implementation Date, Regis will:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New Regis Shares; and

- (c) Regis must appoint the Sale Agent at least five Business Days prior to the First Court Date.

4.6 Share splitting

If Regis is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 4.4**) have, before the Record Date, been party to the splitting of Vault Shares into two or more parcels of Vault Shares (whether or not it results in any change in beneficial ownership of the Vault Shares) in an attempt to obtain unfair advantage by reference to such rounding, if requested by Regis, Vault must give notice to those Scheme Shareholders:

- (a) setting out their names and registered addresses as shown in the Vault Share Register;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme and Deed Poll, be taken to hold no Scheme Shares. Regis, in complying with the provisions of the Scheme and Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed

holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme and Deed Poll.

4.7 Vault Performance Rights

Vault must take such action as is necessary to ensure that:

- (a) there are no outstanding Vault Performance Rights on or after the Record Date; and

For the avoidance of doubt, nothing in this **clause 9.2** limits Vault's rights to terminate this document under **clause 14**.
- (b) This clause is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly. Regis receives and holds the benefit of this clause to the extent it relates to each Regis Indemnified Party as trustee for each of them.

- (i) obtain a proposal from the broker (**First Broker**) that arranged Vault's directors' and officers' insurance policy in place at the date of this document to obtain base premium, GST and stamp duty quotes and coverage terms & conditions from one or more Standard & Poor's insurers rated not less than A- (**S&P Insurers**) for a D&O Run Off Policy (**First Indicative Run Off Policy**); and

 - (ii) expression of interest, offer, proposal or other communication made to Vault or any of its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Vault Competing Proposal, or that may be reasonably expected to lead to a Vault Competing Proposal; or

- (c) During the Exclusivity Period Vault must also notify Regis in writing as soon as possible after it, or any Vault Group Member or its or their respective Representatives, becomes aware of any material developments in relation to the actual, proposed or potential Vault Competing Proposal, including in respect of any of the information previously provided to Regis under this **clause 12.5**.

12.6 Provision of information

- (a) Subject to **clause 12.6(b)**, during the Exclusivity Period, if any non-public information about the business, operations or affairs of Vault or a Vault Group Member is disclosed, provided or otherwise made available to any person in connection with

any actual, proposed or potential Vault Competing Proposal, or that may be reasonably expected to lead to a Vault Competing Proposal, which has not previously been provided or made available to Regis, Vault must promptly, and in any event within two Business Days of the provision of the information, notify Regis that it has provided such information and provide to Regis:

12.7 Matching right

- (a) Without limiting any other provision of this document, during the Exclusivity Period, Vault:
- (i) must not and must procure that each Vault Group Member and each of its and their respective Representatives do not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which any person proposes, or proposes to undertake or give effect to, an actual, proposed or potential Vault Competing Proposal, or that may be reasonably expected to lead to a Vault Competing Proposal; and
 - (ii) must procure that no Vault Director:
 - (A) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation or Voting Intention; or
 - (B) publicly recommends, supports or endorses an actual, proposed or potential Vault Competing Proposal (or recommends against the Scheme) or makes any public statement to the effect that they may do so at a future point in time or that they no longer support the Proposed Transaction or the Scheme (provided that a statement that no action should be taken by Vault Shareholders pending the assessment of a Vault Competing Proposal by the Vault Board or the completion of the matching right process set out in this **clause 12.7** shall not contravene this **clause 12.7** and also subject to any change of Recommendation or Voting Intention by the Vault Board that is permitted by **clause 7.2**),
- unless:
- (iii) the Vault Board, acting in good faith and in order to satisfy what the Vault Directors consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determine that the Vault Competing Proposal is a Vault Superior Proposal;
 - (iv) Vault has provided Regis with the material terms and conditions of the actual, proposed or potential Vault Competing Proposal (including the identity of the

person making the actual, proposed or potential Vault Competing Proposal as well as the information referred to in **clause 12.5(b)** and **clause 12.5(c)**), in each case to the extent known by Vault or any Vault Group Member or any of their respective Representatives;

- (v) Vault has given Regis at least five Business Days after the provision of the information referred to in **clause 12.7(a)(iv) (Cut Off Date)** to provide a Regis Counterproposal; and
 - (vi) Regis has not announced or provided to Vault a Regis Counterproposal before the Cut Off Date which the Vault Board has determined in accordance with **clause 12.7(b)** would provide an equivalent or superior outcome for Vault Shareholders as a whole compared with the actual, proposed or potential Vault Competing Proposal.
- (b) If Regis proposes to Vault, or announces, amendments to the Scheme or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Vault Competing Proposal (**Regis Counterproposal**) before the Cut Off Date, Vault must procure that the Vault Board considers the Regis Counterproposal and if the Vault Board, acting in good faith, determines that the Regis Counterproposal (taking into account all of its terms and conditions) would provide an equivalent or superior outcome for Vault Shareholders as a whole compared with the actual, proposed or potential Vault Competing Proposal, then:
- (i) Vault and Regis must use their reasonable endeavours to agree the amendments to this document, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Regis Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) Vault must procure that each of the Vault Directors continue to recommend the Scheme (as modified by the Regis Counterproposal) to Vault Shareholders.

If the Vault Board, acting in good faith, determines that the Regis Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Vault Shareholders as a whole compared with the actual, proposed or potential Vault Competing Proposal, then Vault must promptly (and in any event within 24 hours of the Vault Board making such determination) notify Regis in writing of the determination.

- (c) For the purposes of this **clause 12.7**, each successive material modification of any actual, proposed or potential Vault Competing Proposal will constitute a new Vault Competing Proposal, and the procedures set out in this **clause 12.7** must again be followed prior to any Vault Group Member entering into any agreement, arrangement, understanding or commitment in respect of such Vault Competing Proposal.
- (d) For clarity and despite any other provision of this document, a statement by Vault or the Vault Board to the effect that:
 - (i) the Vault Board has determined that a Vault Competing Proposal is a Vault Superior Proposal and has commenced the matching right process set out in this **clause 12.7**; or

- (ii) Vault Shareholders should take no action pending the completion of the assessment of a Vault Competing Proposal or completion of the matching right process set out in this **clause 12.7**,

does not of itself:

- (iii) constitute a withdrawal, change, modification or qualification of the Recommendation or Voting Intention or an endorsement of the Vault Competing Proposal;
- (iv) contravene this document;
- (v) give rise to an obligation to pay the Vault Reimbursement Fee under **clause 10.2**; or
- (vi) give rise to a termination right under **clause 14**.

12.8 Fiduciary out

The restrictions and obligations in **clauses 12.3** and **12.4** do not apply to the extent they restrict Vault or any Vault Group Member or any of its or their respective Representatives from taking or refusing to take any action with respect to a Vault Competing Proposal that did not result, directly or indirectly, from a breach of this **clause 12** by Vault or any of its Representatives, provided that the Vault Board has first determined, acting in good faith that:

- (a) after receiving written legal advice from its external legal advisers and after consulting with its financial advisers, the Vault Competing Proposal is a Vault Superior Proposal or could reasonably be expected to become a Vault Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, compliance with that clause would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of the Vault Board.

12.9 Normal provision of information

Nothing in this **clause 12** prevents Vault from:

- (a) taking any action in good faith to comply with its disclosure requirements at law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the Listing Rules;
- (b) providing information to its auditors, customers, contractors or suppliers acting in that capacity in the ordinary course of business; or
- (c) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to its business generally,

subject to Vault complying with its obligations under **clause 15**.

12.10 Acknowledgment

Regis and Vault acknowledge and agree that:

- (a) Regis has requested the inclusion of this **clause 12** in this document and would not have entered into this document without it; and

- (b) Vault has received legal advice in relation to the operation of this **clause 12**.

13 Regis Exclusivity

13.1 No existing discussions

Regis represents and warrants to Vault that, as at the date of this document:

- (a) neither it nor any Regis Group Member is party to any agreement, arrangement or understanding with a Third Party entered into for the purpose of facilitating a Regis Competing Proposal;
- (b) it and each Regis Group Member and each of their respective Representatives have ceased, and are not currently party to, any discussions, negotiations or other communications with any Third Party in relation to, or which may reasonably be expected to lead to, a Regis Competing Proposal; and
- (c) it and each Regis Group Member and each of their respective Representatives have ceased to provide or make available any non-public information in relation to the Regis Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Regis Competing Proposal.

13.2 No-shop

During the Exclusivity Period, Regis must not, and must ensure that each of the Regis Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, encourage or invite any enquiry, expression of interest, offer, proposal, negotiation, discussion or other communication by any person; or
- (b) communicate an intention to do any of the things referred to in **clause 13.2(a)**, in relation to, with a view to obtaining or which would otherwise reasonably be expected to encourage or lead to the making of any actual, proposed or potential Regis Competing Proposal.

13.3 No-talk

Subject to **clause 13.8**, during the Exclusivity Period, Regis must not, and must ensure that each of the Regis Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) facilitate or otherwise participate in any negotiations, discussions or other communications with respect to any enquiry, expression of interest, offer or proposal by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Regis Competing Proposal;
- (b) negotiate, accept or enter into, or offer to agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal; or
- (c) communicate an intention to do any of the things referred to in **clause 13.3(a)** or **13.3(b)**,

even if the Regis Competing Proposal was not directly or indirectly solicited, encouraged, invited or initiated by Regis or any of its Representatives, or the Regis Competing Proposal has been publicly announced. Nothing in this **clause 13.3** prevents or restricts Regis or any Regis Group Member or any of its or their respective Representatives from responding to a Third Party in respect of an inquiry, expression of interest, offer or proposal by that Third Party to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Regis Competing Proposal to merely: (A) acknowledge receipt; or (B) direct that Third Party to the provisions of this **clause 13.3**.

13.4 No due diligence

Subject to **clause 13.8**, during the Exclusivity Period, except with the prior written consent of Vault, Regis must not, and must ensure that each of the Regis Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, invite, encourage, facilitate or permit any Third Party to undertake due diligence investigations in respect of any Regis Group Member or any of their businesses, affairs or operations; and
- (b) disclose or otherwise provide or make available to any person (other than Vault or a Government Agency that has the right to obtain that information and has sought it), or permit any such person, to receive any non-public information relating to any Regis Group Member or any of their businesses, affairs or operations,

in each case, in connection with, for the purposes of, with a view to obtaining or which otherwise could reasonably be expected to lead to or encourage the formulation, receipt or announcement of an actual, proposed or potential Regis Competing Proposal, whether by that person or another person.

13.5 Notification of approaches

- (a) During the Exclusivity Period, Regis must as soon as possible, and in any event within two Business Days, notify Vault in writing if it, or any of the Regis Group Members or its or their respective Representatives, becomes aware of any:
 - (i) approach, inquiry, proposal or other attempt made by any person to Regis or any of its Representatives to initiate any discussions, negotiations or other communications, or any intention to make such an approach or attempt to initiate any discussions, negotiations or other communications, in respect of any inquiry, expression of interest, offer, proposal, discussion or other communication in relation to an actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal;
 - (ii) expression of interest, offer, proposal or other communication made to Regis or any of its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal; or
 - (iii) request made by any person to Regis or any of its Representatives for, or the provision by Regis or any of its Representatives to any person of, any non-public information relating to the business, affairs or operations of any Regis Group Member in connection with such person formulating, developing or

finalising, or assisting in the formulation, development or finalisation of, an actual, proposed or potential Regis Competing Proposal,

whether direct or indirect, solicited or unsolicited and whether in writing or otherwise. For clarity, any of the acts described in this **clause 13.5(a)** may only be undertaken by Regis or any of its Representatives if not prohibited by **clause 13.2** or if permitted by **clause 13.3**.

- (b) A notification given under **clause 13.5(a)** must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Regis Competing Proposal, together with all of the material terms and conditions of the actual, proposed or potential Regis Competing Proposal (including the price (or if not cash, implied value), funding, the form of consideration, the conditions precedent, the proposed deal protection arrangements, break fee provisions, timing and other key terms and the identity of the proponent(s) of such proposal), in each case to the extent known by Regis or any Regis Group Member or its or their respective Representatives.
- (c) During the Exclusivity Period Regis must also notify Vault in writing as soon as possible after it, or any Regis Group Member or its or their respective Representatives, becomes aware of any material developments in relation to the actual, proposed or potential Regis Competing Proposal, including in respect of any of the information previously provided to Vault under this clause 13.5.

13.6 Provision of information

- (a) Subject to **clause 13.6(b)**, during the Exclusivity Period, if any non-public information about the business, operations or affairs of Regis or a Regis Group Member is disclosed, provided or otherwise made available to any person in connection with any actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal, which has not previously been provided or made available to Vault, Regis must promptly, and in any event within two Business Days of the provision of the information, notify Vault that it has provided such information and provide to Vault:
 - (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of or reasonable access to, that non-public information.
- (b) During the Exclusivity Period, Regis must not, and must procure that each of its Representatives do not, directly or indirectly disclose or otherwise provide or make available any non-public information about the business, operations or affairs of the Regis Group to any person (other than Vault) in connection with an actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal, unless permitted by **clause 13.4**.

13.7 Matching right

- (a) Without limiting any other provision of this document, during the Exclusivity Period, Regis:
 - (i) must not and must procure that each Regis Group Member and each of its and their respective Representatives do not, enter into any legally binding

agreement, arrangement or understanding (whether or not in writing) pursuant to which any person proposes, or proposes to undertake or give effect to, an actual, proposed or potential Regis Competing Proposal, or that may be reasonably expected to lead to a Regis Competing Proposal; and

- (ii) must procure that no Regis Director publicly recommends, supports or endorses an actual, proposed or potential Regis Competing Proposal or makes any public statement to the effect that they may do so at a future point in time,

unless:

- (iii) the Regis Board, acting in good faith and in order to satisfy what the Regis Directors consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determine that the Regis Competing Proposal is a Regis Superior Proposal;
 - (iv) Regis has provided Vault with the material terms and conditions of the actual, proposed or potential Regis Competing Proposal (including the identity of the person making the actual, proposed or potential Regis Competing Proposal as well as the information referred to in **clause 13.5(b)** and **clause 13.5(c)**), in each case to the extent known by Regis or any Regis Group Member or any of their respective Representatives;
 - (v) Regis has given Vault at least five Business Days after the provision of the information referred to in **clause 13.7(a)(iv) (Cut Off Date)** to provide a Vault Counterproposal; and
 - (vi) Vault has not announced or provided to Regis a Vault Counterproposal before the Cut Off Date which the Regis Board has determined in accordance with **clause 13.7(b)** would provide an equivalent or superior outcome for Regis Shareholders as a whole compared with the actual, proposed or potential Regis Competing Proposal.
- (b) If Vault proposes to Regis, or announces, a proposal to acquire all of the shares in Regis that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Regis Competing Proposal (**Vault Counterproposal**) before the Cut Off Date, Regis must procure that the Regis Board considers the Vault Counterproposal and if the Regis Board, acting in good faith, determines that the Vault Counterproposal (taking into account all of its terms and conditions) would provide an equivalent or superior outcome for Regis Shareholders as a whole compared with the actual, proposed or potential Regis Competing Proposal, then Regis and Vault must use their reasonable endeavours to agree and enter into such documentation as is reasonably necessary to implement the Vault Counterproposal as soon as reasonably practicable.
 - (c) If the Regis Board, acting in good faith, determines that the Vault Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Regis Shareholders as a whole compared with the actual, proposed or potential Regis Competing Proposal, then Regis must promptly (and in any event within 24 hours of the Regis Board making such determination) notify Vault in writing of the determination.

- (d) For the purposes of this **clause 13.7**, each successive material modification of any actual, proposed or potential Regis Competing Proposal will constitute a new Regis Competing Proposal, and the procedures set out in this **clause 13.7** must again be followed prior to any Regis Group Member entering into any agreement, arrangement, understanding or commitment in respect of such Regis Competing Proposal.
- (e) For clarity and despite any other provision of this document, a statement by Regis or the Regis Board to the effect that:
- (i) the Regis Board has determined that a Regis Competing Proposal is a Regis Superior Proposal and has commenced the matching right process set out in this **clause 13.7**; or
 - (ii) Regis Shareholders should take no action pending the completion of the assessment of a Regis Competing Proposal or completion of the matching right process set out in this **clause 13.7**,
- does not of itself:
- (iii) constitute an endorsement of the Regis Competing Proposal;
 - (iv) contravene this document;
 - (v) give rise to an obligation to pay the Regis Reimbursement Fee under **clause 11.2**; or
 - (vi) give rise to a termination right under **clause 14**.

13.8 Fiduciary out

The restrictions and obligations in **clauses 13.3** and **13.4** do not apply to the extent they restrict Regis or any Regis Group Member or any of its or their respective Representatives from taking or refusing to take any action with respect to a Regis Competing Proposal that did not result, directly or indirectly, from a breach of this **clause 13** by Regis or any of its Representatives, provided that the Regis Board has first determined, acting in good faith that:

- (a) after receiving written legal advice from its external legal advisers and after consulting with its financial advisers, the Regis Competing Proposal is a Regis Superior Proposal or could reasonably be expected to become a Regis Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, compliance with that clause would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of the Regis Board.

13.9 Normal provision of information

Nothing in this **clause 13** prevents Regis from:

- (a) taking any action in good faith to comply with its disclosure requirements at law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the Listing Rules;
- (b) providing information to its auditors, customers, contractors or suppliers acting in that capacity in the ordinary course of business; or

- (c) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to its business generally,

subject to Regis complying with its obligations under **clause 15**.

13.10 Acknowledgment

Vault and Regis acknowledge and agree that:

- (a) Vault has requested the inclusion of this **clause 13** in this document and would not have entered into this document without it; and
- (b) Regis has received legal advice in relation to the operation of this **clause 13**.

14 Termination

14.1 Termination by notice

- (a) Either party may, by notice in writing to the other, terminate this document:
 - (i) at any time prior to the Delivery Time on the Second Court Date if the other is in material breach of any of its obligations under this document (other than a breach of a representation or warranty which is dealt with in **clauses 14.1(b)(i)** and **14.1(c)(i)**), and, if capable of remedy, the other party has failed to remedy that breach within 10 Business Days (or any shorter period ending at 5.00pm on the day before the date of the Second Court Date, if earlier) of receiving notice from the terminating party that sets out details of the relevant circumstance relating to the breach and stating an intention to terminate this document. For the purposes of this **paragraph 14.1(a)(i)**:
 - (A) any breach by Vault of its obligations under **clause 12** will constitute a material breach of Vault's obligations under this document; and
 - (B) any breach by Regis of its obligations under **clause 13** will constitute a material breach of Regis's obligations under this document;
 - (ii) at any time prior to the Delivery Time on the Second Court Date if the Court or another Government Agency (including any other court) has taken action permanently restraining or otherwise prohibiting or preventing the Proposed Transaction, or has refused to do anything necessary to permit the Proposed Transaction to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party (acting reasonably) believes that there is no realistic prospect of an appeal or review succeeding by the End Date;
 - (iii) in the circumstances set out in, and in accordance with, **clause 3.6(b)**;
 - (iv) in the circumstances set out in **clause 3.6(e)**;
 - (v) if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date, unless the failure of the Scheme to become Effective on or before the End Date is due to the failure of the party seeking to terminate this document to perform or observe its obligations, covenants and agreements under this document; or

- (vi) subject to **clause 3.6(d)**, Vault Shareholders have not agreed to the Scheme at the Scheme Meeting by the requisite majorities.
- (b) Vault may, by notice in writing to Regis, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:
- (i) Regis is in breach of a Regis Warranty, or a Regis Warranty becomes untrue, and:
 - (A) the breach is material in the context of the Scheme as a whole;
 - (B) Vault has given written notice to Regis setting out the relevant circumstance and stating an intention to terminate or to allow the Scheme to lapse if the breach is not remedied; and
 - (C) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date) after the date on which the notice is given under **clause 14.1(b)(i)(B)**;
 - (ii) any Regis Director publicly recommends, supports or endorses a Regis Competing Proposal, for any reason, whether or not permitted to do so under this document;
 - (iii) Regis enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Regis Competing Proposal;
 - (iv) if the Vault Board determines, in accordance with **clause 12.8** and after completion of the processes specified in **clauses 12.5** and **12.7**, that a Vault Competing Proposal is a Vault Superior Proposal, provided always that there has not been a material breach by Vault of its obligations under **clause 12** and that Vault has paid the Vault Reimbursement Fee to Regis if required to do so under **clause 10.2**; or
 - (v) the Vault Board, or a majority of the Vault Board, has withdrawn, changed, modified or qualified its Recommendation or Voting Intention in the circumstances permitted under **clause 7.2**.
- (c) Regis may, by notice in writing to Vault, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:
- (i) Vault is in breach of a Vault Warranty, or a Vault Warranty becomes untrue, and:
 - (A) the breach is material in the context of the Scheme as a whole;
 - (B) Regis has given written notice to Vault setting out the relevant circumstance and stating an intention to terminate or to allow the Scheme to lapse if the breach is not remedied; and
 - (C) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date) after the date on which the notice is given under **clause 14.1(c)(i)(B)**;
 - (ii) any Vault Director:
 - (A) fails to recommend the Scheme;

- (B) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation or Voting Intention;
- (C) publicly recommends, supports or endorses a Vault Competing Proposal; or
- (D) otherwise makes a public statement indicating that they no longer support or recommend the Proposed Transaction,

for any reason, whether or not permitted to do so under this document, other than in accordance with **clause 7.2(a)(iii)**;

- (iii) Vault enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Vault Competing Proposal; or
- (iv) the Regis Board determines, in accordance with **clause 13.8** and after completion of the processes specified in **clauses 13.5** and **13.7**, that a Regis Competing Proposal is a Regis Superior Proposal, provided always that there has not been a material breach by Regis of its obligations under **clause 13** and that Regis has paid the Regis Reimbursement Fee to Vault if required to do so under **clause 11.2**.

14.2 Termination procedure

Where a party has a right to terminate this document, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this document.

14.3 Effect of termination

- (a) In the event of termination of this document, each party will be released from its obligations under this document (and all future obligations under this document will immediately terminate and be of no further force and effect, including obligations in respect of the Proposed Transaction), except that the provisions of **clauses 8, 10, 11, 15, 17** and **18** (inclusive) survive termination and remain in force.
- (b) Termination of this document does not affect any accrued rights of a party in respect of a breach of this document prior to termination or in respect of the right to payment of an amount under **clause 10** or **11**.

14.4 No other termination

Neither party may terminate or rescind this document or the Scheme except as permitted under **clauses 3.6(b)** or **14.1**.

15 Public announcements

15.1 Confidentiality

- (a) The parties agree that clause 12.1(a) of the confidentiality agreement between Vault and Regis dated 3 February 2026 (**Regis Confidentiality Deed**) is amended by deleting clause 12.1(a)(ii), such that the rights and obligations of the parties under

the Regis Confidentiality Deed survives execution of this document (with the Regis Confidentiality Deed terminating on 3 February 2027).

- (b) Each party agrees to be bound by the terms of the Confidentiality Deeds notwithstanding the execution of this document, and must procure that it and its Representatives comply with the terms of the Confidentiality Deeds (to the extent required by the Confidentiality Deeds) except that the terms of this document will prevail over the Confidentiality Deeds to the extent of any inconsistency. The rights and obligations of the parties under the Confidentiality Deeds survive termination of this document. To avoid doubt, the parties acknowledge that the standstill clauses in the Regis Confidentiality Deed continue in full force and effect in accordance with the terms of the Regis Confidentiality Deed, but that Vault waives the relevant standstill clause in the Regis Confidentiality Deed to the extent required for Regis to undertake the Scheme in accordance with this document.

15.2 Public announcements on execution

Immediately after the execution of this document, the parties must issue a joint public announcement in a form previously agreed to in writing between them (**Announcement**).

15.3 Further public announcements

Subject to **clause 15.4**, any further public announcements by Vault or Regis in relation to, or in connection with, the Proposed Transaction or any other transaction the subject of this document or the Scheme may only be made in a form approved by each party in writing (acting reasonably). Each party must use all reasonable endeavours to provide such approval as soon as practicable. This clause does not apply to any announcement or disclosure relating to a Vault Competing Proposal or a Regis Competing Proposal.

15.4 Required disclosure

- (a) Where a party is required by applicable law or the Listing Rules to make any announcement or to make any disclosure in connection with the Proposed Transaction or any other transaction the subject of this document or the Scheme, it may do so despite **clause 15.3** but only after using reasonable endeavours, to the extent practicable and lawful, to consult with the other party before making the relevant disclosure and take account of any reasonable comments received from the other party in relation to the form and content of the announcement or disclosure.
- (b) Notwithstanding **clause 15.4(a)**, a party does not require the other party's approval to issue any public disclosures if the content of those disclosures:
- (i) is limited to procedural matters or information that has previously been disclosed within the Scheme Booklet or any other ASX announcement, provided that the disclosing party gives the other party prior notice that it proposes to make a public disclosure in reliance on this **clause 15.4(b)**; or
 - (ii) relates to a Vault Competing Proposal or a Regis Competing Proposal.

16 GST

16.1 Construction

In this **clause 16**:

- (a) unless there is a contrary indication, words and expressions which are not defined in this document but which have a defined meaning in the GST Law have the same meaning as in the GST Law;
- (b) **GST Law** has the same meaning given to that expression in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) or, if that Act does not exist for any reason, means any Act imposing or relating to the imposition or administration of a goods and services tax in Australia and any regulation made under that Act; and
- (c) references to GST payable and input tax credit entitlements include:
 - (i) notional GST payable by, and notional input tax credit entitlements of the Commonwealth, a State or a Territory (including a government, government body, authority, agency or instrumentality of the Commonwealth, a State or a Territory); and
 - (ii) GST payable by, and the input tax credit entitlements of, the representative member of a GST group of which the entity is a member.

16.2 Consideration GST exclusive

Unless otherwise expressly stated, all consideration, whether monetary or non-monetary, payable or to be provided under or in connection with this document is exclusive of GST (**GST-exclusive consideration**).

16.3 Payment of GST

If GST is payable on any supply made by:

- (a) a party; or
- (b) an entity that is taken under the GST Law to make the supply by reason of the capacity in which a party acts,

(**Supplier**) under or in connection with this document, the party providing the consideration for the supply must pay to the Supplier an additional amount equal to the GST payable on the supply.

16.4 Timing of GST payment

Subject to **clause 16.5** below, the amount referred to in **clause 16.3** must be paid in addition to and at the same time and in the same manner (without any set-off or deduction) that the GST-exclusive consideration for the supply is payable or to be provided.

16.5 Tax invoice

The Supplier must deliver a tax invoice or an adjustment note to the recipient of a taxable supply before the Supplier is entitled to payment of an amount under **clause 16.3**.

16.6 Adjustment event

If an adjustment event arises in respect of a supply made by a Supplier under or in connection with this document, any amount that is payable under **clause 16.3** will be calculated or recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier or by the Supplier to the recipient as the case requires.

16.7 Reimbursements

- (a) Where a party is required under or in connection with this document to pay for, reimburse or contribute to any expense, loss, liability or outgoing suffered or incurred by another party or indemnify another party in relation to such an expense, loss, liability or outgoing (**Reimbursable Expense**), the amount required to be paid, reimbursed or contributed by the first party will be reduced by the amount of any input tax credits to which the other party is entitled in respect of the Reimbursable Expense.
- (b) This **clause 16.7** does not limit the application of **clause 16.3**, if appropriate, to the Reimbursable Expense as reduced in accordance with **clause 16.7(a)**.

16.8 No merger

This **clause 16** does not merge on the completion, rescission or other termination of this document or on the transfer of any property supplied under this document.

19.2 Payments

Unless otherwise expressly provided in this document, where an amount is required to be paid to a party (the **Receiving Party**) by another party under this document, that amount shall be paid:

- (a) in immediately available and irrevocable funds by electronic transfer to a bank account or accounts notified by the Receiving Party in writing on or before the due date for payment, or in other such immediately payable funds as the parties may agree; and

19.3 Stamp duty

Regis must pay all stamp duties (if any) and any fines and penalties with respect to stamp duty in respect of the Scheme (including the acquisition or transfer of Scheme Shares pursuant to the Scheme).

19.4 Withholding tax

- (a) If Regis is required by Subdivision 14-D of Schedule 1 of the TAA (**Subdivision 14-D**) to pay amounts to the Commissioner in respect of the acquisition of Scheme Shares from certain Scheme Shareholders (each a **FRCGW Holder**), Regis is permitted to take the required steps to withhold (including holding Scheme Consideration to sell), and remit such amounts to the Commissioner. The Scheme Consideration shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Shareholders shall be taken to be in full and final satisfaction of the amount owing to those Scheme Shareholders.
- (b) Regis acknowledges and agrees that it shall not pay any amounts to the Commissioner under **clause 19.4(a)** with respect to a Scheme Shareholder where Regis:
 - (i) receives a Scheme Shareholder Declaration from the Scheme Shareholder prior to the Implementation Date and Regis does not know that the Scheme Shareholder Declaration is false or would otherwise be precluded under Subdivision 14-D of schedule 1 of the TAA from relying on the Scheme Shareholder Declaration; or
 - (ii) receives a Nil Variation Notice prior to the Implementation Date.
- (c) If Regis forms the view that it has knowledge that a Scheme Shareholder Declaration it has received is false, and Regis received the Scheme Shareholder Declaration more than 30 days before the Implementation Date, Regis agrees that it

shall not pay any amounts to the Commissioner in respect of that Scheme Shareholder until it has:

- (i) provided information upon which it relied to form that view to the Vault Shareholder who has provided that Scheme Shareholder Declaration no less than 20 days before the Implementation Date;
 - (ii) provided the Scheme Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than 10 days before the Implementation Date; and
 - (iii) reviewed any response from the Scheme Shareholder and, after having reconsidered its view, still be of the view that it has knowledge that the Scheme Shareholder Declaration it has received is false.
- (d) Regis agrees not to contact any Vault Shareholders in connection with the application of Subdivision 14-D to the Proposed Transaction without Vault's prior written consent.
 - (e) The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable to ensure that, where possible, representations are obtained from relevant Scheme Shareholders.
 - (f) Irrespective of anything to the contrary in this **clause 19.4**, to the extent the requirements of Subdivision 14-D of schedule 1 of the TAA change between the date of this document and the Implementation Date, the parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable to ensure that, where possible, Regis is not required to pay any amounts to the Commissioner under **clause 19.4(a)**.

19.5 No liability for loss

Unless this document expressly states otherwise, a party is not liable for any loss, liability or costs arising in connection with the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right, power or remedy in connection with this document.

- (b) Any waiver or consent given by any party under this document will only be effective and binding on that party if it is given or confirmed in writing by that party.
- (c) No waiver of a breach of any term of this document will operate as a waiver of another breach of that term or of a breach of any other term of this document.
- (d) Nothing in this document obliges a party to exercise a right to waive any conditional term of this document that may be in its power.

19.10 Counterparts

- (a) This document may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the agreement of each party who has executed and delivered that counterpart. Each counterpart is an original but the counterparts together are one and the same agreement.
- (b) This document is binding on the parties on the exchange of duly executed counterparts.
- (c) The parties agree that a copy of an original executed counterpart sent by email to the email address of the other party specified in **clause 17.3**, instead of the original, is sufficient evidence of the execution of the original and may be produced in evidence for all purposes in place of the original.

19.11 Severability

If the whole or any part of a provision of this document is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this document has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. - (b) Each party acknowledges and confirms that it does not enter into this document in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement expressly set out in this document.

19.15 No merger

- (a) This document is governed by and will be construed according to the laws of Western Australia.

 - (i) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New Regis Shares; and
 - (ii) if the fractional entitlement is 0.5 or more, it will be rounded up to the nearest whole number of New Regis Shares.
- (b) If a Nominee Holder holds more than one parcel of Scheme Shares as trustee or nominee for, or otherwise on account of, another person, then for the purposes of this **clause 6.3**, the Scheme Consideration for the Nominee Holder will be calculated and rounded based on the aggregate number of Scheme Shares held by the Nominee Holder in those parcels as trustee or nominee for, or otherwise on account of, other persons.

6.4 Shareholder splitting or division

If Regis is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 6.3**) have, before the Record Date, been party to the splitting of Vault Shares into two or more parcels of Vault Shares (whether or not it results in any change in beneficial ownership of the Vault Shares) in an attempt to obtain unfair advantage by reference to such rounding, if requested by Regis, Vault must give notice to those Scheme Shareholders:

- (a) setting out their names and Registered Addresses;
- (b) stating that opinion; and

- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of other provisions of this Scheme and the Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the other provisions of this Scheme and the Deed Poll, be taken to hold no Scheme Shares. Regis, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

6.5 Scheme Shareholders' agreements

Under this Scheme, each Scheme Shareholder (and, to the extent relevant, the Sale Agent) irrevocably:

- (a) agrees to the transfer of their Scheme Shares together with all Rights to Regis in accordance with this Scheme;
- (b) agrees to the variation, cancellation or modification of the Rights attached to their Scheme Shares constituted by or resulting from this Scheme;
- (c) agrees that after the transfer of their Scheme Shares to Regis in accordance with this Scheme, any holding statements or share certificates (or equivalent documents) relating to the Scheme Shares will not constitute evidence of title to those Scheme Shares and agrees to, on the direction of Regis, destroy any holding statements or share certificates (or equivalent documents) relating to their Scheme Shares;
- (d) agrees, to the extent the Scheme Shareholder holds their Scheme Shares in a CHESS Holding, to the conversion of their Scheme Shares to an Issuer Sponsored Holding and irrevocably authorises Vault to do anything necessary, expedient or incidental to effect or facilitate such conversion;
- (e) agrees to become a shareholder of Regis, to have their name entered in the Regis Share Register as the holder of New Regis Shares which they are issued as Scheme Consideration, and to accept the New Regis Shares issued to them under this Scheme on the terms and conditions of the Regis constitution;
- (f) agrees to be bound by the Regis constitution;
- (g) agrees and acknowledges that the issue of New Regis Shares in accordance with **clause 6.1** constitutes satisfaction of all that person's entitlements under this Scheme;
- (h) acknowledges that this Scheme binds Vault and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Vault; and
- (i) irrevocably consents to Vault and Regis doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it,

in each case, irrevocably and without the need for any further act by that Scheme Shareholder (or the Sale Agent, as applicable).

6.6 Unclaimed monies

- (a) Regis may cancel a cheque issued under this **clause 6** if the cheque:
 - (i) is returned to Regis; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Vault or Regis (or the Vault Registry or Regis' share registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Regis must reissue or procure the reissuance of a cheque that was previously cancelled under this **clause 6**.
- (c) The *Unclaimed Money Act 1990 (WA)* will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of that Act).
- (d) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of Vault.

6.7 Ineligible Foreign Shareholders, Relevant Small Parcel Shareholders and FRCGW Holders

- (a) Regis has no obligation to issue, and will not issue, any New Regis Shares to:
 - (i) an Ineligible Foreign Shareholder;
 - (ii) a Relevant Small Parcel Shareholder; or
 - (iii) a FRCGW Holder in respect of the New Regis Shares (if any) which Regis is required to deduct or withhold from the Scheme Consideration otherwise payable to that FRCGW Holder in accordance with **clause 19.4** of the Scheme Implementation Deed (**FRCGW Consideration Shares**),
 and instead will issue (subject to **clause 6.3** and **6.9**) to the Sale Agent:
 - (iv) the New Regis Shares that would otherwise have been issued to the Ineligible Foreign Shareholder or the Relevant Small Parcel Shareholder (**Ineligible Consideration Shares**); and
 - (v) the FRCGW Consideration Shares,
 (together, the Ineligible Consideration Shares and FRCGW Consideration Shares being the **Relevant Regis Shares**).
- (b) Regis will procure that, as soon as reasonably practicable and in any event not more than 20 Business Days after the Implementation Date, the Sale Agent:
 - (i) in consultation with Regis, sells or procures the sale of all of the Relevant Regis Shares (on the ASX or off-market) in such manner, at such price and on such terms as the Sale Agent determines in good faith (and at the risk of the Ineligible Foreign Shareholder, the Relevant Small Parcel Shareholder or the FRCGW Holder, as the case may be); and
 - (ii) subject to receipt of the proceeds of the sale under **clause 6.7(b)(i)**, remits, or procures to be remitted, to Regis the proceeds of sale (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges), as soon as reasonably practicable and in any event within ten Business Days of receipt.

- (c) Promptly and in any event within 10 Business Days after the last sale of Relevant Regis Shares in accordance with **clause 6.7(b)**, Regis must pay, or procure the payment, to each Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder the amount calculated in accordance with the following formula and rounded down to the nearest cent:

$$D = (A \div B) \times C$$

Where:

- A is the number of Relevant Regis Shares that would otherwise have been issued to that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) if they had not been an Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable), and which were issued to the Sale Agent for sale in accordance with **clause 6.7(b)**;
- B is the total number of Relevant Regis Shares which would have been issued to all Ineligible Foreign Shareholders, Relevant Small Parcel Shareholders and FRCGW Holders, and which were issued to the Sale Agent for sale in accordance with **clause 6.7(b)**;
- C is the proceeds of sale (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges), being the amount referred to in **clause 6.7(b)(ii)**; and
- D is the amount to be paid to the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable), provided that if the amount is to be paid to a FRCGW Holder, 'D' will be reduced by any amount remitted to the Commissioner in accordance with **clause 19.4** of the Scheme Implementation Deed.
- (d) Each Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder acknowledges and agrees that:
- (i) none of Regis, Vault or the Sale Agent give any assurance or representation as to the price that will be achieved for the sale of the Relevant Regis Shares or the amount of proceeds to be received by Ineligible Foreign Shareholders, Relevant Small Parcel Shareholders and/or FRCGW Holders (as applicable); and
 - (ii) Regis, Vault and the Sale Agent each expressly disclaim any fiduciary duty to any Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder which may arise in connection with this **clause 6.7**.
- (e) Regis must pay or procure that each Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder is paid any amounts owing under **clause 6.7(c)** by either (in the absolute discretion of Regis):
- (i) making a deposit in an account with any ADI (as defined in the *Banking Act 1959* (Cth)) in Australia notified by that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) to Vault (or the Vault Registry) and recorded in or for the purposes of the Vault Share Register at the Record Date; or
 - (ii) if an account is not nominated by the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) in accordance with **clause 6.7(e)(i)**, dispatching, or procuring the dispatch, to that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as

applicable) by prepaid post to the Registered Address (as at the Record Date) of that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable), a cheque in the name of that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) (in the case of joint holders, the cheque will be drawn in the name of the joint holders and dispatched in accordance with the procedures set out in **clause 6.11**),

for the relevant amount, with that amount being denominated in Australian dollars.

- (f) Each Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder appoints Vault, and each director and officer of Vault, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) that the Sale Agent is required to provide to the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) under the Corporations Act or any other applicable law.
- (g) Payment of the relevant amounts calculated in accordance with **clause 6.7(c)** satisfies in full Regis' obligations to the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) in respect of the Scheme Consideration and satisfies in full the Ineligible Foreign Shareholder's, Relevant Small Parcel Shareholder's or FRCGW Holder's (as applicable) rights to Scheme Consideration under this Scheme, and no interest will be payable on any proceeds.

6.8 Other ineligible Scheme Shareholders

Where the issue of New Regis Shares to which a Scheme Shareholder (other than an Ineligible Foreign Shareholder, a Relevant Small Parcel Shareholder or a FRCGW Holder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) Regis will issue the maximum possible number of New Regis Shares to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further New Regis Shares to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under **clause 6.7**, as if:
 - (i) references to Ineligible Foreign Shareholders also included that Scheme Shareholder; and
 - (ii) references to Relevant Regis Shares also included any of that Scheme Shareholder's New Regis Shares that have been issued to the Sale Agent.

6.9 Orders of a Court or Government Agency

- (a) Vault or Regis may deduct and withhold from any consideration which would otherwise be provided to a Scheme Shareholder in accordance with this **clause 6**, any amount which Vault and Regis determine is required to be deducted and withheld from that consideration under any applicable law, including any order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency.
- (b) If written notice is given to Vault (or the Vault Registry) or Regis (or Regis' share registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration which would otherwise be provided to a Scheme Shareholder in accordance with this **clause 6** to instead be paid or provided to a

Government Agency or other third party (either through payment of a sum or the issuance of a security), then Vault or Regis (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Shareholder); or

- (ii) prevents consideration being provided to any particular Scheme Shareholder in accordance with this **clause 6**, or the payment or provision of such consideration is otherwise prohibited by applicable law, Vault or Regis (as applicable) shall be entitled to (as applicable) direct Regis not to issue (or procure the issue of), or to issue or provide to a trustee or nominee, such number of New Regis Shares as that Scheme Shareholder would otherwise be entitled to under this **clause 6**, until such time as payment or provision of the consideration in accordance with this **clause 6** is permitted by that order or direction or otherwise by law.
- (c) To the extent that amounts are so deducted or withheld under or in accordance with this **clause 6.9**, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, and will constitute the full discharge of Regis' obligations under **clause 6.2** with respect to that amount until that amount is no longer required to be retained.

6.10 Shares to rank equally

Regis covenants in favour of Vault (in its own right and on behalf of the Scheme Shareholders) that:

- (a) the New Regis Shares will, upon their issue, rank equally in all respects with all other Regis Shares then on issue;
- (b) subject to this Scheme becoming Effective, it will use best endeavours to ensure that the New Regis Shares will be listed for quotation on the official list of ASX on the Business Day after the Effective Date (or such later date as the ASX may require) initially on a deferred settlement basis and commence trading on a normal (T+2) settlement basis no later than the first Business Day after the Implementation Date (which approval may be conditional on the issue of those New Regis Shares and other conditions customarily imposed by the ASX);
- (c) the New Regis Shares will be duly and validly issued in accordance with applicable laws; and
- (d) on issue, each New Regis Share will be fully paid and free from any Security Interest.

6.11 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any New Regis Shares to be issued under this Scheme must be issued and registered in the names of the joint holders and entry in the Regis Share Register must take place in the same order as the holders' names appear in the Vault Share Register;
- (b) any cheque required to be sent under this Scheme must be payable to the joint holders and sent to the holder whose name appears first in the Vault Share Register on the Record Date; and

- (c) any document required to be sent under this Scheme must be forwarded to either, at the sole discretion of Vault, the holder whose name appears first in the Vault Share Register as at the Record Date or to the joint holders.

7 Dealings in Scheme Shares

7.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Scheme Shares or other alterations to the Vault Share Register will only be recognised by Vault if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Vault Share Register as the holder of the relevant Scheme Shares at the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before 5.00pm (Sydney time) on the Record Date at the place where the Vault Share Register is kept,

and Vault must not accept for registration, nor recognise for any purpose (except a transfer to Regis pursuant to this Scheme and any subsequent transfer by Regis or its successors in title) any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

7.2 Vault Share Register

Vault must register, or cause to be registered, any registrable transmission applications or transfers of Vault Shares received in accordance with **clause 7.1(b)** on or before the Record Date, provided that nothing in this **clause 7.2** requires Vault to register a transfer that would result in a Vault Shareholder holding a parcel of Vault Shares that is less than a 'marketable parcel' (as that term is defined in the Listing Rules).

7.3 No disposals after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or transfer, or otherwise deal with, or purport or agree to dispose of or transfer, or otherwise deal with, any Scheme Shares or any interest in them after the Record Date in any way except as set out in this Scheme and any such disposal, transfer, dealing or purported disposal, transfer or dealing will be void, of no legal effect whatsoever and Vault must disregard any such disposal, transfer, dealing or purported disposal, transfer or dealing.

7.4 Maintenance of Vault Share Register

For the purpose of determining entitlements to the Scheme Consideration, Vault must maintain the Vault Share Register in accordance with the provisions of this **clause 7** until the Scheme Consideration has been provided to the Scheme Shareholders and Regis has been entered in the Vault Share Register as the holder of all the Scheme Shares. The Vault Share Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to Regis contemplated in **clauses 5.2** and **7.4**, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares

(other than statements of holding in favour of Regis and its successors in title). After the Record Date, each entry current on the Vault Share Register as at the Record Date (other than entries in respect of Regis or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Vault Shares relating to that entry.

7.6 Details of Scheme Shareholders

- (a) Within one Business Day after the Record Date, Vault must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Vault Share Register at the Record Date, are available and provided to Regis in such form as Regis reasonably requires.
- (b) Each Scheme Shareholder agrees that the information referred to in this **clause 7.6** may be disclosed to Regis, its advisers, share registry and other service providers to the extent necessary to effect this Scheme.

7.7 Quotation of Vault Shares

Vault must apply to the ASX to suspend trading in the Vault Shares on the ASX with effect from the close of trading on ASX on the Effective Date, or such other date and time agreed in writing between Vault and Regis.

7.8 Termination of quotation of Vault Shares

Vault must apply:

- (a) for termination of the official quotation of Vault Shares on ASX; and
- (b) to have itself removed from the official list of ASX,

in each case with effect on and from the close of trading on the Business Day immediately following the Implementation Date, or such other date and time agreed in writing between Vault and Regis (acting reasonably and following consultation with the ASX).

8 Instructions and notification

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Vault that are binding or deemed binding between the Scheme Shareholder and Vault relating to Vault or Vault Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Vault Shares; and
- (c) notices or other communications from Vault (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Regis in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to Regis and to be a binding instruction, notification or election to, and accepted by, Regis until that instruction, notification or election is revoked or amended in writing addressed to Regis at its registry.

9 Power of attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder:

- (a) on and from the Effective Date, irrevocably appoints Vault (and each of its directors, officers and secretaries (jointly and each of them severally)) as its attorney and agent for the purpose of enforcing the Deed Poll against Regis; and
- (b) on and from the Effective Date, irrevocably appoints Vault (and each of its directors, officers and secretaries (jointly and each of them severally)) as its attorney and agent for the purpose of executing any document, or doing or taking any other act, necessary or expedient to give effect to this Scheme and the transactions contemplated by it, including the Share Scheme Transfer on the Implementation Date,

and Vault accepts such appointment. Vault as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this **clause 9** to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

10 Notices

10.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Vault, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Vault's registered office or at the office of the Vault Registry.

10.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Vault Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

11 General

11.1 Alterations and conditions

If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act, and those alterations or conditions have been agreed to by each of Vault and Regis:

- (a) Vault may, with the prior consent of Regis, by its counsel or solicitor, consent on behalf of all persons concerned to any such alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Vault has consented to pursuant to **clause 11.1(a)**.

11.2 Further assurances

- (a) Each Scheme Shareholder and Vault will execute all documents and do all things necessary or expedient to implement, and perform its obligations under, this Scheme and the transactions contemplated by it.

- (b) Without limiting Vault's other powers under this Scheme, Vault has power to do all things that it considers necessary or desirable to give effect to this Scheme and the transactions contemplated by it.

11.3 Consent

Each of the Scheme Shareholders irrevocably consents to Vault doing all things necessary or expedient for or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Vault or otherwise.

11.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, neither Regis nor Vault, nor any of their respective officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

11.5 Enforcement of Deed Poll

Vault undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against Regis on behalf of and as agent and attorney for the Scheme Shareholders.

11.6 Stamp duty

Regis will:

- (a) pay all stamp duty (if any) and any related fines, penalties and interest with respect to stamp duty in connection with this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under or in connection with this Scheme and the Deed Poll; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with **clause 11.6(a)**.

11.7 Scrip for scrip roll-over relief

In the event the Scheme Shareholders are eligible for scrip for scrip roll-over relief, Regis acknowledges it has not made, and will not make, a choice to deny roll-over relief to Scheme Shareholders under subsection 124-795(4) of the ITAA 1997.

12 Governing law

12.1 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

12.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address set out in the section of this document headed 'Parties'.
