Real Brokerage / REMAX Merger

Last week, The Real Brokerage (“Real”) and REMAX announced a US\$880m merger where Real will acquire REMAX.

Real has circa 30,000 agents in the US and Canada, so this merger increases our overall opportunity with the to over 105,000 agents in North America.

In the meantime, we are still on-boarding REMAX corporate but will soon start targeting each of their agents and teams under their umbrella and upselling our services so that each of them and the brokerage are **renowned** in their market.

The Chairman of Ratemyagent said “The consolidation of the US real-estate agent industry is our friend. Consolidation makes differentiation between Brokerages, Agents and Teams that much more urgent as each compete to be **renowned** in each market.”

Authorised for release by the Chairman of the Board of RMA Global Limited.
