

ASX Announcement

5 May 2026

Strong 3Q FY26 reflects resilient retailer confidence, a higher quality retail asset portfolio and favourable industry fundamentals

Vicinity Centres ('Vicinity', ASX:VCX) today released its quarterly update for the three months ended 31 March 2026 ('3Q FY26').

3Q FY26 financial and strategic highlights:

- Guidance reaffirmed; FY26 FFO and Adjusted FFO ('AFFO') per security expected to be around the top end of the guidance ranges of 15.0 to 15.2 cents and 12.8 to 13.0 cents, respectively
- Disciplined and active approach to capital management highlighted by \$654m raised via \$500m, 10-year AMTN at a 123bps margin above the relevant swap rate and ~\$154m, 10.3-year HKD private placement at comparable margin. The new debt issuances extended weighted average drawn debt maturity profile to 4.6 years, from 3.5 years at 1H FY26. Near-term exposure to interest rate volatility largely mitigated with 89% of total drawn debt hedged in FY26 and 85% in FY27
- Retailer confidence remained resilient: occupancy at 99.6%, leasing spreads at +5.1% and holdovers low at 3.1%¹
- Total portfolio retail sales up +3.4% in 3Q FY26, supported by mini major growth of +3.7%. Specialty sales productivity increased to ~\$13,500psm
- While retailer debt² remains low and Occupancy Cost Ratio is sustainable at 14.3%, Vicinity is mindful of rising costs for retailers and heightened macroeconomic and geopolitical uncertainty
- Opening of Chatswood Chase's new luxury precinct successfully commenced on 30 April, with strong visitation and positive retailer feedback on first week of trade. Reimagined Chatswood Chase to be c.95%³ open and trading by 30 June 2026
- Galleria redevelopment progressing well and is on track for pre-Christmas opening; >75% leased
- Continued execution of our investment strategy; divestment of Whitsunday Plaza, Armidale Central and Gympie Central settled on 27 February 2026
- Vicinity continues to expect its full year distribution payout to be within the target range of 95-100% of AFFO
