

## GRANT OF WAIVER OF ASX LISTING RULE 6.23.2

14 MAY 2026

**Matrix Composites & Engineering Ltd** (ASX: MCE, "Matrix") refers to its announcement on 20 April 2026 regarding the scheme implementation deed (**SID**) entered into with Advanced Innergy Holdings Limited (ASX: AIH) (**AIH**) under which it is proposed that Advanced Innergy Solutions Australia Pty Ltd, a wholly owned subsidiary of AIH, will acquire 100% of the issued share capital of Matrix by way of a members' scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) (the **Scheme**).

Matrix is pleased to announce that ASX has granted a standard waiver of ASX Listing Rule 6.23.2 (**Waiver**) to allow Matrix to cancel 4,292,346 unlisted options on issue in Matrix (**Options**) for cash consideration without Matrix shareholder approval.

The nature and effect of the Waiver is to allow (subject to the Scheme becoming effective) the cancellation of the Options for the applicable cash consideration per Option set out below without Matrix shareholder approval being obtained.

| Option tranche | Exercise price of the Options in the relevant tranche (A\$) | Expiry Date      | Number of Options in the relevant tranche | Option Cancellation Consideration per Option in the relevant tranche (A\$) |
|----------------|---|------------------|---|--|
| MCEAN          | 0.35  | 22 December 2028 | 2,172,835                                 | 0.10525  |
| MCEAE          | 0.35  | 10 April 2029    | 202,124                                   | 0.10525  |
| MCEAF          | 0.434   | 14 October 2030  | 526,316                                   | 0.12910  |
| MCEAG          | 0.434   | 18 December 2030 | 1,391,071                                 | 0.12910  |

Under the SID, Matrix must ensure that, as at the implementation date for the Scheme, there are no Options on issue. Further to this, Matrix must use its reasonable endeavours and take reasonable actions as are necessary to ensure that, before 8:00am on the date of the second Court hearing for the Scheme, Matrix has entered into a cancellation deed with each Option holder (**Option Cancellation Deeds**) providing for the cancellation of the Options, subject to the Waiver and the Scheme becoming effective.

Accordingly, the reasons for seeking the Waiver were to allow Matrix to cancel the Options in accordance with the Option Cancellation Deeds, without having to seek Matrix shareholder approval which would otherwise be required, and to fulfil its obligations under the SID as detailed above.
