Resolutions 1 and 2 | Approval and ratification of issue of shares and options on 30 January 2026 to sophisticated and professional investors, and to 62 Capital Pty Ltd in consideration of its role as lead manager to that placement

Background

On 13 January 2026, the Company announced that it had secured commitments to raise \$1.2 million from a group of sophisticated investors (**Investors**) in exchange for a placement of shares (**Subscription Shares**) and attaching quoted options (**Options**) on the basis of 1 attaching Option for every 2 Subscription Shares subscribed for (**January 2026 Placement**).

The Options were issued in the same class as existing quoted options with ticker code ASX:1ADO, the terms of which are set out in the Annexure to this Explanatory Memorandum.

62 Capital Pty Ltd (**62 Capital**) acted as lead manager to the Company in respect of the January 2026 Placement, in exchange for which it was entitled to a fee of 6% of the gross proceeds raised, which was settled in Subscription Shares and Options on the same terms as the placement (being 14,400,000 Subscription Shares and 7,200,000 Options), together with an additional 75,000,000 Options.

For further details on the placement, please refer to the ASX announcement titled 'Placement raises A\$1.2 million' released on 13 January 2026.

General

Resolutions 1 and 2 seek Shareholder approval under Listing Rule 7.4 to ratify the prior issues and allotments of Subscription Shares and Options effected on 30 January 2026 in order to refresh the Company's placement capacity under Listing Rules 7.1 and 7.1A.

Listing Rule 7.1 provides that a company must not, subject to certain exceptions, issue or agree to issue more equity securities in any rolling 12 month period other than the amount which is equal to 15% of its fully paid ordinary securities on issue at the start of that 12 month period. Listing Rule 7.1A provides a company with the capacity to issue equity securities equal to an additional 10% of its fully paid ordinary securities on issue at the start of that 12 month period if approved by Shareholders at a company's AGM, subject to certain limitations. The Company received shareholder approval for this additional placement capacity under Listing Rule 7.1A at its last AGM on 26 November 2025.

Listing Rule 7.4 provides that where an entity in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval under Listing Rule 7.1, thereby 'refreshing' the Company's placement capacity under Listing Rule 7.1.

If Resolution 1 is passed, 240,000,000 Subscription Shares and 120,000,000 Options that were issued to Investors will be excluded from calculating the Company's 15% placement capacity under Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A that has been utilised, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval in the coming 12 months.

If Resolution 1 is not passed, the 240,000,000 Subscription Shares and 120,000,000 Options that were issued to Investors on 30 January 2026 will be included in calculating the amount of the Company's 15% placement capacity under Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A that has been utilised, decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of their issue.

If Resolution 2 is passed, 14,400,000 Subscription Shares 82,200,000 Options issued to 62 Capital for acting as lead manager to the placement will be excluded in calculating the amount of the Company's 15% placement capacity under Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A that has been utilised, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval in the coming 12 months.

If Resolution 2 is not passed, the 14,400,000 Subscription Shares 82,200,000 Options issued to 62 Capital for acting as lead manager to the placement on 30 January 2026 will be included in calculating the amount of the Company's 15% placement capacity under Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A that has been utilised, decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of their issue.

In relation to Resolution 2, 14,400,000 Subscription Shares were issued to 62 Capital in lieu of paying its lead manager fee earned in connection with acting as lead manager for the January 2026 Placement in cash. 7,200,000 Options were equally issued to 62 Capital on the basis of 1 Option issued for every 2 Subscription Shares issued to 62 Capital on the same terms as the January 2026 Placement, with an additional 75,000,000 Options issued to 62 Capital in lieu of other fees.

Listing Rule 7.1 provides that a company must not, subject to certain exceptions, issue or agree to issue more equity securities in any rolling 12 month period other than the amount which is equal to 15% of its fully paid ordinary securities on issue at the start of that 12 month period.

Listing Rule 7.4 provides that where an entity in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval under Listing Rule 7.1, thereby 'refreshing' the Company's placement capacity under Listing Rule 7.1.

The Chair intends to vote all undirected proxies in favour of Resolution 3.

Resolutions 4 and 5 | Approval of proposed issue of shares and options to sophisticated and professional investors, and to 62 Capital Pty Ltd in consideration of its role as lead manager to a placement

On 4 May 2026, the Company announced that it had completed a placement to a group of sophisticated and professional investors (**Investors**) to raise up to \$2.5 million in exchange for the Company issuing up to 625,000,000 new Shares (**Subscription Shares**) at a price of \$0.004 per Share (**May 2026 Placement**). The Investors will also receive 1 free attaching quoted Option in the same class as the existing listed options with ticker ASX:1ADO (**Option**) exercisable at \$0.01 on or before 3 June 2028 for every 3 Subscription Shares subscribed for and issued, resulting in the Investors being entitled to receive up to 208,333,334 Options (subject to Shareholder approval).

As noted above, on or around 18 May 2026, the Company will issue 106,312,738 Subscription Shares (raising approximately \$425,251) to the Investors (the **Issue**) under the Company's available capacity under Listing Rule 7.1.

The remaining 518,687,262 Subscription Shares (**Remaining Subscription Shares**) and 208,333,334 Options are subject to Shareholder approval, which is the subject of these Resolutions 4 and 5.

62 Capital acted as lead manager to the Company in respect of the May 2026 Placement and will be entitled to a fee of 6% of the gross funds raised (i.e. up to \$150,000), which will be payable either in cash (if Resolution 5 is not passed) or, if Resolution 5 is passed, 62 Capital will take their lead manager fee through a further issue of up to 37,500,000 Subscription Shares and up to 12,500,000 Options in the Company (being at the same issue price and terms as the Subscription Shares and Options under the May 2026 Placement) (**Lead Manager Securities**). The Company will also issue to 62 Capital a further up to 156,250,000 Options (**Additional Lead Manager Options**) on the same terms as the Options offered under the May 2026 Placement in consideration of brokerage fees.

For further details on the May 2026 Placement, please refer to the ASX announcement titled "A\$2.5m Placement" dated 4 May 2026.

General

Resolution 4 seeks Shareholder approval under Listing Rule 7.1 for the proposed issue of the Remaining Subscription Shares and Options to the Investors which are due to be issued as part of the placement so that the remaining issues can be done within the Company's Placement Capacity under Listing Rule 7.1 and to preserve that placement capacity for the next 12 months.

If Resolution 4 is passed, the Remaining Subscription Shares and Options to be issued to the Investors will be excluded in calculating the Company's placement capacity in Listing Rules 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date of the Subscription Shares to the Investors.

If Resolution 4 is not passed, the Issue may not be able to proceed unless the Company otherwise refreshes its placement capacity under Listing Rules 7.1 and 7.1A by Resolutions 1-3 being passed, accordingly this may prevent the Company having access to the funds the subject of the May 2026 Placement.

Resolution 5 seeks Shareholder approval under Listing Rule 7.1 for the proposed issue of the Lead Manager Securities to 62 Capital in lieu of paying it in cash for its lead manager fee earned in connection with acting as lead manager for the placement and the Additional Lead Manager Options so that these issues of Equity Securities can be done within the Company's placement

capacity under Listing Rule 7.1 to preserve that placement capacity for the next 12 months.

If Resolution 5 is passed, the Lead Manager Securities and Further Lead Manager Options to be issued to 62 Capital will be excluded in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively increasing the number of Equity Security the Company can issue without Shareholder approval over the 12-month period following the issue date of the Lead Manager Securities and the Further Lead Manager Options.

If Resolution 5 is not passed, the proposed issue of the Lead Manager Securities to 62 Capital will not be possible and the Company will pay the up to \$150,000 lead manager fee to 62 Capital in cash.

Listing Rules 7.1 and 7.1A

Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of Equity Securities does not fall within any of the exceptions set out in Listing Rule 7.2 and the Company is therefore seeking the approval of Shareholders under Listing Rule 7.1.

Under Listing Rule 7.1A however, an 'Eligible Entity' can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase the 15% Placement Capacity under Listing Rule 7.1 by an extra 10% to 25% in total. The Company obtained this approval at its annual general meeting held on 26 November 2025 (and will seek to refresh this capacity at its next annual general meeting).

The proposed issue of securities the subject of Resolutions 4 and 5 does not fit within any of the exceptions set out in Listing Rule 7.2, and the Company has already used all its placement capacity under Listing Rules 7.1 and 7.1A prior to the date of the EGM. Accordingly the proposed issue will only be able to be made if approved by shareholders, or if shareholders otherwise approve Resolutions 1-3 to allow the Company to refresh its placement capacity under Listing Rules 7.1 and 7.1A.

If Resolutions 1-3 are passed, and Resolutions 4 and 5 are not, then the proposed issue will use a significant proportion of the Company's placement capacity, which will reduce the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rules 7.1 and 7.1A for the 12-month period. Similarly, the issue of the Lead Manager Securities does not fit within any of the exceptions set out in Listing Rule 7.2 and, unless Resolution 5 is approved by Shareholders, the Company will need to pay 62 Capital's lead manager fee of up to \$150,000 in cash.

Listing Rule 7.3 requires that the Meeting documents concerning a proposed resolution to approve an issue of securities in accordance with Listing Rule 7.1 must include the following information:

(e) The price or consideration the entity will receive for the securities

Subject to approval of Resolution 4, the 518,687,262 unissued Remaining Subscription Shares will also be issued at \$0.004 per Share to raise a further approximately up to \$2,074,749 (i.e. on the same terms as the Issue where 106,312,738 Subscription Shares will be issued on or about 18 May 2026, which will raise approximately up to \$425,251) and the 208,333,334 Options will be issued for nil consideration, subject to approval of Resolution 4.

Subject to approval of Resolution 5, the Lead Manager Securities will be issued for nil consideration, being in lieu of the Lead Manager fee of up to 6% or \$150,000 being otherwise payable in cash to 62 Capital, and the Further Lead Manager Options will be issued in lieu of other fees.

(e) The purpose of the issue, including the intended use of any funds raised by the issue
