Smartgroup announces on-market share buy-back of up to A\$20 million

Smartgroup Corporation Ltd (ASX: SIQ) (“Smartgroup” or “the Group”), a leading employee services and fleet solutions provider, today announces that its Board has approved the commencement of an on-market share buy-back of its fully paid ordinary shares (Buy-Back) of up to A\$20 million.

Following the establishment of our fleet-funding partnership with Volkswagen Financial Services Australia in 2025, the Group has reached agreement to sell the majority of its self-funded fleet portfolio, releasing capital from assets in a manner aligned with the Group’s capital-light fleet strategy. This expands the strength of our fleet funding panel to further enhance funding support for our clients.

The Board has determined that returning this excess capital to shareholders via an on-market share buy-back is an efficient use of capital and is consistent with Smartgroup’s disciplined capital management framework.

The Buy-Back will be conducted in accordance with the Corporations Act and ASX Listing Rules. It may commence no earlier than 14 days from the date of this announcement and will be conducted in the ordinary course of trading over a period of up to 12 months.

Further details of the Buy-Back are set out in the table annexed to this announcement and in the Appendix 3C lodged with ASX today.

This announcement was authorised by the Board of Smartgroup for release to the ASX.
