

ASX ANNOUNCEMENT

COMMITMENTS RECEIVED FOR \$350 MILLION PLACEMENT

25 May 2026

Arafura Rare Earths Limited (ASX: ARU) (Arafura or the Company) is pleased to provide an update on the status of the capital raising announced to the ASX on Friday, 22 May 2026.

HIGHLIGHTS

- Commitments received under institutional placement to raise A\$350 million
- Placement bookbuild received strong demand from high quality investors, reinforcing confidence in the Company's path to construction for Nolans

The Company has received commitments to raise ~A\$350 million (before costs) via a two-tranche institutional placement of approximately 1,346.2 million new fully paid ordinary shares (**New Shares**) at an offer price of A\$0.26 per New Share (**Placement**).

Tranche One of the Placement will raise ~A\$175.5 million (before costs) and Tranche Two of the Placement, which is subject to shareholder approval, is expected to raise ~A\$174.5 million (before costs).

The Placement was well supported by new and existing high-quality institutional investors, including Arafura's largest shareholder, Hancock Prospecting Pty Ltd (**Hancock**), which has committed to subscribe for ~A\$85 million (~326.9 million New Shares) in the Placement. Following completion of the Placement, Hancock will hold an interest in the Company of ~17.5%¹.

Upon settlement of the Placement and cornerstone investor commitments (including EFA, GRMF and NRFC)², Arafura will have a pro forma cash balance (31 March 2026) of ~A\$1,341m³.

Arafura will resume trading on the ASX from market open today, Monday, 25 May 2026, with settlement under tranche one of the Placement expected to occur on Thursday, 28 May 2026. Settlement of Tranche Two of the Placement is expected to occur on Wednesday, 8 July 2026, subject to shareholder approval being obtained. The Company will shortly despatch a notice of meeting to convene an extraordinary general meeting of shareholders expected to be held on Thursday, 2 July 2026 (**EGM**).

In addition to the Placement, and as announced on Friday, 22 May 2026, the Company is also undertaking a share purchase plan (**SPP**) targeting to raise approximately A\$25 million at the same offer price as the Placement (A\$0.26 per New Share).

Further details regarding the SPP will be contained in a prospectus that will be prepared and lodged with ASIC (and released to ASX) in due course (**Prospectus**). The offer and issue of New Shares under the SPP will be subject to shareholder approval for the purposes of ASX Listing Rule 7.1, and that approval will be sought at the EGM. The Company has sought a waiver of ASX Listing Rule 7.3.9 for this purpose.

¹ Post completion of Tranche Two of the Placement and before any shares are issued under the SPP or to any of the cornerstone investors.

² Refer to ASX announcements dated 1 April 2026 (cornerstone equity agreements) and 12 May 2026 (NRFC convertible note documentation).

³ Before costs and excluding any proceeds raised under the SPP.

COMMITMENTS RECEIVED FOR \$350 MILLION PLACEMENT

Commenting on the successful placement, Arafura's Chief Executive Officer and Managing Director, Darryl Cuzzubbo, said:

"The strong support received for this capital raising is a clear endorsement of the Nolans Rare Earths Project and Arafura's role in building a diversified, Western rare earths supply chain. With this successful result and the Board's recent Final Investment Decision, we look forward to commencing construction of this nationally significant project, which we are targeting in around September 2026."

Hancock Executive Chairman Mrs Gina Rinehart, AO, added:

"Hancock Prospecting is pleased to support development in the Northern Territory, and support Arafura with additional investment to enable the start of construction of the Nolan's Bore rare earths project, which will play a vital strategic role in the global critical minerals supply chain."
