UPDATE - Acrux licenses Lenzetto® for the Australian market for AUD 5.4 million

Melbourne, Australia – 28 May 2026: Further to our release of 28 May 2026 where we announced the licensing of Lenzetto® for the Australian market for milestones up to AUD 5.4 million, the following additional details are provided.

The first payment Acrux will receive will be an upfront signing milestone which becomes due 14 days following execution of the amendment.

The second regulatory milestone becomes receivable when the marketing authorisation from the Therapeutic Goods Authority (TGA) in the Australian territory is achieved. Gedeon Richter Plc will be responsible for registration of Lenzetto® in Australia.

The third and final commercial milestone is receivable at the earlier date following either of the following triggers:

1. achievement of a cumulative sales target
2. the second anniversary following product launch.
