Dear Matt,

REQUEST FOR VOLUNTARY SUSPENSION

Kingston Resources Limited (**'Kingston'**) (ASX: **KSN**) requests that its securities be placed in voluntary suspension effective immediately.

The suspension is requested pending the release of an announcement in connection with the impact of a new pit wall failure affecting the Pearse South ramp, as announced to the Market on 1 June 2026.

Kingston is evaluating the situation; however, it is not yet possible to determine the extent of the likely impact on the Pearse South operations.

Kingston requests that the suspension remains in place until the earlier of Kingston making a more detailed update to the market, or the commencement of trading on Friday, 5 June 2026.

Kingston confirms that it is not aware of any reason why the voluntary suspension should not be granted.

Yours sincerely

Kingston Resources Limited
