Dear Sir/Madam

Request for trading halt – Hejaz High Income Active ETF (HJHI)

Equity Trustees Limited (EQTL) as responsible entity (RE) and product issuer of Hejaz High Income Active ETF (HJHI) requests that HJHI be placed in a temporary trading halt due to the recent removal of three independent external members of Hejaz Asset Management's Investment Committee which has materially impacted the governance framework supporting all schemes. In the absence of a fully constituted and appropriately independent Investment Committee, the RE considers that investment oversight is not currently operating at an acceptable level. As a result, the RE has suspended all trading activity in the fund until a suitably qualified Investment Committee is reconstituted and governance standards are restored to an acceptable level.

The duration of the trading halt is 2 days unless EQTL determines a voluntary suspension is required.

The trading halt should remain in place until a suitably qualified Investment Committee is reconstituted and governance standards are restored to an acceptable level.

EQTL is not aware of any reason why the pause should not be granted.

Yours sincerely

Andrew Godfrey
Director

Equity Trustees Limited (ACN 004 031 298, AFSL 240975) as responsible entity and product issuer of Hejaz High Income Active ETF
