Managing Director / CEO Mr George Bauk and Non-Executive Chair Mr David Coyne both subscribed for their full entitlements under the Entitlement Offer. Non-Executive Directors Mr Keith Bowes and Ms Tejal Magan have agreed to subscribe for A\$25,000 and A\$20,000 respectively on the same terms as the Placement, with their participation subject to shareholder approval at the EGM to be held on 2 July 2026 (**EGM**).

Peninsula Energy's Managing Director and CEO George Bauk said: *"We are pleased to have successfully concluded the A\$36.1 million Equity Raising and would like to thank our existing shareholders for their continued support, together with the new institutional investors who have joined our register.*

"The strong level of participation across the Placement and Entitlement Offer, combined with the US\$30 million Soul Patts debt facility, significantly strengthens Peninsula's financial position and provides increased flexibility as we continue to advance the operational ramp-up of the Lance Uranium Project.

"Importantly, the support received from both existing investors, and also from Soul Patts as a new cornerstone investor, represents a strong endorsement of our strategy and the long-term value of the Lance Uranium Project."

Convertible Note Debt Facility

As announced on 14 May 2026, the Company has secured a binding commitment for a US\$30 million senior secured convertible note debt facility with SP Financing 1 Pty Limited (ACN 678 590 013) ("**Investor**"), an affiliate of Soul Patts ("**Soul Patts Debt Facility**").

The Soul Patts Debt Facility contains conversion rights which, if exercised, allow Soul Patts to convert the debt into fully paid ordinary shares in Peninsula ("**Shares**"). The Soul Patts Debt Facility takes the form of a debt facility until such point in time that shareholders have approved the conversion rights, in which case the Company shall issue a new convertible equity security representing the Soul Patts Debt Facility ("**Convertible Note**").

Peninsula is seeking approval from shareholders pursuant to ASX Listing Rule 7.1 at the EGM for the issue of the Convertible Note and the issue of Shares on conversion of the Convertible Note. Any shareholder approval received for the issue of Shares on conversion of the Convertible Note will remain valid only for 3 months following the EGM and subsequent approval/s may be sought by the Company to the extent the conversion rights under the Convertible Note are exercised by the Investor after such date. If the shareholder approval is not valid at the time of exercise of the conversion rights, the exercise will be satisfied by way of cash-settlement based on the higher of the Company's 30-day and 60-day VWAP in lieu of delivering Shares, subject to a minimum floor of 100% of the Principal Amount subject to conversion.

Drawdown of the Soul Patts Debt Facility remains subject to customary conditions precedent which include the Company and Soul Patts having executed a definitive investor facility agreement giving effect to the terms in the binding term sheet. This agreement is expected to be executed shortly.

Material terms of the Soul Patts Debt Facility and Convertible Note are detailed in section 7.2 of the Company's Prospectus lodged with ASX on 14 May 2026.

This release has been approved by Peninsula's Board of Directors.
