Cleansing notice under section 708A(12H)(e) of the Corporations Act 2001 (Cth) (“Act”) as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2026/88 (“Instrument”)

1. Westpac will issue the Tier 2 Subordinated Instruments on 10 June 2026. Offers of the Tier 2 Subordinated Instruments do not require disclosure to investors under Part 6D.2 of the Act.
2. The terms and conditions of the Tier 2 Subordinated Instruments (“**Conditions**”) are set out on pages 64 to 197 of the Information Memorandum relating to Westpac’s U.S. \$70,000,000,000 Programme for the Issuance of Debt Instruments dated 7 November 2025 (“**Information Memorandum**”), as supplemented by the Pricing Supplement in respect of the Tier 2 Subordinated Instruments dated 8 June 2026, the form of which is attached to this notice as Annexure A (“**Pricing Supplement**”). The Information Memorandum was released to the Australian Securities Exchange (“**ASX**”) on 10 November 2025 and may be viewed at <https://www.asx.com.au>.
3. The Tier 2 Subordinated Instruments are expected to be treated as Tier 2 regulatory capital under the Basel III capital adequacy framework as implemented in Australia by the Australian Prudential Regulation Authority (“**APRA**”).
4. If APRA determines that Westpac is or would become non-viable, the Tier 2 Subordinated Instruments may be:
 - (a) Converted into fully paid ordinary shares in the capital of Westpac; or
 - (b) immediately and irrevocably Written-off (and rights attaching to the Tier 2 Subordinated Instruments terminated) if for any reason Conversion does not occur within five ASX Business Days of APRA notifying Westpac of the determination,

in accordance with the Conditions.

- For personal use only
5. In order to enable ordinary shares in the capital of Westpac issued on Conversion to be sold without disclosure under Chapter 6D of the Act, Westpac has elected to give this notice under section 708A(12H)(e) of the Act as inserted by the Instrument. This document has been authorised for release by Tim Hartin, Company Secretary.

NOT FOR DISTRIBUTION OR RELEASE IN THE UNITED STATES

This market announcement does not constitute an offer to sell or the solicitation of an offer to buy any securities in the United States or any other jurisdiction. The securities offered have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from registration.

SCHEDULE

A. Effect on Westpac of the offer of the Tier 2 Subordinated Instruments

The issuance of the Tier 2 Subordinated Instruments is expected to raise Tier 2 regulatory capital to satisfy Westpac's regulatory requirements and maintain the diversity of Westpac's sources and types of capital funding.

The proceeds from the issue of the Tier 2 Subordinated Instruments will be used for general corporate purposes. Those proceeds, less the costs of the issue, will be classified as loan capital in the financial statements of Westpac. The issue of the Tier 2 Subordinated Instruments will not have a material impact on Westpac's financial position.

The proceeds of the issue, less the costs of the issue, are expected to increase Westpac's total capital ratio on a Level 2 basis by less than 0.03%.

B. Rights and liabilities attaching to the Tier 2 Subordinated Instruments

The rights and liabilities attaching to the Tier 2 Subordinated Instruments are set out in the Conditions as supplemented by the Pricing Supplement.

C. Effect on Westpac of the issue of the ordinary shares if the Tier 2 Subordinated Instruments are required to be Converted¹

A key feature of APRA's requirements for Tier 2 regulatory capital instruments is that they absorb losses at the point of non-viability of the issuer. The Conditions include provisions that require the Tier 2 Subordinated Instruments to be Converted into ordinary shares in the capital of Westpac or Written-off on the occurrence of a Non-Viability Trigger Event. A Non-Viability Trigger Event will occur when APRA notifies Westpac in writing that it believes that relevant non-viability circumstances (as described in the definition of "Non-Viability Trigger Event" in the Conditions) subsist, which could occur at any time.

If a Non-Viability Trigger Event occurs and Westpac Converts the Tier 2 Subordinated Instruments and issues ordinary shares to Holders (as required under the Conditions), the effect of Conversion on Westpac would be to reduce loan capital by the principal amount, less any unamortised costs of the issue, of the Tier 2 Subordinated Instruments being Converted and increase Westpac's shareholders' equity by a corresponding amount. APRA has not provided extensive guidance as to how it would determine non-viability. Non-viability could be expected to include serious impairment of Westpac's financial position and concerns about its capital, funding or liquidity levels and/or insolvency. APRA has indicated that non-viability is likely to arise prior to

¹ If, in accordance with the Conditions, Westpac is replaced by an Approved Successor as debtor of the Tier 2 Subordinated Instruments and the issuer of ordinary shares, Tier 2 Subordinated Instruments may be Converted into fully paid ordinary shares in the capital of an Approved Successor in accordance with the Conditions. This notice also enables ordinary shares in the capital of an Approved Successor which is a NOHC for the purposes of the *Banking Act 1959 (Cth)* and the ultimate holding company of Westpac issued on Conversion to be sold without disclosure under Chapter 6D of the Act. Refer to the Conditions and the Instrument for further information.

insolvency.

The number of ordinary shares issued on Conversion is variable, but is limited to the Maximum Conversion Number. Limiting the number of ordinary shares which may be issued to the Maximum Conversion Number means that it is likely that Holders will receive a number of ordinary shares that have a market value that is significantly less than the Outstanding Principal Amount of the Tier 2 Subordinated Instruments. The Australian Dollar may depreciate in value against the Japanese Yen by the time of Conversion. In that case, the Maximum Conversion Number is more likely to apply.

The Maximum Conversion Number is calculated based on a VWAP set to reflect 20% of the Issue Date VWAP. The Maximum Conversion Number may be adjusted to reflect a consolidation, division or reclassification or pro rata bonus issue, of ordinary shares. However, no adjustment will be made to it on account of other transactions which may affect the price of ordinary shares, including for example, rights issues, returns of capital, buy-backs or special dividends.

The Maximum Conversion Number is 123,521.7961 Westpac ordinary shares per Tier 2 Subordinated Instrument (with denominations of JPY 100,000,000), based on the Issue Date VWAP of A\$35.90. If Conversion of any Tier 2 Subordinated Instruments does not occur for any reason within five ASX Business Days after the occurrence of the Non-Viability Trigger Event, the Tier 2 Subordinated Instruments will be Written-off, and all corresponding rights and claims of Holders under the Conditions (including with respect to payments of interest, the repayment of the Outstanding Principal Amount and upon Conversion, the receipt of ordinary shares) will be immediately and irrevocably written-off and terminated, with effect on and from the Non-Viability Trigger Event Date in accordance with the Conditions, and investors will lose all or some of their investment and will not receive any compensation.

D. Rights and liabilities attaching to the ordinary shares in the capital of Westpac

Westpac was registered on 23 August 2002 as a public company limited by shares under the Act. Westpac's constitution was most recently amended at the general meeting held on 15 December 2021 ("**Constitution**", as amended from time to time). The ordinary shares in the capital of Westpac are admitted to trading on ASX. The rights attaching to the ordinary shares in the capital of Westpac are set out in the Act and the Constitution.

E. Additional information

Information about the Tier 2 Subordinated Instruments is contained in the Information Memorandum and the Pricing Supplement.

13,000,000,000 2.708% Fixed to Fixed Rate Reset Callable Subordinated
Instruments due 10 June 2036**

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Subordinated Instruments are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a “retail investor” means a person who is one (or both) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**EU PRIIPs Regulation**”) for offering or selling the Subordinated Instruments or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Subordinated Instruments or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Subordinated Instruments are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom (the “**UK**”). For these purposes, a “retail investor” means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the UK; or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“**DISC**”) for offering, selling or distributing the Subordinated Instruments or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Subordinated Instruments or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Subordinated Instruments has led to the conclusion that: (i) the target market for the Subordinated Instruments is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Subordinated Instruments to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Subordinated Instruments (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Subordinated Instruments (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

NOTIFICATION UNDER SECTION 309B(1) OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE, AS MODIFIED OR AMENDED FROM TIME TO TIME (THE “SFA”) – The Subordinated Instruments are prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).
