LARVOTTO RESOURCES TO ACQUIRE HAMMER METALS

Unanimously recommended \$55 million transaction delivers \$0.060 per Hammer share

HIGHLIGHTS

- Hammer has entered into a binding Scheme Implementation Deed (**SID**) with Larvotto pursuant to which Larvotto will acquire 100% of the issued securities in Hammer via a Scheme of Arrangement ("**Scheme**").
- Concurrently, Hammer's Western Australian gold assets currently held in Carnegie Exploration Pty Ltd which include the prospective and underexplored Bronzewing South, Orelia North and Mt Sefton Gold Projects, together with other associated assets, (together "**Yandal Assets**") will be demerged via a capital reduction and in-specie share distribution to Hammer shareholders ("**Demerger**").
- In conjunction with the Scheme, Larvotto has entered into a binding subscription agreement with Glencore to raise approximately \$15 million (before costs) through the issue of new fully paid ordinary shares in Larvotto at \$1.53 per share representing a 15% premium to Larvotto's closing share price of \$1.33 on 5th June 2026 ("**Larvotto Equity Raising**"). Completion of the Larvotto Equity Raising is conditional upon completion of the Scheme, however the Scheme is not conditional upon completion of the Larvotto Equity Raising. Proceeds are expected to be applied towards advancing the enlarged Mt Isa copper and critical minerals portfolio in Northwest Queensland.
- The Scheme together with the Demerger represents approximately \$0.067 per Hammer share or approximately \$61.2 million¹ and a premium of 63.6% premium to Hammer's 10-day VWAP up to and including 3rd June 2026 and a 75.9% premium to Hammer's 30-day VWAP up to and including 3rd June 2026.
- Hammer shareholders will receive consideration with a total value of \$0.067 per Hammer share, comprising:
 - 0.0455 Larvotto shares for each Hammer share held, valued at \$0.060 per Hammer share²; and
 - indicatively one Carnegie share for every 29.795 Hammer shares held at the Demerger record date, implying a total \$0.007 of additional value per Hammer share³.
- Hammer shareholders, in aggregate, will own:
 - Approximately 7.3% of Larvotto⁴, a near-term producer of gold, antimony and critical minerals with an enlarged Mt Isa copper and critical minerals business; and
 - 100% of Carnegie Exploration Pty Ltd or such other entity incorporated for the purposes of undertaking the Demerger (**SpinCo**).
- The Scheme creates an enlarged critical minerals and gold focused business across its Hillgrove Project in NSW and in the Mt Isa Province. The enlarged Larvotto offers Hammer shareholders an attractive mix of near-term production, large scale and highly prospective exploration assets backed by enhanced financial resources and liquidity.

¹ Based on Hammer's fully diluted share capital of approximately 911.8 million shares, including the expected treatment of outstanding options and performance rights under the SID

² Based on Larvotto's closing share price on 5th June 2026 of \$1.33 per share

³ Based on agreed value attributed to SpinCo of \$6.1 million, including the proposed \$700,000 cash contribution (subject to deductions as contemplated in the SID) plus \$5.4 million for the SpinCo assets, divided by Hammer's relevant diluted share capital. The implied value of SpinCo shares is indicative only and SpinCo shares will not be listed on ASX at implementation of the Demerger.

⁴ Post completion of the Larvotto Equity Raising and based on Hammer's fully-diluted share capital, including the expected treatment of outstanding options and performance rights under the SID. Final pro forma ownership at completion may vary.

For personal use only

- For personal use only
- In connection with entry into the Scheme Implementation Deed, Larvotto and Hammer have entered into a binding loan agreement for an unsecured loan facility of up to \$4.0 million to support Hammer through to Scheme implementation.
 - Hammer's Board unanimously recommends Hammer shareholders vote in favour of the Scheme in the absence of a superior proposal and subject to the independent expert (to be appointed by Hammer) concluding, and continuing to conclude, that the Scheme is in the best interests of Hammer shareholders.
 - Hammer Board members and key shareholders representing a total of 23% of Hammer shares⁵ have provided voting intention statements confirming their intention to vote in favour of the Scheme, in the absence of a superior proposal and subject to the independent expert (to be appointed by Hammer) concluding, and continuing to conclude, that the Scheme is in the best interests of Hammer shareholders.

Hammer's Chairman, Russell Davis, commented:

"Following careful consideration and engagement, the Hammer Board believes that the Scheme and Demerger provides a compelling outcome for Hammer shareholders.

The Scheme delivers an attractive premium, exposure to Larvotto's exciting critical minerals portfolio and its near-term production profile whilst also allowing shareholders to retain exposure to the upside in Hammer's Mt Isa copper and critical minerals portfolio. Larvotto shares will deliver Hammer shareholders ownership of a larger and well-capitalised business with increased scale, capital markets relevance and liquidity.

The Board believes Larvotto is well placed to advance Hammer's Mt Isa Projects, with the technical capability, market profile and funding access required to progress the expanded Mt Isa portfolio towards development.

Importantly, the concurrent demerger of the Yandal Assets preserves the value and the exploration upside of these assets solely for Hammer shareholders.

Finally, the transaction removes the requirement for a near term Hammer equity raising."

TRANSACTION SUMMARY

Hammer Metals Limited (ASX: HMX) ("**Hammer**") is pleased to announce that it has entered into a binding Scheme Implementation Deed ("**SID**") with Larvotto Resources Limited (ASX: LRV) ("**Larvotto**"), pursuant to which Larvotto has agreed to acquire 100% of the issued capital of Hammer by way of a Scheme of Arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) ("**Scheme**").

Concurrently, Hammer's Western Australian gold assets held in Carnegie Exploration Pty Ltd ("**Carnegie**") which include the prospective and underexplored Bronzewing South, Orelia North and Mt Sefton Gold Projects, together with other associated assets, (together "**Yandal Assets**") will be demerged via a capital reduction and in-specie share distribution to Hammer shareholders ("**Demerger**").

The Scheme and Demerger are inter-conditional (together, the "**Transaction**"). Carnegie or such other entity incorporated for the purposes of undertaking the Demerger (**SpinCo**) will be an unlisted public company at Demerger implementation with any future ASX listing or other strategic alternatives to be assessed at that time having regard to market conditions, funding requirements and shareholder value considerations.

⁵ Based on Hammer shares currently held or controlled by Hammer Board members and key shareholders as at the date of this announcement and excluding any Hammer options or performance rights unless otherwise stated.

Under the Transaction, Hammer shareholders will receive a consideration with a total value of \$0.067 per Hammer share, comprising:

1. 0.0455 Larvotto shares for each Hammer share held, valued at \$0.060 per Hammer share⁶; and
2. indicatively one SpinCo share for every 29.795 Hammer shares held at the Demerger record date, implying a total \$0.007 of additional value per Hammer share⁷.

(together, the “**Total Consideration**”).

The Total Consideration values Hammer at \$0.067 per Hammer share (based on Larvotto’s closing share price on 5th June 2026), including the indicative additional value of \$0.007 per Hammer share received by Hammer shareholders from the SpinCo shares to be distributed to them. This valuation represents a:

- 49.2% premium to Hammer’s closing share price on 3rd June 2026 of \$0.045 per Hammer share;
- 63.6% premium to Hammer’s 10-day VWAP up to and including 3rd June 2026 of \$0.041 per Hammer share; and
- 75.9% premium to Hammer’s 30-day VWAP up to and including 3rd June 2026 of \$0.038 per Hammer share.

KEY BENEFITS OF THE TRANSACTION FOR HAMMER SHAREHOLDERS

- ✓ **Immediate value realisation at a compelling premium**
 - The Total Consideration delivers a total implied value of \$0.067 per Hammer share, representing a premium of 49.2% to Hammer’s last closing share price on 3rd June 2026 and a 75.9% premium to Hammer’s 30-day VWAP up to and including 3rd June 2026.
- ✓ **Exposure to a near-term Australian gold-antimony producer**
 - Hammer shareholders will gain exposure to Larvotto’s near-term production expected from its Hillgrove Project in NSW which is expected to deliver 92kozpa AuEq in years 1-5 (including 39.4koz Au and 5.7kt Sb) of its initial 8-year mine life⁸, with commissioning currently scheduled for August 2026⁹.
 - As Larvotto transitions from developer to producer, Hammer shareholders are positioned to benefit from a potential market re-rating of the enlarged Larvotto group.
- ✓ **Creation of an enlarged and strengthened Mt Isa Copper and Critical Minerals business**
 - Logical combination of Hammer’s advanced resource base across copper, gold, cobalt, molybdenum and rhenium ¹⁰ with Larvotto’s contiguous ~900km² copper-gold-cobalt exploration package to create a scaled copper, gold and critical minerals business in the Mt Isa region.
- ✓ **Stronger platform to advance the Mt Isa Projects**
 - The Transaction provides a stronger platform to advance Hammer’s Mt Isa Projects backed by Larvotto’s near-term Hillgrove production and cash flows together with its increased scale and broader capital markets profile.
- ✓ **Retained direct exposure to the Yandal Assets**
 - Hammer shareholders will retain direct exposure to the Yandal Assets through a dedicated gold vehicle controlled by Hammer-aligned directors and management, preserving the value and exploration upside of the Bronzewing, Orelia North and Mt Sefton assets for the sole benefit of Hammer shareholders.

⁶ Based on Larvotto’s closing share price on 5th June 2026 of \$1.33 per share.

⁷ Based on agreed value attributed to SpinCo of \$6.1 million, including the proposed \$700,000 cash contribution (subject to the deductions contemplated in the SID) plus \$5.4 million for the SpinCo assets, divided by Hammer’s relevant diluted share capital. The implied value of SpinCo shares is indicative only and SpinCo shares will not be listed on ASX at implementation of the Demerger.

✓ **Ownership in a larger, more liquid ASX listed critical minerals company**

- Hammer shareholders are expected to have an aggregate ownership of approximately 7.3% of the enlarged Larvotto¹¹ and benefit from its improved scale, trading liquidity and relevance to institutional investors seeking exposure to Australian gold, antimony, copper and other critical minerals.
- Proceeds from the Larvotto Equity Raise (as detailed below) are expected to be applied towards advancing the enlarged Mt Isa copper and critical minerals portfolio.

HAMMER BOARD AND SHAREHOLDER SUPPORT

¹¹ Post completion of the Larvotto Equity Raising and based on Hammer's fully-diluted share capital, including the expected treatment of outstanding options and performance rights under the SID. Final pro forma ownership at completion may vary.

For personal use only

The Hammer Board unanimously supports the Scheme and has unanimously recommended that Hammer shareholders vote in favour of the Scheme, in the absence of a Superior Proposal emerging and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Hammer shareholders.

Subject to those same qualifications, each member of the Hammer Board (representing 7% of Hammer's total issued shares¹²) intends to vote all Hammer shares held or controlled by them in favour of the Scheme.

Major Hammer shareholders, who collectively control 144.8 million shares in Hammer (representing approximately 16% of Hammer) also support the Scheme and have provided voting intention statements confirming that they intend to vote in favour of the Scheme, subject to no superior proposal emerging and subject to the independent expert (to be appointed by Hammer) concluding, and continuing to conclude, that the Scheme is in the best interests of Hammer shareholders.

(a) Scheme of Arrangement

The Scheme is subject to certain conditions set out in the SID, including:

- an independent expert concluding, and continuing to conclude, that the Scheme is in the best interests of Hammer shareholders;
- Hammer shareholder approval being obtained for the Scheme by the requisite majorities under the Corporations Act;
- Hammer shareholder approval being obtained for the capital reduction required to implement the Demerger in accordance with sections 256B and 256C of the Corporations Act and, if required, ASX Listing Rule 11.4.1(b);

The SID contains customary deal protection mechanisms including standard exclusivity provisions, such as no shop, no talk and no due diligence (subject to appropriate fiduciary outs), a notification obligation and a matching right for Larvotto in the event any superior proposal emerges for Hammer. The SID also details certain circumstances under which Hammer may be required to pay a break fee to Larvotto.

Hammer and Larvotto have agreed arrangements for the treatment of Hammer's outstanding options and performance rights. Under those arrangements, outstanding Hammer performance rights are either expected to vest or will be cancelled for consideration, and outstanding Hammer options are expected to either be exercised before the Scheme Record Date or, to the extent not exercised, cancelled for

(b) Hammer Demerger of Yandal Assets

Hammer and SpinCo are proposing to enter into a Demerger Implementation Deed ("**DID**"), under which Hammer will demerge SpinCo via a capital reduction and in-specie distribution of SpinCo shares to Hammer shareholders. Under the Demerger, Hammer shareholders will receive shares in SpinCo on a pro rata basis to their holdings in Hammer at the relevant record date.

Under the Demerger, Hammer shareholders are currently anticipated to receive one fully paid ordinary share in SpinCo for every 29.795 Hammer shares they hold. The capital reduction to effect the Demerger will be subject to Hammer shareholder approval.

The composition of SpinCo will include the following assets:

- the **Bronzewing South Gold Project**, comprising Hammer's 100% owned tenement package in the prospective Yandal greenstone belt, located immediately south of the historical Bronzewing gold deposit and covering a prospective gold corridor with multiple underexplored targets;
- the **Orelia North Gold Project**, located ~9.5km north of Northern Star's Orelia gold mining operations and approximately 12km NW of the Bronzewing mine, which hosts a maiden Inferred Mineral Resource Estimate of 1.48Mt @ 1.15g/t Au for 54.5koz Au¹³ and is subject to a Mining Lease Application to support future commercialisation pathways;
- the **Mt Sefton Gold Project**, an early-stage WA gold exploration project located in the underexplored Mt Sefton greenstone belt, ~75km SW of the Gruyere gold deposit, with historical auger sampling having identified gold and pathfinder anomalism; and
- SpinCo will also receive \$700,000 cash (subject to deductions as contemplated in the SID) as part of the Demerger.

Based on the indicative value attributed to SpinCo, the Demerger is expected to deliver additional implied value of \$0.007 per Hammer share.

SpinCo will be an unlisted public company at implementation of the Demerger, with any future listing or other strategic alternatives (mergers or acquisition opportunities) to be assessed by the SpinCo Board having regard to market conditions, funding requirements and shareholder value opportunities

More information in relation to the Demerger, the capital reduction, the in-specie distribution and SpinCo will be set out in the Notice of Extraordinary General Meeting for the proposed Demerger, currently expected to be released in August 2026.

In connection with entry into the SID, Larvotto and Hammer have entered into a binding loan agreement for an unsecured loan facility of up to \$4.0 million to support Hammer through the Scheme implementation period.

The facility will be available for drawdown in accordance with an agreed budget and cashflow plan and is intended to support Hammer with additional working capital to complete the Scheme.

The facility is unsecured and interest free while the SID remains on foot, provided no event of default has occurred. If the SID is terminated, the facility will become repayable in accordance with its terms, with interest applying from termination in certain circumstances.

Further details of the loan facility are set out in Appendix A to this announcement and will be included in the Scheme Booklet.

LARVOTTO CONDITIONAL PLACEMENT

- (c) If the Condition in clause 3.1(d) is not satisfied only because of a failure to obtain the majority required by sub-paragraph 411(4)(a)(ii)(A) of the Corporations Act (other than in the circumstances set out in clause 3.5(a)), then either party may (but is not obliged to) terminate this deed with immediate effect by notice in writing, and there is no obligation to consult pursuant to clause 3.4.

4.4 Scheme Booklet

- (a) If Hammer Metals and Larvotto are unable to agree (acting in good faith) on the form or content of a particular part of the Scheme Booklet, then:
- (i) if the relevant part of the Scheme Booklet is Larvotto Information, Hammer Metals will make such amendments to that part of the Scheme Booklet as required by Larvotto (acting reasonably and in good faith); and
 - (ii) if the relevant part of the Scheme Booklet is not Larvotto Information, Hammer Metals (acting reasonably and in good faith) will decide the form and content of that part of the Scheme Booklet.
- (b) Hammer Metals and Larvotto agree that the Scheme Booklet will contain a responsibility statement to the effect that:
- (i) Hammer Metals has prepared and is responsible for the content of the Scheme Booklet other than, to the maximum extent permitted by law, the Larvotto Information and the Independent Expert's Report, and none of Larvotto or its Related Bodies Corporate or their respective directors, officers or employees assumes any responsibility or liability for the accuracy or completeness of the Hammer Metals Information;
 - (ii) Larvotto has prepared and is responsible for the Larvotto Information contained in the Scheme Booklet (and no other part of the Scheme Booklet), and none of Hammer Metals or its Related Bodies Corporate or their respective directors, officers or employees assumes any responsibility or liability for the accuracy or completeness of the Larvotto Information (other than any information regarding the Hammer Metals Group contained in, or used in the preparation of, the Merged Group Information); and

4.5 Conduct of Court proceeding

- (a) Each party must procure that it is represented by counsel at the Court Hearings convened for the purposes of section 411(1) and paragraph 411(4)(b) of the Corporations Act.
- (b) This deed does not give Hammer Metals or Larvotto any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent.
- (c) If the Court's approval of the Scheme in accordance with section 411(4) of the Corporations Act would impose any terms or conditions other than those set out in the Scheme, then each such term or condition must be approved in writing by Larvotto and Hammer Metals (such approval not to be unreasonably withheld, delayed or conditioned) prior to the Court granting the final orders and if not so agreed, the Condition in clause 3.1(b) will not be satisfied.

4.6 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, Hammer Metals must consult with Larvotto in good faith as to whether to appeal the Court's decision and Hammer Metals and Larvotto must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) following consultation, the parties agree otherwise; or
- (b) an independent senior counsel (agreed by the parties) advises that, in their opinion, an appeal would have no reasonable prospect of success before the End Date,

in which case either party may terminate this deed in accordance with clause 12.3.

5 Scheme Consideration

5.1 Scheme Consideration

- (a) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder, subject to and in accordance with the terms of the Transaction Documents.
- (b) Subject to clauses 5.2, 5.4 and 5.5, Larvotto undertakes and warrants in favour of Hammer Metals (in its own right and on behalf of each Scheme Shareholder) that Larvotto will provide, or procure the provision of, the Scheme Consideration to each Scheme Shareholder for each Scheme Share in accordance with the terms of the Transaction Documents.
- (c) Larvotto undertakes and warrants in favour of Hammer Metals (in its own right and on behalf of each Scheme Shareholder) that:
 - (i) on issue, the New Larvotto Shares issued under the Scheme as Scheme Consideration will:
 - (A) be duly issued;
 - (B) rank equally in all respects with all existing Larvotto Shares;
 - (C) confer an entitlement to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of Larvotto Shares; and
 - (D) be fully paid and free from any mortgage, charge, lien, encumbrance or other Security Interest, encumbrance or third party rights;
 - (ii) it will apply to ASX for the official quotation by ASX of the New Larvotto Shares that comprise the Scheme Consideration on the Official List of ASX; and
 - (iii) it will use its best endeavours to ensure that the New Larvotto Shares will be listed for quotation on the Official List of ASX with effect from the Business Day after the Effective Date (or such later date as ASX may require), initially on a deferred settlement basis and, with effect from the first Business Day after the Implementation Date, on an ordinary (T+2) settlement basis.
- (d) Hammer Metals acknowledges that the undertakings and warranties by Larvotto in clause 5.1(c) are given to Hammer Metals in its own right and in its capacity as trustee and nominee for each Scheme Shareholder.

5.2 Ineligible Holders

Larvotto will be under no obligation under the Transaction Documents to issue, and will not issue, or procure to be issued, any New Larvotto Shares in the name of any Ineligible Holder and, instead, unless Larvotto and Hammer Metals otherwise agree in writing, Larvotto will issue, or procure the issue of, the New Larvotto Shares to which each Ineligible Holder would have otherwise been entitled to receive as Scheme Consideration to the Sale Agent in accordance with the Scheme.

5.3 Sale Agent and Sale Facility

- (a) Larvotto must:
 - (i) no later than five Business Days prior to the Scheme Meeting, appoint the Sale Agent; and

- (ii) on the Implementation Date, issue to the Sale Agent:
 - (A) the New Larvotto Shares to which Ineligible Holders would otherwise be entitled under the Scheme and the Deed Poll, except to the extent any of the New Larvotto Shares are deducted or withheld under clause 5.3(a)(ii)(B); and
 - (B) the New Larvotto Shares (if any) which Larvotto determines (in its reasonable opinion) should be deducted or withheld from the Scheme Consideration by Larvotto in respect of FRCGW Holders in accordance with clause 5.8(b).
- (b) Where New Larvotto Shares are issued to the Sale Agent pursuant to clause 5.3(a), Larvotto must procure that those New Larvotto Shares are dealt with in accordance with the Scheme.
- (c) The Sale Proceeds of the Ineligible Holders will be dealt with in accordance with the terms of the Scheme.

5.4 Fractional entitlements

Where the calculation of the number of New Larvotto Shares to be issued to a particular Scheme Shareholder (including an Ineligible Holder dealt with in accordance with clause 5.3(a)) would result in the Scheme Shareholder becoming entitled to a part of a New Larvotto Share, then any such fractional entitlement:

- (a) of 0.5 or more will be rounded up to the nearest whole number; and
 - (b) of less than 0.5 will be rounded down to the nearest whole number,
- of New Larvotto Shares.

5.5 Share Splitting

If Larvotto is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 5.1(d)) have, before the Record Date, been party to Share Splitting or division in an attempt to obtain unfair advantage by reference to such rounding, Larvotto may give notice to those Scheme Shareholders:

- (a) setting out their names and registered addresses as shown in the Share Register;
- (b) stating that opinion; and
- (c) attributing the Scheme Shares held by all of them to one of them as specifically identified in the notice,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme and Deed Poll, be taken to hold no Scheme Shares. Larvotto, in complying with the other provisions of the Scheme and Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme and Deed Poll.

5.6 Excluded Shareholders

- (a) Larvotto represents that, to the extent any Larvotto Group Member is an Excluded Shareholder, that Larvotto Group Member consents to be excluded from the operation of the Scheme.
- (b) The parties acknowledge and agree that, to the extent there is any Excluded Shareholder, that person will not be a "Scheme Shareholder" for the purposes of this deed and will be excluded from the operation of the Scheme.

5.7 Australian Tax roll over relief

- (a) Larvotto acknowledges that each Scheme Shareholder who is an Australian resident shareholder who holds their Scheme Shares on capital account may seek roll over relief under subdivision 124 M of the Tax Act, to the extent permitted by the Tax Act.
- (b) Larvotto undertakes that:
- (i) it will not make a choice to deny roll over relief to the Scheme Shareholders under subsection 124 795(4) of the Tax Act;
 - (ii) it is the ultimate holding company of the wholly owned group for the purposes of subparagraph 124 780(3)(c)(ii) of the Tax Act; and
 - (iii) no member of the wholly owned group of which Larvotto is a member will issue any equity (other than the New Larvotto Shares), or owe new debt, under the Scheme:
 - (A) to an entity that is not a member of the group of which Larvotto is a member; and
 - (B) in relation to the issuing of the New Larvotto Shares, for the purposes of paragraph 124 780(3)(f) of the Tax Act.
- (c) Hammer Metals acknowledges that each Scheme Shareholder who is an Australian resident shareholder who holds their Scheme Shares on capital account may seek roll over relief under subdivision 124 M of the Tax Act, to the extent permitted by the Tax Act.
- (d) Hammer Metals undertakes that it will apply for and endeavour to obtain a Class Ruling on behalf of Hammer Metals Shareholders in relation to scrip for scrip roll over relief under subdivision 124 M of the Tax Act.

5.8 Withholding

- (a) For the purpose of this clause:
- (i) **Declaration** means a declaration provided by a Scheme Shareholder in accordance with section 14 225 and section 14 210(3) of Schedule 1 to the Taxation Administration Act;
 - (ii) **Variation** means a notice of variation as granted by the Commissioner of Taxation under subsection 14 235(2) of Schedule 1 to the Taxation Administration Act; and
 - (iii) **Subdivision 14 D** means Subdivision 14 D of Schedule 1 to the Taxation Administration Act.
- (b) If Larvotto determines (in its reasonable opinion acting in good faith) that it is required by Subdivision 14 D to pay amounts (each being a **FRCGW Amount**) to the Commissioner of Taxation in respect of the acquisition of the Scheme Shares from certain Scheme Shareholders (each being a **FRCGW Holder**), Larvotto shall be entitled to deduct or withhold from the Scheme Consideration otherwise payable to the FRCGW Holder the number of New Larvotto Shares required to be sold in order to satisfy the FRCGW Amount (taking into account potential fluctuations in the price of the New Larvotto Shares, if reasonable) and issue those New Larvotto Shares to the Sale Agent in accordance with clause 5.3(a)(ii)(B).
- (c) Larvotto will remit to the Commissioner of Taxation so much of the Sale Proceeds received under clause 5.3(b) as is required to comply with Subdivision 14 D (as determined by Larvotto under clause 5.8(b)), to the extent those Sale Proceeds are derived from the sale of New Larvotto Shares to which a FRCGW Holder would otherwise be entitled under the Scheme and the Deed Poll.

- For personal use only
- (d) The aggregate sum payable to the FRCGW Holders will not be increased to reflect the amount remitted to the Commissioner of Taxation under clause 5.8(c) or otherwise deducted by Larvotto in accordance with clause 5.8(b) and the Scheme, and the net aggregate sum payable to those FRCGW Holders will be taken to be in full satisfaction of their right to the Scheme Consideration.
 - (e) Larvotto acknowledges and agrees that it will reduce the FRCGW Amount with respect to a Scheme Shareholder where that Scheme Shareholder provides a Variation to Larvotto prior to the Implementation Date and Larvotto does not know or reasonably suspect the Variation to be false or invalid.
 - (f) Larvotto acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 5.8(c) with respect to a Scheme Shareholder where that Scheme Shareholder provides a Declaration to Larvotto prior to the Implementation Date and Larvotto does not know or suspect that the Declaration is false.
 - (g) If Larvotto forms the view that it knows or suspects that a Declaration it has received is false, and Larvotto received the Declaration more than 30 days before the Implementation Date, Larvotto agrees that it shall not pay any amounts to the Commissioner of Taxation in respect of that Scheme Shareholder until it has:
 - (i) provided information upon which it relied to form that view to the Scheme Shareholder who has provided that Declaration no less than 20 days before the Implementation Date;
 - (ii) provided the Scheme Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than ten days before the Implementation Date; and
 - (iii) reviewed any response from the Scheme Shareholder and, after having reconsidered its view, still be of the view that it has knowledge or suspicion that the Entity Declaration it has received is false.
 - (h) Hammer Metals agrees that Larvotto may approach the ATO to obtain clarification as to the application of Subdivision 14 D to the Scheme and will provide all information and assistance that Larvotto reasonably require in making any such approach. Larvotto agrees:
 - (i) to provide Hammer Metals a reasonable opportunity to review the form and content of all materials to be provided to the ATO, and must incorporate Hammer Metals' reasonable comments on those materials, and more generally to take into account Hammer Metals' comments in relation to Larvotto's engagement with the ATO, and provide Hammer Metals a reasonable opportunity to participate in any discussions and correspondence between Larvotto and the ATO in connection with the application of Subdivision 14 D to the Scheme; and
 - (ii) subject to clause 5.8(g), not to contact any Scheme Shareholders in connection with the application of Subdivision 14 D to the Scheme without Hammer Metals' prior written consent.
 - (i) The parties agree to consult in good faith as to the application of Subdivision 14 D, including taking into account any clarification provided by the ATO following any process described in clause 5.8(g). The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation.

7.3 SpinCo Demerger Documents

- (a) Hammer Metals must (prior to execution) provide Larvotto with a copy of all agreements made between Hammer Metals and SpinCo to be entered into in connection with the SpinCo Demerger and must:
 - (i) provide Larvotto and its advisors with not less than 10 Business Days (unless otherwise agreed in writing) to review such documentation; and
 - (ii) without prejudice to the approval right of Larvotto in the Condition 3.1(s), consider in good faith any suggested amendments to such documents.
- (b) Hammer Metals must use reasonable endeavours to execute and procure that the relevant counterparties execute, the SpinCo Demerger Agreement (and any other SpinCo Demerger Documents) as soon as reasonably practicable after they are approved by Larvotto under Condition 3.1(s), and in any event by no later than the date that the Scheme Booklet is lodged with ASIC for regulatory review pursuant to clause 4.2(k).
- (c) Hammer Metals agrees not to amend or waive any rights, or agree to amend or waive any rights, in respect of the SpinCo Demerger Agreement (and any SpinCo Demerger Documents) without the prior written consent of Larvotto (not to be unreasonably withheld, delayed or conditioned).

7.4 Obligations in favour of Larvotto

Hammer Metals must obtain Larvotto's prior written consent (not to be unreasonably withheld, delayed or conditioned) if, in connection with the SpinCo Demerger, any member of the Hammer Metals Group:

- (a) is to provide any representation or warranty or incur any obligation to SpinCo or a SpinCo Group Member that continues post the SpinCo Demerger beyond what is included in the SpinCo Demerger Documents;
- (b) is to provide an indemnity to SpinCo or a SpinCo Group Member beyond what is included in the SpinCo Demerger Documents; or
- (c) is to release, or otherwise diminish the liability of, SpinCo or a SpinCo Group Member from the indemnity referred to in clause 4.2(ff)(iii).

7.5 Additional Demerger principles

- (a) Other than business records which are exclusively or predominantly used by, or exclusively or predominantly relate to the SpinCo Group's business, all business records will be owned by Hammer Metals. However, Hammer Metals is entitled to make and keep copies of information to be owned by SpinCo that relates to the SpinCo Group's business for purposes relating to its regulatory and legal obligations.
- (b) Each of Hammer Metals and SpinCo will be obliged to make available the relevant business records and data which relate to the other party's business and/or assets following the implementation of the SpinCo Demerger (subject to customary confidentiality protections).
- (c) Following the implementation of the SpinCo Demerger, if any asset which exclusively relates to:
 - (i) the SpinCo Group's business is identified as being owned by a Hammer Metals Group Member then, subject to customary limitations and qualifications, Hammer Metals will be obligated to transfer, assign or grant rights over that asset to SpinCo for nil or nominal consideration; or
 - (ii) Hammer Metals Group's business is identified as being owned by the SpinCo Group then, subject to customary limitations and qualifications, the SpinCo Group will be

obligated to transfer, assign or grant rights over that asset to the relevant Hammer Metals Group Member for nil or nominal consideration,

provided that any Tax or Duty relating to that transfer, assignment or grant of that asset will be to the account of the relevant transferee.

- (d) Hammer Metals must not take any action, or omit to take any action, which would prevent or delay the SpinCo Demerger without the prior written consent of Larvotto (such consent not to be unreasonably withheld, delayed or conditioned).
- (e) Hammer Metals must provide Larvotto with a copy of any notice or material correspondence in respect of the SpinCo Demerger or any of the SpinCo Demerger Documents.
- (f) The SpinCo Demerger shall occur prior to the Scheme such that the "Demerger Implementation Date" under the SpinCo Demerger Agreement must be no later than 1 Business Day prior to the Implementation Date.

7.6 **Costs and expenses related to the Transaction, Restructure and SpinCo Demerger**

Notwithstanding anything else in this deed:

- (a) to the extent:
 - (i) set out in this deed;
 - (ii) included in the Budget;
 - (iii) set out in the SpinCo Demerger Documents; or
 - (iv) otherwise agreed in writing between Hammer Metals and Larvotto,

from the SpinCo Demerger implementation date and the transfer of the SpinCo Cash Reserve to SpinCo, each of Hammer Metals and the SpinCo Group will assume responsibility for its own Tax, Duty, costs and expenses in respect of the SpinCo Demerger and matters to be specified in the Side Letter and will indemnify the other in respect of those costs, ensuring that all such Tax, Duty, costs and expenses that are reasonably ascertainable by each such party will be paid in full as and when they fall due, with Hammer Metals assuming responsibility, in accordance with clause 7.2(b), for any such obligations (excluding Tax) incurred prior to that date including in respect of maintenance of the SpinCo Group Tenements;

- (b) the SpinCo Demerger Documents will expressly include indemnities in respect of the matters described in clause 7.6(a) provided by the SpinCo Group and Hammer Metals in favour of one another, subject to the following limitations:
 - (i) **(Monetary cap)** the aggregate liability of each party under the Tax, Duty, costs and expenses indemnity in respect of matters described in clause 7.6(a) must not exceed \$150,000;
 - (ii) **(Survival period)** claims under the Tax, Duty, costs and expenses indemnity must be notified in writing within the later of:
 - (A) six months of the implementation of the SpinCo Demerger; and
 - (B) twelve months after lodgement of Hammer Metals' and SpinCo's income tax return for the income year that includes the implementation of the SpinCo Demerger;
 - (iii) **(De minimis threshold)** neither party will be liable to the other for any individual claim where the Tax, Duty, costs and expenses payable is less than \$10,000, and no claim may be made unless the aggregate of all claims exceeds \$20,000;

- (iv) **(Exclusion of consequential loss)** neither party will be liable for any indirect, consequential or punitive damages, loss of profits, or loss of opportunity of the other party;
- (v) **(No double recovery)** neither party may recover under the indemnity from the other party to the extent it has already recovered or is entitled to recover from any other source (including insurance or a third party);
- (vi) **(Mitigation)** each party must take reasonable steps to mitigate any loss for which it seeks indemnification;
- (vii) **(Conduct of claims)** each party has the right (but not the obligation) to assume conduct of any Tax audit, dispute or proceeding giving rise to an indemnity claim against it, at its own cost, and the other party must not settle or compromise any such matter without indemnifying party's prior written consent (not to be unreasonably withheld, delayed or conditioned);
- (viii) **(Notification requirement)** each party must notify the other of any potential indemnity claim within 20 Business Days of receipt of the relevant Tax liability or assessment, and failure to do so will reduce the indemnifying party's liability to the extent it has been prejudiced by the delay; and
- (ix) **(Gross-up exclusion)** any gross-up for Tax payable by either party on indemnity payments is limited to Tax at the prevailing corporate tax rate and excludes any additional Tax arising from either party's particular circumstances (e.g., prior year losses, franking account position); and
- (c) In the event that prior to the payment of the SpinCo Cash Reserve to SpinCo, Hammer Metals is desirous of further funding to facilitate the Transaction, Restructure or SpinCo Demerger, including in the event that Implementation Date has not occurred or is unlikely to occur by the End Date in circumstances where the parties have agreed (in writing) to extend the End Date, then Hammer Metals is expressly permitted and may elect (in its sole and absolute discretion) to use the funds that would otherwise comprise the SpinCo Cash Reserve up to the then current amount of the SpinCo Cash Reserve to fund Hammer Metals' ongoing costs of the Transaction, Restructure and SpinCo Demerger or for general working capital purposes. To the extent that Hammer Metals accesses the SpinCo Cash Reserve in the manner contemplated by this clause, the SpinCo Cash Reserve will be reduced by that amount and will not require payment or reimbursement by Hammer Metals to SpinCo. In the event that outstanding amounts under the loan provided pursuant to the Bridging Loan Agreement become repayable by Hammer Metals to Larvotto under the Bridging Loan Agreement (other than as a result of the Scheme implementing), Hammer Metals will mandatorily draw on the SpinCo Cash Reserve to use such funds to repay (in full or in part) amounts owing under the Bridging Loan Agreement.

8 Exclusivity

8.1 Existing discussions

Hammer Metals represents and warrants to Larvotto that, as at the time of execution of this deed:

- (a) other than with respect to non-disclosure agreements that were entered into before the date of this deed, neither Hammer Metals nor any of Hammer Metals' Representatives is a party to any agreement, arrangement or understanding with any person in each case in connection with, with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; and
- (b) neither Hammer Metals nor any of Hammer Metals' Representatives is participating in any negotiations, discussions or other communication with, and Hammer Metals and Hammer Metals' Representatives have ceased any existing negotiations, discussions or other

communications with, have ceased to continue to provide any Non-public Information to, and have terminated all due diligence data room access granted to, any person in connection with or with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; and

- (c) it has agreed not to waive the provisions of any confidentiality or standstill agreement with any Third Party

8.2 No shop

During the Exclusivity Period, Hammer Metals must not, and must ensure that each of its Representatives and any other person on its behalf do not, directly or indirectly:

- (a) solicit, encourage, facilitate, initiate or invite (including by the provision of any Non-public Information) any approaches, enquiries, expressions of interest, offers, proposals, discussions, negotiations or other communications with a view to obtaining, or which may reasonably be expected to encourage or lead to, any actual, proposed or potential Competing Proposal; or
- (b) announce or communicate to any person any intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clause 8.2(a),

with a view to obtaining, or which may reasonably be expected to encourage or lead to, the making of any actual, proposed or potential Competing Proposal.

8.3 No talk

Subject to clauses 8.6(a) and 8.9, during the Exclusivity Period, Hammer Metals must not, and must ensure that each of its Representatives and any other person on its behalf do not, indirectly or directly:

- (a) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding, or facilitate, participate in or continue any negotiations or discussions with any person regarding any:
 - (i) actual, proposed or potential Competing Proposal; or
 - (ii) approach, enquiry, expression of interest, offer, proposal, discussion, negotiation or other communication in connection with or with a view to obtaining, or which could reasonably be expected to encourage or lead to, any actual, proposed or potential Competing Proposal; or
- (b) announce or communicate to any person any intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clause 8.3(a).

For the avoidance of doubt, if an event of the kind in clauses 8.5(a) to 8.5(a)(iii) (inclusive) occurs, nothing in this clause 8.3 prohibits Hammer Metals or its Representatives from responding to a Third Party in respect of an inquiry, expression of interest, offer, proposal or discussion by that Third Party to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal to merely (A) acknowledge receipt or (B) advise that Third Party that Hammer Metals is bound by the provisions of this clause 8.3 and is only able to engage in negotiations, discussions or other communications if the fiduciary out in clause 8.6(a) applies.

8.4 Due diligence

Without limiting clause 8.2 or 8.3, but subject to clauses 8.6 and 8.9, during the Exclusivity Period, Hammer Metals must not, and must ensure that none of its Representatives, directly or indirectly:

- (a) solicit, encourage, facilitate, initiate, invite or permit any person (other than Larvotto or any of its Representatives) to undertake or continue any due diligence investigation in respect of Hammer Metals, Hammer Metals Group or any Hammer Metals Group Member, or any business, asset or affairs of Hammer Metals, Hammer Metals Group or any Hammer Metals

Group Member in connection with or with a view to obtaining, or which could reasonably be expected to encourage or lead to an actual, proposed or potential Competing Proposal;

- (b) disclose, provide or make available to any person (other than Larvotto or any of its Representatives), or permit any such person to receive, any Non-public Information which was not available to them immediately prior to the date of this deed, in connection with or with a view to obtaining, or which may reasonably be expected to encourage or lead to any person formulating, developing, finalising, submitting or announcing, or assisting in the formulation, development, finalisation, submission or announcement of, any actual, proposed or potential Competing Proposal; or
- (c) announce or communicate to any person any intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clause 8.4(a) or 8.4(b).

8.5 Notification of approaches

- (a) During the Exclusivity Period, Hammer Metals must as soon as reasonably practicable (but in any event by 5pm on the next Business Day) notify Larvotto in writing if Hammer Metals or any of its Representatives becomes aware of:
 - (i) any approach, enquiry, expression of interest, offer or proposal made to, or received by, or any discussion, negotiation, communication or other contact with, Hammer Metals or any of its Representatives in connection with, or which may reasonably be expected to lead to, any actual, proposed or potential Competing Proposal;
 - (ii) any request made by any person to, or received by, Hammer Metals or any of its Representatives for any Non-public Information which Hammer Metals or any of its Representatives has reasonable grounds to suspect may be in connection with, or which may reasonably be expected to lead to, any actual, proposed or potential Competing Proposal; or
 - (iii) without limiting Hammer Metals' obligations under clause 8.4, the provision by Hammer Metals or any of its Representatives of any Non-public Information to any person in connection with, or which may reasonably be expected to lead to any actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For clarity, any of the acts described in this clause 8.5(a) may only be undertaken by Hammer Metals or any of its Representatives if not prohibited by this clause 7.6(c) or if permitted by clause 8.6(a).

- (b) A notification given under clause 8.5(a) must include all material details of such actual, proposed or potential Competing Proposal (including, to the extent known by Hammer Metals, the price and form of consideration, proposed timing, any condition precedent, details of any break fee and other proposed deal protection arrangements and the identity of the person or persons who were involved in such discussion, negotiation, communication or other contact, who made such approach, enquiry, expression of interest, offer or proposal and/or who made such request for, and/or who received, such Non-public Information (as applicable).

8.6 Fiduciary exception

- (a) Clauses 8.3 and 8.4 do not apply to the extent that they restrict Hammer Metals or the Hammer Metals Board from taking or refusing to take any action, or require them to take action, with respect to a bona fide Competing Proposal (which was not brought about in connection with a breach of this clause 7.6(c) including clauses 8.1, 8.2 or 8.3), provided that, before taking or refusing to take any such action, the Hammer Metals Board has determined, in good faith:
 - (i) after consultation with its financial advisers and after receiving written legal advice from its Legal Advisers, that such Competing Proposal is, or could reasonably be expected to become, a Superior Proposal; and

- (ii) after receiving written legal advice from its Legal Advisers, that compliance with clauses 8.2 and/or 8.3 (as applicable) would constitute, or would be reasonably likely to constitute, a breach of any of the fiduciary or statutory duties of any member of Hammer Metals Board.
- (b) Hammer Metals must immediately notify Larvotto of each action or inaction by it, or any of its Representatives, in reliance on clause 8.6(a).

8.7 Matching right

- (a) Without limiting clauses 8.1 to 8.5(b), during the Exclusivity Period, Hammer Metals:
 - (i) must ensure that no Hammer Metals Director:
 - (A) withdraws, qualifies or adversely changes, modifies, revises his Recommendation or Voting Intention;
 - (B) publicly recommends, or otherwise publicly supports or endorses, any actual, proposed or potential Competing Proposal; or
 - (C) publicly recommends against the Scheme or makes any public statement to the effect that they may do so at a future point in time or that they no longer support the Transaction or the Scheme (provided that a statement that no action should be taken by Hammer Metals Shareholders pending the assessment of a Competing Proposal by the Hammer Metals Board or the completion of the matching right process set out in this clause 8.7 shall not contravene this clause 8.7 and also subject to any change of Recommendation or Voting Intention by the Hammer Metals Board that is permitted by clause 2.3(b)); and
 - (ii) must not, and must ensure that each Hammer Metals Group Member and each of its and their respective Representatives do not, indirectly or directly, enter into any agreement, arrangement or understanding (whether or not in writing) or otherwise become obliged to undertake or give effect to, or for the implementation of, any actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal,
- unless:
- (iii) the Hammer Metals Board, acting in good faith and acting reasonably, made the determination set out in clause 8.6(a) and has notified Larvotto of such determination in accordance with clause 8.6(b);
 - (iv) Hammer Metals has provided Larvotto with a written notice stating that it is given for the purposes of this clause 8.7 and setting out:
 - (A) all material terms and conditions of such Competing Proposal (including, to the extent known by Hammer Metals, the price and form of consideration, proposed timing, any condition precedent, details of any break fee, cost recovery or cost sharing arrangement, and the identity of the person or persons who were involved in such discussion, negotiation, communication or other contact, who made such approach, enquiry, expression of interest, offer or proposal); and
 - (B) the determinations made under clauses 8.6(a)(i) and 8.6(a)(ii); and
 - (C) the reasons for the Hammer Metals Board's determination that such Competing Proposal is, or could reasonably be expected to become or lead to, a Superior Proposal. To avoid doubt, nothing under this clause 8.7(a)(iv)(A) obliges Hammer Metals to provide Larvotto with the gist, substance or

otherwise of legal advice provided to Hammer Metals by its Legal Advisers in connection with the Hammer Metals Board's determination;

- (v) Hammer Metals has given Larvotto at least until 11:59pm on the fifth Business Day after the information referred to in clause 8.7(a)(iv) was provided to Larvotto (**Matching Period**) to announce or formally provide to Hammer Metals a matching, equivalent or superior proposal or other counter proposal to the terms of such Competing Proposal (**Counterproposal**); and
- (vi) either:
- (A) Larvotto has not announced or formally provided Hammer Metals with a Counterproposal before the expiry of the Matching Period; or
 - (B) Larvotto has announced or formally provided Hammer Metals with a Counterproposal before the expiry of the Matching Period, and the Hammer Metals Board has determined, in good faith and acting reasonably, that such Counterproposal would not produce an equivalent or superior outcome for Hammer Metals Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, taking into account all respective terms and conditions and other aspects of such Counterproposal (including the price, value and form of consideration, funding, proposed timing, any condition precedent and other matters affecting the probability of the Counterproposal being completed compared to the Competing Proposal) and such Competing Proposal.
- (b) If Hammer Metals has provided Larvotto with a notice under clause 8.7(a)(iv) and Larvotto has announced or formally provided Hammer Metals with a Counterproposal before the expiry of the Matching Period, Hammer Metals must procure that the Hammer Metals Board:
- (i) promptly considers and determines as soon as reasonably practical (and in any event, within two Business Days of receiving the Counterproposal), in good faith and acting reasonably, after consultation with its financial advisers and after receiving written legal advice from its Legal Advisers, whether such Counterproposal would (or would reasonably be expected to) provide an equivalent or superior outcome for Hammer Metals Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, taking into account all respective terms and conditions and other aspects of such Counterproposal (including the price, value and form of consideration, funding, proposed timing, any condition precedent and other matters affecting the probability of the Counterproposal being completed compared to the Competing Proposal) and such Competing Proposal; and
 - (ii) promptly, and in any event within 24 hours after making the determination in clause 8.7(b)(i), delivers Larvotto a notice in writing setting out such determination and the reasons for such determination.
- (c) If Hammer Metals has made a determination in accordance with clause 8.7(b)(i) that such Counterproposal would provide an equivalent or superior outcome for Hammer Metals Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, Hammer Metals must use its best endeavours to:
- (i) agree all amendments to this deed (and, if applicable, the Scheme and the Deed Poll) which are necessary to implement such Counterproposal, in each case as soon as reasonably practicable and for a period of not less than three Business Days after Hammer Metals delivers the notice under clause 8.7(b)(ii) to Larvotto; and
 - (ii) procure each Hammer Metals Director recommends (unanimously with all the other Hammer Metals Directors) such Counterproposal to Hammer Metals Shareholders and does not recommend such Competing Proposal to Hammer Metals Shareholders.
- (d) Hammer Metals acknowledges and agrees that:

- (i) each new Competing Proposal or successive material variation or modification of a Competing Proposal will constitute a new Competing Proposal for the purposes of clause 8.7; and
- (ii) the process set out in clause 8.7 must again be followed in respect of each new Competing Proposal or successive material variation or modification of a Competing Proposal prior to:
 - (A) any Hammer Metals Director taking any of the actions referred to in clauses 8.7(a)(i)(A), 8.7(a)(i)(B) and 8.7(a)(i)(C); or
 - (B) Hammer Metals or any of its Representatives entering into any agreement, arrangement or understanding or otherwise becoming obliged referred to in clause 8.7(a)(ii).

8.8 Compliance with law

- (a) If it is finally determined by a court of competent jurisdiction, or the Takeovers Panel, that the agreement by the parties under this clause 7.6(c) or any part of it:
 - (i) constitutes a breach of the fiduciary or statutory duty of any member of the Hammer Metals Board;
 - (ii) constitutes "unacceptable circumstances" within the meaning of the Corporations Act; or
 - (iii) is unlawful for any other reason,
 then, to that extent (and only to that extent) Hammer Metals will not be obliged to comply with that provision or that relevant part of that provision (as applicable) of this clause 7.6(c).
- (b) The parties:
 - (i) must not make, or cause to be made, any application to a court or the Takeovers Panel for, or in relation to, a determination or declaration referred to in clause 8.8(a) regarding any provision of this clause 7.6(c); and
 - (ii) agree that if any person makes an application to a court or the Takeovers Panel for, or in relation to, a determination or declaration referred to in clause 8.8(a) regarding any provision of this clause 7.6(c), each party must make submissions in the course of the relevant proceedings supporting (to the fullest extent reasonably practicable) that no such determination or declaration should be made.

8.9 Normal provision of information

Nothing in clauses 8.3 or 8.4 prevents Hammer Metals or a Representative of Hammer Metals from (directly or indirectly):

- (a) taking any action in good faith to comply with its disclosure requirements at law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the ASX Listing Rules;
- (b) providing information to its auditors, customers or suppliers acting in that capacity in the ordinary course of business consistent with the 12 months prior to the date of this deed; or
- (c) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to its business generally,
- (d) subject to Hammer Metals complying with its obligations under the Confidentiality Deed and clause 14.

8.10 Legal advice

Hammer Metals acknowledges that it has received separate legal advice from its Legal Advisers in relation to the operation of this clause 7.6(c).

9 Break fee

9.1 Background

This clause 9 has been agreed to in circumstances where:

- (a) Hammer Metals believes it and its shareholders will derive significant benefits from the implementation of the Scheme;
- (b) Larvotto has incurred and will further incur significant costs in connection with the Scheme, which will include significant opportunity costs if the Scheme is not implemented;
- (c) Larvotto has required that provision be made for the payment outlined in clause 9.2 and would not have entered into this deed or otherwise have agreed to implement the Scheme had such provision not been made;
- (d) the Hammer Metals Board believes that:
 - (i) it is reasonable and appropriate to agree to pay the Break Fee to secure Larvotto's entry into this deed; and
 - (ii) the Break Fee represents a genuine and reasonable estimate of costs that would be incurred by Larvotto if the Scheme is not implemented; and
- (e) Hammer Metals has received separate legal advice from its Legal Advisers in relation to this deed and the operation of this clause 9 and believes it is reasonable that Hammer Metals agrees to the Break Fee in accordance with this clause 9 in order to secure Larvotto's participation in the Transaction.

9.2 Payment of Break Fee

Subject to clauses 9.5(a) to 9.5(d), Hammer Metals must pay Larvotto the Break Fee, without set off or withholding, within 10 Business Days after receipt of a written demand from Larvotto, if any of the following events occurs:

- (a) during the Exclusivity Period, any Hammer Metals Director:
 - (i) fails to make his Recommendation or give the Voting Intention as contemplated by clause 2.3(a);
 - (ii) withdraws, qualifies or adversely changes, modifies or revises (including, without limitation, by making any public statement supporting, endorsing or recommending any Competing Proposal and/or to the effect that he no longer supports the Scheme) his Recommendation; or
 - (iii) makes a public statement indicating that they no longer recommend the Scheme or recommend that Hammer Metals Shareholders accept or vote in favour of, or otherwise publicly recommends, supports or endorses, a Competing Proposal,

in each case, and other than in circumstances where:

- (iv) the Independent Expert:
 - (A) concludes in the Independent Expert's Report that the Scheme is not in the best interests of Hammer Metals Shareholders; or

- (B) having previously concluded that the Scheme is in the best interests of Hammer Metals Shareholders withdraws or adversely changes that conclusion,

except, in each case, where such conclusion, withdrawal or adverse change is due (whether wholly or partly) to the existence, announcement or publication of a Competing Proposal (including, but not limited to, a Superior Proposal) and provided that any change of their Recommendation or Voting Intention must only occur after the Independent Expert has issued its conclusion that the Scheme is not in the best interests of Hammer Metals Shareholders; or

- (v) the withdrawal, qualification or adverse change, modification or revision is required to comply with an order of a court of competent jurisdiction, ASIC or the Takeovers Panel;
- (b) at any time before the End Date, a Competing Proposal of any kind is announced (whether or not such proposal is stated to be subject to any pre condition) and, within 12 months of the End Date, a Third Party or any Associate of that Third Party:
- (i) completes a Competing Proposal of a kind referred to in any of sub-paragraphs (b)(ii) or (b)(iii) of the definition of Competing Proposal in clause 1.1;
 - (ii) enters into an agreement, arrangement or understanding with Hammer Metals, with another Hammer Metals Group Member or with the board of directors of any of the foregoing entities, which is of the kind referred to in paragraph (a) of the definition of Competing Proposal in clause 1.1; or
 - (iii) without limiting sub-paragraphs (i) and (ii) above, acquires (either alone or in aggregate) a Relevant Interest in Hammer Metals Shares of more than the relevant thresholds stipulated in the definition of Competing Proposal and in the manner contemplated in such definition or otherwise acquires (either alone or together with another Third Party(s)) Control of Hammer Metals;
- (c) the Hammer Metals Board determines that a Competing Proposal is a Superior Proposal and Hammer Metals subsequently terminates this deed in accordance with clause 12.3(b); or
- (d) Larvotto validly terminates this deed in accordance with clauses 12.1(b) or 12.2(a) for a material and wilful breach.

For the avoidance of doubt, a statement made by Hammer Metals or the Hammer Metals Board to the effect that no action should be taken by Hammer Metals Shareholders pending the assessment of a Competing Proposal by the Hammer Metals Board will not, by itself, require Hammer Metals to pay Larvotto the Break Fee. Moreover, notwithstanding anything to the contrary contained herein or elsewhere, the Break Fee is and can only ever be payable to Larvotto once.

9.3 Nature of payment

Hammer Metals acknowledges and agrees that the amount of the Break Fee has been calculated to reimburse and compensate Larvotto for costs and expenses incurred including:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) costs of management and directors' time in planning and implementing the Transaction;
- (c) out of pocket expenses incurred by Larvotto and Larvotto's employees, Advisers and agents in planning and implementing the Transaction; and
- (d) reasonable opportunity costs incurred in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives which otherwise could have been pursued,

and Hammer Metals agrees that:

- (e) the costs actually incurred by Larvotto will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Break Fee is a genuine and reasonable pre estimate of those costs, which would equal or exceed the Break Fee.

9.4 **Content of demand**

A demand by Larvotto for payment of the Break Fee under clause 9.2 must:

- (a) be in writing;
- (b) be made after the occurrence of the event in that clause giving rise to the right to payment;
- (c) state the circumstances which give rise to the demand; and
- (d) nominate an account in the name of Larvotto into which Hammer Metals must pay the Break Fee.

9.5 **Qualifications to Break Fee**

- (a) No amount is payable by Hammer Metals under this clause 9 if the Scheme becomes Effective.
- (b) This clause 9 does not impose an obligation on Hammer Metals to pay the Break Fee to the extent (and only to the extent) that the obligation to pay the Break Fee:
 - (i) is declared by the Takeovers Panel to constitute "unacceptable circumstances"; or
 - (ii) is determined by a court of competent jurisdiction to be unlawful or unenforceable (including as a result of a breach of any Hammer Metals Director's fiduciary or statutory duties),

provided that:

- (iii) all lawful avenues of appeal and review, judicial and otherwise, have been exhausted;
- (iv) the period for lodging an appeal or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced; or
- (v) Larvotto and Hammer Metals agree in writing not to appeal or seek review of the decision to impose that requirement.
- (c) For the avoidance of doubt, any part of the Break Fee that would not constitute "unacceptable circumstances" or that is not unenforceable or unlawful (as applicable) must be paid by Hammer Metals to Larvotto.
- (d) The parties must not make, or cause to be made, any application to the Takeovers Panel or a court for, or in relation to, a declaration or determination referred to in clause 9.5(b).
- (e) If the Break Fee has been paid by Hammer Metals and any of clause 9.5(b) would have prohibited the payment of the Break Fee, Larvotto must reimburse the Break Fee within 10 Business Days after receipt of a written demand from Hammer Metals.
- (f) Where the Break Fee becomes payable to Larvotto and is actually paid to Larvotto, Larvotto cannot make any demand to, or Claim against, Hammer Metals for payment of any subsequent Break Fee.

9.6 **Modifications following regulatory intervention**

- (a) If any of the following occurs:

- (i) a court of competent jurisdiction finds that all or any part of the payments required to be made under this clause 9 is unacceptable or unenforceable; or
- (ii) as a result of an application to the Takeovers Panel, the Takeovers Panel makes a declaration of unacceptable circumstances in respect of the amount of the Break Fee or the circumstances in which it is to be paid, and makes orders to modify the amount of the Break Fee or the circumstances in which it is to be paid,

then, provided that there has been no breach of clauses 8.8(b), 9.5(d) or 9.6(b):

- (iii) the parties must amend clause 9 to the extent required to give effect to the requirements of the court or the Takeovers Panel (as the case may be); and

- (c) the Court making orders approving this Scheme pursuant to section 411(4)(b) of the Corporations Act, including any alterations made or required by the Court under 411(4)(b) of the Corporations Act and agreed to by Larvotto and Hammer Metals (such agreement not to be unreasonably withheld or delayed);
- (d) such other alterations or conditions made or required by the Court under section 411(6) of the Corporations Act in relation to this Scheme and agreed to by Larvotto and Hammer Metals (such agreement not to be unreasonably withheld or delayed) having been satisfied or waived; and
- (e) the coming into effect, pursuant to section 411(10) of the Corporations Act, of the orders of the Court made under section 411(4)(b) of the Corporations Act (and, if applicable, section 411(6) of the Corporations Act) in relation to this Scheme on or before the End Date.

4.2 Certificate in relation to conditions precedent

- (a) Larvotto and Hammer Metals must each provide to the Court on the Second Court Date a certificate, or such other evidence as the Court requests, signed for and on behalf of the relevant party in the form of a deed confirming (in respect of matters within their knowledge) whether or not all of the conditions precedent set out in clause 4.1 (other than the conditions precedent in clauses 4.1(c), 4.1(d) and 4.1(e)) have been satisfied or waived.
- (b) The certificate given by each of Larvotto and Hammer Metals pursuant to clause 4.2(a) will constitute conclusive evidence of whether the conditions precedent referred to in clause 4.1 (other than the conditions precedent in clauses 4.1(c), 4.1(d) and 4.1(e)) have been satisfied or waived.

5 Scheme

5.1 Effective Date

Subject to clause 4, this Scheme will come into effect pursuant to section 411(10) of the Corporations Act on and from the Effective Date.

5.2 End Date

Without limiting any rights or obligations under the Scheme Implementation Deed, this Scheme will lapse and be of no further force or effect if:

- (a) the Effective Date does not occur on or before the End Date; or
- (b) the Scheme Implementation Deed or the Deed Poll is terminated in accordance with their respective terms,

unless Larvotto and Hammer Metals otherwise agree in writing.

6 Implementation of the Scheme

6.1 Lodgement of Court orders with ASIC

If the conditions precedent set out in clause 4.1 (other than the condition precedent in clause 4.1(e)) are satisfied, Hammer Metals must lodge with ASIC, in accordance with section 411(10) of the Corporations Act, an office copy of the Court order made under section 411(4)(b) of the Corporations Act approving this Scheme as soon as reasonably practicable and, in any event, before 4:00pm on the first Business Day after the date on which the Court order was made (or such date as Larvotto and Hammer Metals agree in writing).

6.2 Transfer and registration of Scheme Shares

Subject to this Scheme becoming Effective, on the Implementation Date, but subject to the provision of the Scheme Consideration for the Scheme Shares in accordance with clause 7 and Larvotto having provided Hammer Metals with written confirmation of the provision of the Scheme Consideration:

- (a) the Scheme Shares, together with all Rights as at the Implementation Date, must be transferred to Larvotto, without the need for any further act by any Scheme Shareholder (other than acts performed by Hammer Metals as attorney and agent for Scheme Shareholders under clause 10), by:
 - (i) Hammer Metals delivering to Larvotto a duly completed and executed Share Scheme Transfer to transfer all of the Scheme Shares to Larvotto, duly executed by Hammer Metals on behalf of each Scheme Shareholder as their agent and attorney, for registration; and
 - (ii) Larvotto duly executing the Share Scheme Transfer, attending to stamping of the Share Scheme Transfer (if required) and delivering it to Hammer Metals for registration; and
- (b) immediately after receipt of the duly executed Share Scheme Transfer, Hammer Metals must enter, or procure the entry of, the name of Larvotto in the Hammer Metals Share Register as the holder of all Scheme Shares transferred to Larvotto in accordance with the terms of this Scheme.

6.3 Entitlement to Scheme Consideration

On the Implementation Date, in consideration for the transfer to Larvotto of the Scheme Shares, each Scheme Shareholder will be entitled to receive, and Larvotto will provide, or cause to be provided, to each Scheme Shareholder (subject to the terms of this Scheme), the Scheme Consideration in respect of each of their Scheme Shares in accordance with clause 7 and the Deed Poll.

6.4 Title and rights in Scheme Shares

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder (other than Ineligible Foreign Shareholders and Non-electing Small Shareholders), Larvotto will be beneficially entitled to the Scheme Shares transferred to it under this Scheme, pending registration by Hammer Metals of Larvotto in the Hammer Metals Share Register as the holder of the Scheme Shares.

6.5 Warranty by Scheme Shareholders

- (a) Each Scheme Shareholder is deemed (by operation of this Scheme and without the need for any further act by the Scheme Shareholder) to have warranted to Larvotto and Hammer Metals on the Implementation Date, and, to the extent enforceable, to have appointed and

authorised Hammer Metals as that Scheme Shareholder's agent and attorney to warrant to Larvotto on the Implementation Date, that:

- (i) all their Scheme Shares (including any Rights attaching to their Scheme Shares) transferred to Larvotto under this Scheme will, as at the time of the transfer, be fully paid and free from all Security Interests of any kind whether legal or otherwise, and free from any restrictions on transfer of any kind not referred to in this Scheme;
 - (ii) they have full power and capacity to sell and to transfer their Scheme Shares (including any Rights) to Larvotto under this Scheme; and
 - (iii) they have no existing right to be issued any Hammer Metals Shares or any other Hammer Metals securities.
- (b) Hammer Metals undertakes in favour of each Scheme Shareholder that it will provide such warranty, to the extent enforceable, to Larvotto as agent and attorney for each Scheme Shareholder.

6.6 Transfer free of Security Interests

To the extent permitted by law, all Scheme Shares (including any Rights) which are transferred to Larvotto under this Scheme will, at the time of the transfer of them to Larvotto, be fully paid and free from all Security Interests of any kind, whether legal or otherwise, and free from any restrictions on transfer of any kind not referred to in this Scheme.

6.7 Appointment of Larvotto as sole proxy

- (a) Subject to the provision of the Scheme Consideration for the Scheme Shares as contemplated by clause 7, on and from the Implementation Date until Hammer Metals registers Larvotto as the holder of all of the Scheme Shares in the Hammer Metals Share Register, each Scheme Shareholder (by operation of this Scheme and without the need for any further act by the Scheme Shareholder):
- (i) is deemed to have irrevocably appointed Hammer Metals as attorney and agent (and directed Hammer Metals in such capacity) to appoint Larvotto and any of Larvotto's directors, secretaries and officers nominated by Larvotto, as its sole proxy, and where applicable corporate representative, to attend shareholders' meetings, exercise the votes attaching to Scheme Shares registered in the name of that Scheme Shareholder and sign any shareholders resolution;
 - (ii) must not attend or vote at any of those meetings or sign any resolutions referred to in clause 6.7(a)(i), whether in person, by proxy or by corporate representative (other than pursuant to clause 6.7(a)(i));
 - (iii) must take all other actions in the capacity of the registered holder of Scheme Shares as Larvotto directs; and
 - (iv) acknowledges and agrees that in exercising the powers referred to in clause 6.7(a)(i), Larvotto and any directors, secretaries and officers nominated by Larvotto under clause 6.7(a)(i) may act in the best interests of Larvotto as the intended registered holder of the Scheme Shares.
- (b) Hammer Metals undertakes in favour of each Scheme Shareholder that it will appoint Larvotto and any of Larvotto's directors, secretaries or officers nominated under clause 6.7(a)(i) as that Scheme Shareholder's proxy or, where applicable, corporate representative in accordance with clause 6.7(a)(i).

7 Scheme Consideration

7.1 Consideration under the Scheme

On the Implementation Date, Larvotto must provide, or cause the provision of, the Scheme Consideration to the Scheme Shareholders (or to the Sale Agent in accordance with clause 7.8) in accordance with this clause 7.

7.2 Scheme Consideration

Subject to the terms and conditions of this Scheme (including clause 7.4 in relation to fractional entitlements, clauses 7.8 and 7.9 of this Scheme in relation to Ineligible Foreign Shareholders and Non-electing Small Shareholders and clause 7.10), the Scheme Consideration will be provided by the issue by Larvotto of the Scheme Consideration to Scheme Shareholders on the Implementation Date.

7.3 Provision of Scheme Consideration

Subject to the other provisions of this clause 7, the obligations of Larvotto to provide (or procure the provision of) the Scheme Consideration to the Scheme Shareholders will be satisfied by procuring that:

- (a) the name and address of each such Scheme Shareholder is entered into the Larvotto Share Register on the Implementation Date in respect of the New Larvotto Shares to which it is entitled under this clause 7; and
- (b) a share certificate or holding statement is sent to the Registered Address of each such Scheme Shareholder representing the number of New Larvotto Shares issued to the Scheme Shareholder pursuant to this Scheme.

7.4 Fractional entitlements

Where the calculation of the number of New Larvotto Shares to be issued to a particular Scheme Shareholder (or to the Sale Agent in the case of an Ineligible Foreign Shareholder or a Non-electing Small Shareholder) would result in the Scheme Shareholder becoming entitled to a part of a New Larvotto Share, then any such fractional entitlement:

- (a) of 0.5 or more will be rounded up to the nearest whole number; and
 - (b) of less than 0.5 will be rounded down to the nearest whole number,
- of New Larvotto Shares.

7.5 Shareholder splitting or division

If Larvotto is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 7.4) have, before the Record Date, been party to Share Splitting or division in an attempt to obtain unfair advantage by reference to such rounding, Larvotto may give notice to those Scheme Shareholders:

- (a) setting out their names and Registered Addresses;
- (b) stating that opinion; and
- (c) attributing the Scheme Shares held by all of them to one of them as specifically identified in the notice,

and, after such notice is given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and the Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the Scheme and the Deed Poll, be taken to hold no Scheme Shares. Larvotto, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme

Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

7.6 Scheme Shareholders' agreements

If the Scheme becomes Effective, each Scheme Shareholder (and, to the extent relevant, the Sale Agent) irrevocably:

- (a) agrees to the transfer of their Scheme Shares together with all Rights in accordance with this Scheme;
- (b) agrees to the variation, cancellation or modification of the Rights attached to their Scheme Shares constituted by or resulting from this Scheme;
- (c) agrees to, on the direction of Larvotto, destroy any holding statements or share certificates relating to their Scheme Shares;
- (d) agrees to become a shareholder of Larvotto, to have their name entered in the Larvotto Share Register and accepts the New Larvotto Shares issued to them under this Scheme on the terms and conditions of Larvotto Constitution;
- (e) agrees and acknowledges that the issue of Scheme Consideration in accordance with clause 7.1 constitutes satisfaction of all that person's entitlements under this Scheme;
- (f) acknowledges that this Scheme binds Hammer Metals and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of Hammer Metals; and
- (g) consents to Hammer Metals and Larvotto doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it,

in each case, without the need for any further act by that Scheme Shareholder (or the Sale Agent, as applicable).

7.7 Unclaimed monies

- (a) Larvotto may cancel a cheque issued under this clause 7 if the cheque:
 - (i) is returned to Larvotto; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Hammer Metals or Larvotto (or the Hammer Metals Registry or Larvotto's share registry) (which request may not be made until the date which is 10 Business Days after the Implementation Date), Larvotto must reissue or procure the reissuance of a cheque that was previously cancelled under clause 7.7(a).
- (c) The *Unclaimed Monies Act 1990* (WA) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of that Act).
- (d) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of Hammer Metals.

7.8 Ineligible Foreign Shareholders and Non electing Small Shareholders

- (a) Subject to obtaining relevant ASIC relief, if, and to the extent, required, Larvotto will allow Small Shareholders to elect, by providing a duly completed Opt out Notice to Hammer Metals by no later than 5:00pm on the date that is two Business Days after the Record Date

(Election Time) to opt-out of the Sale Facility and receive the Scheme Consideration in accordance with the Scheme.

- (b) Small Shareholders who have not provided an Opt Out Notice by the Election Time will be treated as a Non-electing Small Shareholder for the purposes of this clause 7.8.
- (c) Larvotto has no obligation to issue, and will not issue or procure the issue of, any New Larvotto Shares to:

- (i) an Ineligible Foreign Shareholder; or
- (ii) a Non-electing Small Shareholder,

and instead will issue (subject to clause 7.4, 7.5 and 7.10) the New Larvotto Shares that would otherwise have been issued to, or for the benefit of, the Ineligible Foreign Shareholder or the Non-electing Small Shareholder (**Relevant Larvotto Shares**) to the Sale Agent.

- (d) Larvotto will procure that, as soon as reasonably practicable and in any event not more than 10 Business Days after the Implementation Date, the Sale Agent:
- (i) in consultation with Larvotto, sells or procures the sale of all of the Relevant Larvotto Shares on the financial market conducted by ASX in such manner, at such price and on such terms as the Sale Agent determines in good faith (and at the risk of the Ineligible Foreign Shareholders and Non-electing Small Shareholders); and
- (ii) remits, or procures to be remitted, to Larvotto the proceeds of sale under clause 7.8(d)(i) (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges) in dollars as soon as reasonably practicable and, in any event, within five Business Days of receipt.
- (e) Larvotto must promptly, and in any event within 10 Business Days, after the last sale of Relevant Larvotto Shares in accordance with clause 7.8(d) pay, or procure the payment, to each Ineligible Foreign Shareholder and Non-electing Small Shareholder the amount calculated in accordance with the following formula and rounded down to the nearest cent:

$$A = (B \div C) \times D$$

Where:

- A is the amount to be paid to the Ineligible Foreign Shareholder or Non-electing Small Shareholder (as applicable).
- B is the number of Relevant Larvotto Shares that would otherwise have been issued to that Ineligible Foreign Shareholder or Non-electing Small Shareholder (as applicable) if they had not been an Ineligible Foreign Shareholder or Non-electing Small Shareholder (as applicable), and which were issued to the Sale Agent for sale in accordance with clause 7.8(d);
- C is the total number of Relevant Larvotto Shares which would have been issued to all Ineligible Foreign Shareholders and Non-electing Small Shareholders, and which were issued to the Sale Agent for sale in accordance with clause 7.8(d); and
- D is the proceeds of sale (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges), being the amount referred to in clause 7.8(d)(ii).
- (f) Each Ineligible Foreign Shareholder and Non-electing Small Shareholder acknowledges and agrees that:

- (i) none of Larvotto, Hammer Metals or the Sale Agent give any assurance as to the price that will be achieved for the sale of the Relevant Larvotto Shares or the amount of proceeds to be received; and
- (ii) Larvotto, Hammer Metals and the Sale Agent each expressly disclaim any fiduciary duty to any Ineligible Foreign Shareholder or Non-electing Small Shareholder which may arise in connection with this clause 7.8.
- (g) Larvotto must pay or procure that each Ineligible Foreign Shareholder and Non-electing Small Shareholder is paid any amounts owing under clause 7.8(e) by either (in the absolute discretion of Larvotto):
- (i) making a deposit in an account with any ADI (as defined in the *Banking Act 1959* (Cth)) in Australia notified by that Ineligible Foreign Shareholder or Non-electing Small Shareholder to Hammer Metals (or the Hammer Metals Registry) and recorded in or for the purposes of the Hammer Metals Share Register at the Record Date; or
- (ii) dispatching, or procuring the dispatch, to that Ineligible Foreign Shareholder or Non-electing Small Shareholder by prepaid post to the Registered Address (as at the Record Date) of that Ineligible Foreign Shareholder or Non-electing Small Shareholder, a cheque in the name of that Ineligible Foreign Shareholder or Non-electing Small Shareholder (in the case of joint holders, the cheque will be drawn in the name of the joint holders and dispatched in accordance with the procedures set out in clause 7.12).
- (h) Each Ineligible Foreign Shareholder and Non-electing Small Shareholder appoints Larvotto, and each director and officer of Larvotto, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) that the Sale Agent is required to provide to the Ineligible Foreign Shareholder or Non-electing Small Shareholder under the Corporations Act or any other applicable law.
- (i) Payment of the relevant amounts calculated in accordance with clause 7.8(e) satisfies in full Larvotto's obligations to the Ineligible Foreign Shareholder or Non-electing Small Shareholder under this Scheme in respect of the Scheme Consideration, and no interest will be payable on any proceeds.

7.9 Other ineligible Scheme Shareholders

Where the issue of New Larvotto Shares to which a Scheme Shareholder (other than an Ineligible Foreign Shareholder or a Non-electing Small Shareholder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) Larvotto will issue the maximum possible number of New Larvotto Shares to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further Scheme Consideration to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under clause 7.8, as if:
- (i) references to Ineligible Foreign Shareholders also included that Scheme Shareholder; and
- (ii) references to Relevant Larvotto Shares also included any of that Scheme Shareholder's New Larvotto Shares that have been issued to the Sale Agent.

7.10 Orders of a Court or Government Agency

- (a) If written notice is given to Hammer Metals (or the Hammer Metals Registry) or Larvotto (or Larvotto's share registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency that:
- (i) requires consideration which would otherwise be provided to a Scheme Shareholder in accordance with this clause 7 to instead be paid or provided to a Government Agency or other third party (either through payment of a sum or the issuance of a security), then Hammer Metals or Larvotto (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Shareholder); or
 - (ii) prevents Scheme Consideration being provided to any particular Scheme Shareholder in accordance with this clause 7, or the payment or provision of such Scheme Consideration is otherwise prohibited by applicable law, Hammer Metals or Larvotto (as applicable) shall be entitled to (as applicable):
 - (A) direct Larvotto not to issue (or procure the issue of), or to issue or provide to a trustee or nominee, such number of New Larvotto Shares as that Scheme Shareholder would otherwise be entitled to under this clause 7; or
 - (B) in the case of an Ineligible Foreign Shareholder or a Non-electing Small Shareholder, retain an amount, in Australian dollars, equal to the relevant Scheme Shareholder's share of the proceeds calculated in accordance with clause 7.8(e),

until such time as payment or provision of the consideration in accordance with this clause 7 is permitted by that order or direction or otherwise by law.

7.11 Shares to rank equally

Larvotto covenants in favour of Hammer Metals (in its own right and on behalf of the Scheme Shareholders) that, subject to this Scheme becoming Effective:

- (a) the New Larvotto Shares will, upon their issue, rank equally in all respects with all other Larvotto Shares then on issue;
- (b) it will do everything reasonably necessary to ensure that the New Larvotto Shares will be quoted on the official list of ASX and commence trading on a normal settlement basis no later than the first Business Day after the Implementation Date;
- (c) the New Larvotto Shares will be duly and validly issued in accordance with applicable laws; and
- (d) on issue, each New Larvotto Share will be fully paid and free from any Security Interest (except for any lien arising under the Larvotto Constitution).

7.12 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any New Larvotto Shares to be issued under this Scheme must be issued and registered in the names of the joint holders and entry in the Larvotto Share Register must take place in the same order as the holders' names appear in the Hammer Metals Share Register;
- (b) any cheque required to be sent under this Scheme must be payable to the joint holders and sent to the holder whose name appears first in the Hammer Metals Share Register on the Record Date; and

- (c) any document required to be sent under this Scheme must be forwarded to either, at the sole discretion of Hammer Metals, the holder whose name appears first in the Hammer Metals Share Register as at the Record Date or to the joint holders.

7.13 Withholding

If Larvotto is required by Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) or any other law to pay an amount to the ATO on behalf of a Scheme Shareholder in respect of the acquisition of Hammer Metals Shares from certain Scheme Shareholders, Larvotto:

- (a) is entitled to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Shareholders (by issuing such lesser number of New Larvotto Shares to the Scheme Shareholders or Sale Agent, as appropriate) and remit those amounts to the ATO;
- (b) will not be obliged to increase the aggregate sum paid to Scheme Shareholders by the amount of the deduction contemplated in clause 7.13(a) and the net aggregate sum payable to those Scheme Shareholders should be taken to be in full and final satisfaction of amounts owing to those Scheme Shareholders; and
- (c) must pay any amount to the ATO in the time permitted by law and, if requested in writing by the relevant Scheme Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder.

8 Dealings in Scheme Shares

8.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Scheme Shares or other alterations to the Hammer Metals Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Hammer Metals Share Register as the holder of the relevant Scheme Shares at the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before 5:00pm (Perth time) on the day which is the Record Date at the place where the Hammer Metals Share Register is kept,

and Hammer Metals must not accept for registration, nor recognise for any purpose any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

8.2 Hammer Metals Share Register

Hammer Metals must register, or cause to be registered, any registrable transmission applications or transfers of Hammer Metals Shares received in accordance with clause 8.1(b) on or before the Record Date, provided that nothing in this clause 8.2 requires Hammer Metals to register a transfer that would result in a Hammer Metals Shareholder holding a parcel of Hammer Metals Shares that is less than a 'marketable parcel' (as that term is defined in the Listing Rules).

8.3 No disposals after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or deal with or purport to deal with any interest in them after the Record Date in any way except as set out in this Scheme and any such disposal, dealing or purported disposal or dealing will be void, of no legal effect whatsoever and Hammer Metals will be entitled to disregard any such disposal, dealing or purported disposal or dealing.

8.4 Maintenance of Hammer Metals Share Register

For the purpose of determining entitlements to the Scheme Consideration, Hammer Metals must maintain the Hammer Metals Share Register in accordance with the provisions of this clause 8 until the Scheme Consideration has been provided to the Scheme Shareholders and Larvotto has been entered in the Hammer Metals Share Register as the holder of all the Scheme Shares. The Hammer Metals Share Register in this form will solely determine entitlements to the Scheme Consideration.

8.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to Larvotto contemplated in clauses 6.2 and 8.4, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of Larvotto and its successors in title). After the Record Date, each entry current on the Hammer Metals Share Register as at the Record Date (other than entries in respect of Larvotto or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Hammer Metals Shares relating to that entry.

8.6 Details of Scheme Shareholders

- (a) Within one Business Day after the Record Date, Hammer Metals must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Hammer Metals Share Register at the Record Date, are available, and provided, to Larvotto in such form as Larvotto reasonably requires.
- (b) Each Scheme Shareholder agrees that the information referred to in this clause 8.6 may be disclosed to Larvotto, its advisers, share registry and other service providers to the extent necessary to effect this Scheme.

8.7 Quotation of Hammer Metals Shares

Hammer Metals must apply to the ASX to suspend trading in the Hammer Metals Shares on the ASX with effect from the close of trading on ASX on the Effective Date, or such other date and time agreed between Hammer Metals and Larvotto.

8.8 Termination of quotation of Hammer Metals Shares

Hammer Metals must apply:

- (a) for termination of the official quotation of Hammer Metals Shares on ASX; and
- (b) to have itself removed from the official list of ASX,

in each case with effect on and from the close of trading on the Business Day immediately following the Implementation Date.

9 Instructions and notification

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Hammer Metals that are binding or deemed binding between the Scheme Shareholder and Hammer Metals relating to Hammer Metals or Hammer Metals Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Hammer Metals Shares; and
- (c) notices or other communications from Hammer Metals (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Larvotto in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to Larvotto and to be a binding instruction, notification or election to, and accepted by, Larvotto until that instruction, notification or election is revoked or amended in writing addressed to Larvotto at its registry.

10 Power of attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder:

- (a) on and from the Effective Date, irrevocably appoints Hammer Metals as its attorney and agent for the purpose of enforcing the Deed Poll against Larvotto; and
- (b) on and from the Effective Date, irrevocably appoints Hammer Metals as its attorney and agent for the purpose of executing any document, or doing or taking any other act, necessary or expedient to give effect to this Scheme and the transactions contemplated by it, including the Share Scheme Transfer on the Implementation Date,

and Hammer Metals accepts such appointment. Hammer Metals as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 10 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

11 Notices

11.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Hammer Metals, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Hammer Metals' registered office or at the office of the Hammer Metals Share Register.

11.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Hammer Metals Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

12 General

12.1 Alterations and conditions

If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act, and those alterations or conditions have been agreed to by each of Hammer Metals and Larvotto:

- (a) Hammer Metals may, with the prior consent of Larvotto, by its counsel or solicitor, consent on behalf of all persons concerned to any such alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Hammer Metals has consented to pursuant to clause 12.1(a).

12.2 Further assurances

- (a) Each Scheme Shareholder and Hammer Metals will execute all documents and do all things necessary or expedient to implement, and perform its obligations under, this Scheme and the transactions contemplated by it.

- (b) Without limiting Hammer Metals' other powers under this Scheme, Hammer Metals has power to do all things that it considers necessary or desirable to give effect to this Scheme and the transactions contemplated by it.

12.3 Consent

Each of the Scheme Shareholders:

- (a) irrevocably consents to Larvotto and Hammer Metals doing all things necessary or expedient for or incidental to the implementation of this Scheme; and
- (b) acknowledges that this Scheme binds Hammer Metals and all Scheme Shareholders (including those who do not attend the Scheme Meeting or do not vote at that meeting or vote against the Scheme at that Scheme Meeting) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of Hammer Metals.

12.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, neither Larvotto nor Hammer Metals, nor any of their respective officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

12.5 Enforcement of Deed Poll

Hammer Metals undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against Larvotto on behalf of and as agent and attorney for the Scheme Shareholders.

12.6 Stamp duty

Larvotto will:

- (a) pay all stamp duty (if any) assessed as being payable on this document and with respect to the acquisition of the Scheme Shares pursuant to this Scheme, and any related fines, penalties and interest; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with clause 12.6(a).

12.7 Scrip for scrip roll-over relief

In the event the Scheme Shareholders are eligible for scrip for scrip roll-over relief, Larvotto acknowledges it has not made, and will not make, a choice to deny roll-over relief to Scheme Shareholders under subsection 124-795(4) of the ITAA 1997.

13 Governing law

13.1 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

13.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address set out in the section of this document headed 'Parties'.
