1.18 Shares issued on the exercise of the Options rank equally with all existing Shares.

Quotation of the Shares Issued on Exercise

1.19 If admitted to the official list of ASX at the time, the Company will apply to ASX for quotation of the Shares issued upon the exercise of the Options.

Adjustment for Rights Issue

1.20 If the Company makes an issue of Shares pro rata to existing Company Shareholders (other than an issue in lieu of or in satisfaction of dividends or by way of dividend reinvestment) the exercise price of an Option will be reduced according to the following formula:

New exercise price = $O - (E[P - (S + D)])$ divided by $N + 1$

O = the old exercise price of the Option.

E = the number of underlying Shares into which one Option is exercisable.

P = the volume weighted average market price per Share of the underlying Shares, calculated over the five (5) trading days ending on the day before the ex rights date or ex entitlements date.

S = the subscription price of a Share under the pro rata issue.

D = the dividend due but not yet paid on the existing underlying Shares (except those to be issued under the pro rata issue).

N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

Adjustment for Bonus Issue of Shares

1.21 If the Company makes a bonus issue of Shares or other securities to existing Company Shareholders (other than an issue in lieu of or in satisfaction, of dividends or by way of dividend reinvestment):

1.21.1 the number of Shares which must be issued on the exercise of an Option will be increased by the number of Shares which the Holder would have received if the Holder had exercised the Option before the record date for the bonus issue; and

1.21.2 no change will be made to the exercise price.

Adjustment for Reorganisation

1.22 If there is any reorganisation of the issued share capital of the Company, including but not limited to a reorganisation arising from:

1.22.1 a reduction, subdivision or consolidation of share capital;

1.22.2 a reorganisation of share capital;

1.22.3 a distribution of assets in specie; or

1.22.4 any issue of ordinary shares or other equity securities or instruments which convert into ordinary shares by way of capitalisation of profits or reserves,

the terms of Options and the rights of the Holder who holds such Options will be varied, including an adjustment to the number of Options and/or the Exercise Price (if any) applicable to Options, in accordance with the Listing Rules that apply to the reorganisation at the time of the reorganisation.

Adjustment for BIT and ECT proceeds

1.23 Subject to the Listing Rules and the Corporations Act, if the Company undertakes a return of capital or special dividend to Company Shareholders (which may be undertaken in one or more tranches) following the receipt of proceeds from the international arbitration claims against the Republic of Poland under the Bilateral Investment Treaty (**BIT**) and/or the Energy Charter Treaty (**ECT**), the exercise price applicable to the Options held by the Holder will be reduced to such exercise price as is appropriate to reflect the decrease in the value per Share attributable to the value of the relevant return of capital or special dividend applicable to each Share provided that the Holder does not receive a benefit in relation to the Options that Company Shareholders do not receive.

Participant in New Issues and Other Rights

1.24 A Holder is not entitled to:

1.24.1 notice of, or to vote or attend at, a meeting of Company Shareholders;

1.24.2 receive any dividends declared by the Company;

1.24.3 any right to a return of capital, whether in winding up of the Company, upon a reduction of capital in the Company or otherwise;

1.24.4 participate in any new issues of securities offered to holders of fully paid ordinary shares in the Company (**Company Shareholders**) during the term of the Options; or

1.24.5 cash for the Options or any right to participate in surplus assets or profits of the Company on winding up,

unless and until the Options are exercised and the Holder holds Shares.

Change of Control

- 1.25 For the purposes of these terms and conditions, a "Change of Control Event" occurs if:
- 1.25.1 the Company announces that its Company Shareholders have at a Court convened meeting of Company Shareholders voted in favour, by the necessary majority, of a proposed scheme of arrangement (excluding a merger by way of scheme of arrangement for the purposes of a corporate restructure (including change of domicile, or any reconstruction, consolidation, sub-division, reduction or return) of the issued capital of the Company) and the Court, by order, approves the scheme of arrangement;
 - 1.25.2 a takeover bid (as defined under section 9 of the Corporations Act):
 - 1.25.2.1 is announced;
 - 1.25.2.2 has become unconditional; and
 - 1.25.2.3 the person making the Takeover Bid has a relevant interest (as defined under section 9 of the Corporations Act, **Relevant Interest**) in fifty percent (50%) or more of the issued Shares;
 - 1.25.3 any person acquires a Relevant Interest in fifty and one-tenth percent (50.1%) or more of the issued Shares by any other means; or
 - 1.25.4 the announcement by the Company that a sale or transfer (in one transaction or a series of related transactions) of the whole or substantially the whole of the undertaking and business of the Company has been completed.

- 1.26 Where a Change of Control Event has (i) occurred or (ii) been announced by the Company and, in the opinion of the board of the Company, will or is likely to occur:
- 1.26.1 a Holder may exercise any or all of their Options, regardless of whether the Vesting Conditions have been satisfied, provided that no Option will be capable of exercise later than the Expiry Date; and
 - 1.26.2 if the board of the Company has procured an offer for all holders of Options on like terms (having regard to the nature and value of the Options) to the terms proposed under the Change in Control Event and the board of the Company has specified (in its absolute discretion) a period during which the holders of Options may elect to accept the offer and, if the holder has not so elected at the end of that offer period, the Options, if not exercised within 10 days of the end of that offer period, shall expire.

Quotation

- 1.27 The Company will not seek official quotation of any Options.

No Transfer of Options

- 1.28 Options may not be assigned, transferred, encumbered with a security interest in or over them, or otherwise disposed of by a Holder, unless:
- 1.28.1 the prior consent of the board of the Company is obtained, which consent may impose such terms and conditions on such assignment, transfer, encumbrance with a security interest or disposal as the board of the Company sees fit; or
 - 1.28.2 such assignment or transfer occurs by force of law upon the death or total and permanent disablement of a Holder to the Holder's legal personal representative.

Amendments to Options

- 1.29 Subject to the Listing Rules, the Board has the discretion to amend the terms and conditions of granted Options, including amending or reducing the exercise price, amending or waiving vesting or performance conditions or amending or extending the expiry date or period for exercise, or increasing the number of Shares received on exercise of the Options. The Board may exercise this discretion in circumstances where the Board has determined to change the strategic objectives of

the Company and considered that it is justified in amending the terms of the Options to continue to incentive the Holder.

- 1.30 An amendment to the terms and conditions of Options cannot be made if it materially reduces the rights of the holder other than where required to comply with law, to correct an error, allow implementation of a trust arrangement, to address possible adverse tax implication or otherwise with the agreement of the Holder.
