## 2.2 Interpretation

Concepts not defined in this document but which have a meaning in the Corporations Act or the Listing Rules have that same meaning in this document.

## 3 SECURITIES COVERED BY THIS POLICY

### 3.1 Company Securities

This Policy applies to all Securities issued by the Company.

### 3.2 Other companies

This Policy also applies to the Securities of other companies:

- (a) in relation to the prohibition on Insider Trading (see paragraph 4);
- (b) which are either a joint venture partner of the Company or for which the Company has made (or is planning to make) a takeover offer; or
- (c) under paragraph 3.3.

### 3.3 Trading in other companies' Securities

- (a) Trading by AI-Media Personnel in the Securities of other companies in which the Company has a substantial interest (5% or more) is subject to this Policy.
- (b) This Policy does not affect the operation of the law, in particular the prohibition against Insider Trading, applying to any person if they had Inside Information concerning another company.
- (c) AI-Media Personnel may come into possession of Inside Information regarding another company while conducting the business of the Company (for example, where they are directly involved in client relationship management or negotiating contracts). AI-Media Personnel must not Trade in the Securities in another company if they are aware of Inside Information in relation to that company, no matter how they came into possession of the Inside Information.

### 3.4 Margin loans by AI-Media Personnel

- (a) AI-Media Personnel must obtain the Board's approval before entering into a margin loan or similar arrangements concerning the Company's Securities, or transferring Company Securities into an existing margin loan account.
- (b) Where AI-Media Personnel have entered into margin loan or similar funding arrangements for a material number of Securities, the Company may need to disclose the key terms of the arrangements, including the number of Securities involved, the trigger points, the right of the lender to sell unilaterally and any other material details.

- (c) Whether a margin loan arrangement is material under the Listing Rules is a matter which the Company must decide having regard to the nature of its operations and its particular circumstances.

### **3.5 Trading in financial products issued over Company Securities by third parties**

- (a) AI-Media Personnel must not Trade at any time in financial products such as derivatives, options, warrants, futures, forward contracts, swaps, contracts for difference or other financial products issued or created over or associated with Company Securities by third parties such as banks and other institutions except as permitted under paragraph 3.6 of this policy.
- (b) An exception applies where Company Securities form a component of a listed portfolio or index product.

### **3.6 Hedging of Company Securities**

Under this Policy, hedging of Company Securities by AI-Media Personnel is subject to the following rules:

- (a) the hedge transaction must not be entered into, renewed, altered or closed out when the AI-Media Personnel member is in possession of Inside Information;
- (b) Company Securities acquired under an employee, executive or director equity plan operated by the Company must never be hedged prior to vesting;
- (c) Company Securities must never be hedged while they are subject to a holding lock or restriction on Trading under the terms of an employee, executive or director equity plan operated by the Company; and
- (d) AI-Media Personnel are permitted to hedge their vested and unrestricted Company Securities provided that the hedge transaction is treated as a Trade in Company Securities for the purposes of this Policy, and the relevant approvals and notifications required under this Policy are made on that basis.

## **4 INSIDER TRADING**

### **4.1 Prohibited conduct**

If a person has Inside Information in relation to a company and knows, or ought reasonably to know, that the information is Inside Information, that person must not:

- (a) Trade in that company's Securities;
- (b) procure another person to Trade in that company's Securities;
- (c) communicate the information, directly or indirectly, to another person who the person knows, or ought reasonably to know, is likely to Trade in those Securities or procure another person to Trade in those Securities.

These restrictions apply to all Securities, not just the Company's Securities.

### **4.2 Consequences of Insider Trading**

- (a) Insider Trading is a criminal offence.
- (b) Persons Trading with Inside Information risk prosecution, punishable by substantial fines or imprisonment or both, under the Corporations Act.
- (c) The Company may also be liable if AI-Media Personnel engage in Insider Trading.

- (d) Insider Trading is subject to the civil penalty provisions under the Corporations Act which empower a court to impose substantial pecuniary penalties, order payment of compensation to persons who suffer loss or damage as a result of the Insider Trading and make a disqualification order.
- (e) The Corporations Act applies to Securities in the Company even if you aren't based in Australia, by virtue of the Company being an Australian company.
- (f) In addition to any consequence under the Corporations Act, Insider Trading breaches this Policy. Breaches will be treated seriously by the Company and may attract disciplinary action, including termination of engagement for any AI-Media Personnel involved.

### 4.3 Prohibition

Insider Trading is prohibited at all times and applies to Securities of other entities other than the Company or its subsidiaries if you possess Inside Information about those entities.

The Company may notify AI-Media Personnel that they must not Trade in Securities (either for a specified period, or until the Company gives further notice). The Company may do this when it considers there is a high risk that such persons may be in possession of Inside Information.

### 4.4 What is Inside Information

- (a) Inside Information is information that:
  - (i) is not generally available; and
  - (ii) if it were generally available:
    - (A) a reasonable person would expect it to have a material effect (upwards or downwards) on the price or value of the Securities in question; or
    - (B) would, or would be likely to, influence persons who commonly invest in Securities in deciding whether to acquire or dispose of the Securities in question.
- (b) Information is **generally available** if it:
  - (i) consists of readily observable matters or deductions;
  - (ii) has been made known in a manner likely to bring it to the attention of persons who commonly invest in Securities of the relevant type and a reasonable period for that information to be disseminated has elapsed since it was made known - for example if it has been released to the ASX or published in an annual report, prospectus or similar document and a reasonable time has elapsed; or
  - (iii) consists of deductions, conclusions or inferences made or drawn from information falling under paragraphs 4.4(b)(i) or 4.4(b)(ii).
- (c) Examples of **readily observable** matters are:
  - (i) a change in legislation which will affect the Company's ability to make certain types of investments; or
  - (ii) a severe downturn in global securities markets.

- (d) Inside Information may include matters of supposition, matters that are not yet certain and matters relating to a person's intentions.
- (e) Some examples which may constitute Inside Information include:
  - (i) the financial performance of the Company against its budget or against investor and analyst expectations;
  - (ii) an undisclosed significant change in the Company's market share;
  - (iii) changes in the capital structure of the Company, including proposals to raise additional equity or increase debt;
  - (iv) material acquisitions or sales of assets by the Company;
  - (v) major new initiatives or proposed changes in the nature of the business of the Company;
  - (vi) changes to the Board or significant changes in the senior executive team;
  - (vii) likely or actual entry into, or loss of, a material contract;
  - (viii) a proposed dividend or other distribution or a change in dividend policy; or
  - (ix) a material claim against the Company or other unexpected liability.
- (f) It does not matter how or in what capacity a person becomes aware of the Inside Information. Information does not have to be obtained from the Company to constitute Inside Information.

#### 4.5 The Front Page Test

- (a) It is important that public confidence in the Company is maintained. It would be damaging to the Company's reputation if the market or the general public perceived that AI-Media Personnel might be taking advantage of their position in the Company to make financial gains (by Trading in Securities on the basis of Inside Information).
- (b) As a guiding principle, AI-Media Personnel should ask themselves:

*If the market was aware of all the current circumstances, could I be perceived to be taking advantage of my position in an inappropriate way? How would it look if the transaction were reported on the front page of the newspaper?*

This is referred to as the **Front Page Test**.

- (c) Where any approval is required for a Trade under this Policy, approval will not be granted where the Trade would not satisfy the Front Page Test.

## 5 SECURITIES TRADING

### 5.1 Prohibited Trading

AI-Media Personnel must not Trade:

- (a) if they have Inside Information;
- (b) during a Blackout Period (unless it is an Excluded Trade or an Authorised Trade); or
- (c) for short term or speculative gain.

## 5.2 Permitted Trading by AI-Media Personnel

- (a) AI-Media Personnel may not Trade at any time, including outside of a Blackout Period, unless they obtain prior written approval from:

AI-Media Personnel	Clearance Officer
Chair of the Board	Chair of the Audit & Risk Committee
Directors (including the CEO)	Chair of the Board
All other AI-Media Personnel (including senior management)	Company Secretary

- (b) Approval will only be granted for Trades proposed to be made:

- (i) outside of a Blackout Period; or
- (ii) in the exceptional circumstances set out in paragraph 5.4 below (to the extent applicable).

- (c) There are certain times during the year when approval under this Policy is more likely to be granted. These are the periods commencing on:

- (i) the day after release of the Company's full-year results;
- (ii) the day after release of the Company's half-year results;
- (iii) the day after the Company's annual general meeting; and
- (iv) any period that the Company has a current prospectus or other form of disclosure document on issue under which persons may subscribe for Securities.

AI-Media Personnel who wish to seek approval to Trade under this Policy are encouraged to do so during these periods.

- (d) To obtain approval, AI-Media Personnel must send an email to the relevant Clearance Officer, in all cases copying the Company Secretary (where the Company Secretary is not the relevant Clearance Officer) setting out the details of the potential Trade and whether it will occur outside of a Blackout Period or whether exceptional circumstances justify the Trade.
- (e) The Clearance Officer will notify the relevant AI-Media Personnel whether the request has been granted by return email, and may impose conditions on the Trade in their discretion.
- (f) If granted, the approval will last for 7 days from the day the approval was granted, or such other time specified in the approval, after which point the approval is no longer effective and fresh approval must be sought.
- (g) Approval under this Policy is not an endorsement of the Trade. Personnel are responsible for their own compliance with the law.

## 5.3 Excluded Trading

Subject to any requirements of applicable law, this Policy does not apply to:

- (a) transfers of Securities already held by AI-Media Personnel into a superannuation fund or other saving scheme in which the AI-Media Personnel member is a beneficiary;

For personal use only

- (b) where AI-Media Personnel are a trustee, Trading by that trustee provided that AI-Media Personnel member is not a beneficiary of the trust and any decision to Trade during a Blackout Period is taken by the other trustees or by the investment managers independently of that AI-Media Personnel member;
- (c) undertakings to accept, or the acceptance of, a takeover offer;
- (d) Trading under an offer or invitation made to all or most of the Security Holders, such as a pro-rata rights issue, a security purchase plan, a dividend or distribution reinvestment plan and an equal access buy-back, where the plan that determines the timing and structure of the offer has been approved by the Board (which includes decisions relating to whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro-rata issue);
- (e) disposals by a secured lender exercising their rights, for example, under an approved margin lending arrangement;
- (f) the grant or exercise (but not the sale of Securities following exercise) of an option or a right under an employee incentive scheme, or the conversion of a convertible security, where the final date for the exercise of the option or right, or the conversion of the security, falls during a Blackout Period;
- (g) Trading under a non-discretionary trading plan for which prior written approval has been provided in accordance with this Policy provided the AI-Media Personnel did not enter into the plan or amend the plan during a Blackout Period and the trading plan does not permit the AI-Media Personnel member:
- (i) to exercise any influence or discretion over how, when, or whether to Trade; or
  - (ii) to cancel the trading plan or cancel or otherwise vary the terms of their participation in the trading plan during a Blackout Period other than in exceptional circumstances;
- (h) Trading by a fund or other scheme (other than a scheme only investing in Company Securities) with whom AI-Media Personnel are associated, where the assets of the fund or scheme are invested at the discretion of a third party and the AI-Media Personnel member excludes themselves from the decision-making process of such Trading (either regularly or in respect of any Trades in Company Securities); and
- (i) Trading under a buy or sell order which is placed but not completed outside of a Blackout Period, provided that, once the Blackout Period commences:
- (i) the order must be completed within three business days otherwise it will lapse; and
  - (ii) the order cannot be varied.

However, given such Trades **remain subject to the Insider Trading rules** in the Corporations Act, AI-Media Personnel should still consider any legal or reputational issues (and discuss any concerns they have with the Company Secretary) before proceeding with the Trade.

## 5.4 Exceptional circumstances

- (a) Written approval for exceptional circumstances referred to in paragraph 5.2 will only be granted if:
- (i) the Trade is not, or would not be:
    - (A) contrary to law;
    - (B) for short term or speculative gain;

- (C) to take advantage of Inside Information; or
  - (D) seen by the public, press, other Security Holders or ASX, as unfair; and
- (ii) the relevant Clearance Officer is satisfied that exceptional circumstances exist justifying the exercise of the discretion to approve the Trade.
- (b) Exceptional circumstances may include:
    - (i) Severe financial hardship caused by a pressing financial commitment that cannot reasonably be satisfied otherwise than in Trading in the Company's securities;
    - (ii) The need to comply with a court order, court enforceable undertaking or bona fide family settlement;
    - (iii) The need to fund a tax liability arising from the vesting or exercise of securities under an employee incentive plan, where liability cannot reasonably be satisfied by other means.
  - (c) Any written approval must state the period for which the authority for Trading is given.
  - (d) Despite any authority given under this Policy, the responsibility for Trading rests with the individual AI-Media Personnel member.

## 5.5 Guidance for written approval

A person authorised to provide written approval under this Policy must only provide such approval in accordance with the law and in a responsible and sensible manner having regard to the purpose of this Policy and having regard to desirable protocols to be followed to prevent Trading inside Blackout Periods (except in exceptional circumstances) and protocols regarding Inside Information or the public perception that Insider Trading may have occurred by reason of this Policy not being adhered to.

## 5.6 Trading by Directors

- (a) Each Director must notify the Company Secretary of any Trading by that Director immediately and, in any event, no later than two business days after the transaction so as to facilitate the timely lodgement with ASX of an Appendix 3Y or other prescribed form notifying ASX of the initial acquisition, change in or cessation of Directors' interests as required by the Listing Rules.
- (b) Each Director's disclosure obligations in relation to their notifiable interests are set out in a director's disclosure deed (required by Listing Rule 3.19B).

## 5.7 Informing the Company of Trades

- (a) Each AI-Media Personnel member must notify the Company Secretary of the details of completed transactions immediately, and in any event, within 2 business days after each transaction.
- (b) The Company Secretary must maintain a register of Securities transactions under this Policy.

## 6 PERSONS COVERED BY THIS POLICY

### 6.1 AI-Media Personnel

This Policy applies to all AI-Media Personnel.

## 6.2 Families and trusts

If AI-Media Personnel are prohibited from Trading under this Policy, that AI-Media Personnel member must use their best endeavours to prohibit any Trading by:

- (a) any related party, including:
  - (i) family members who may be expected to influence, or be influenced by, the AI-Media Personnel member in their dealings with the Company or Company Securities (this may include the AI-Media Personnel member's spouse, partner and children, the children of the AI-Media Personnel member's partner, or dependants of the AI-Media Personnel member or the AI-Media Personnel member's partner); and
  - (ii) a company or any other entity which the AI-Media Personnel has an ability to control; or
- (b) any investment manager on their behalf or on behalf of a related party.

## 6.3 Trustees

An AI-Media Personnel who is a trustee of a deceased estate should inform any co-trustees or trust beneficiaries of their relationship with the Company and the restrictions on their ability to give advice in respect of Securities covered by this Policy.

## 6.4 All other persons

For the avoidance of doubt, paragraph 4 of this Policy applies to all AI-Media Personnel and any other person who has access to Inside Information at any time.

## 7 AWARENESS AND TRAINING

The highest standards of corporate conduct are critical to the Company's reputation. The Company Secretary will instigate induction and on-going training, and set up appropriate processes, to promote compliance with this Policy. A copy of this Policy will be available on the Company's website. It will be distributed to all AI-Media Personnel and made available to all AI-Media Personnel and other persons as relevant.

## 8 CONTACT

AI-Media Personnel should contact the Company Secretary if they are unsure about whether it is acceptable to Trade or communicate with others in relation to the Company's Securities or other Securities or if they have any other queries about this Policy.

You may wish to seek your own professional legal advice before Trading in the Company's Securities.
