Response to media commentary

WiseTech Global Limited (WiseTech or the Company) notes media commentary yesterday alleging an investigation into Richard White, reported to relate to a visa application.

The media reports that the alleged investigation relates to Richard White in a personal capacity. There is no suggestion in this media commentary of an investigation into WiseTech.

The Company is not aware of any investigation as outlined in the article. The Executive Chair has provided assurance to the Board that he is not aware of any such investigation and also confirmed that he emphatically and unequivocally denies any involvement in or with human trafficking.

The Company will keep the market updated in accordance with its continuous disclosure obligations.

About WiseTech Global

WiseTech Global is a leading developer and provider of innovative software solutions for the logistics, global trade and supply chain industries worldwide. Serving more than 22,000¹ logistics companies and other industry participants across 193 countries — including 46 of the top 50 global third-party logistics providers and 23 of the 25 largest global freight forwarders worldwide² — WiseTech delivers technology that drives productivity and integration across the supply chain. With the acquisition of e2open, WiseTech has expanded its network to encompass over 500,000 connected enterprises across manufacturing, logistics, channels and distribution, further strengthening its platforms and connectivity across the industry. With the vision to be the operating system for global trade and logistics, WiseTech is creating a multi-sided marketplace connecting carriers, logistics providers, importers, exporters and shippers.

We are relentless about innovation, adding over 6,300 product enhancements to our global CargoWise platform in the last five years³, bringing meaningful continual improvement to the world's supply chains. Our breakthrough software solutions are renowned for their powerful productivity, extensive functionality, comprehensive integration, deep compliance capabilities, and global reach.
