Dulles Greenway Litigation Update

Atlas Arteria (ASX:ALX) notes that Toll Road Investors Partnership II, L.P (TRIP II), has received notification that the US District Court for the Eastern District of Virginia entered an order granting the defendants' motion to dismiss with respect to the 2024 Dulles Greenway rate case federal litigation.

TRIP II is reviewing the decision and considering whether to appeal.

The Court's decision follows positive legislative reforms enacted earlier this year that streamlined the regulatory process by allowing up to two-year toll applications and establishing defined timelines for SCC decisions. The reforms provide greater certainty and alleviate costs burdens on all stakeholders associated with the rate case filings.

Atlas Arteria continues to pursue options that create shared value and continues to engage constructively with the Commonwealth of Virginia, local governments and the community. This approach reflects strategic commitment to both the Commonwealth of Virginia and securityholders through building and sustaining strong partnerships.

TRIP II submitted its most recent rate case in December 2025. This process continues to progress in line with the expected schedule.
