

UPSIZE OF PLACEMENT

Excite Technology Services Limited (Excite or the Company) (ASX: EXT) is pleased to announce it has received further firm commitments to raise an additional \$240,000 before costs under the placement to existing and new unrelated sophisticated and professional investors of fully paid ordinary shares (**Placement Shares**) at an issue price of \$0.006 (0.6 cents) per Placement Share.

Accordingly, the total to be raised under the placement is now \$3.5 million before costs (increased from \$3.26 million before costs). Further details of the placement are set out in the announcement released to ASX on 3 July 2026.

Every two Placement Shares are to be accompanied by one free-attaching unlisted options (each with an exercise price of \$0.01 (1 cent), expiring 36 months from issue and which, upon exercise, entitle the holder to one fully paid ordinary share) (**Placement Options**).

Except as set out in this announcement (being the upside of the placement amount), the terms of the placement have not changed from those announced to ASX on 3 July 2026.

40,088,999 Placement Shares are to be issued pursuant to the upside. 29,734,858 are to be issued under the placement capacity available to the Company under Listing Rule 7.1 (13,598,490) and Listing Rule 7.1A (16,136,368). The remaining additional new Placement Shares and all Placement Options are to be issued subject to shareholder approval which is to be sought at the Company's upcoming annual general meeting.

An updated Appendix 3B containing further details of the placement has been released to ASX in conjunction with, and at or about the same time as, this announcement.

This announcement has been authorised by the Board.
