

## ASX ANNOUNCEMENT

13 July 2026

### Klevo Successfully Completes Stablecoin Platform Trial

Klevo Rewards Limited (ASX: KLV) ("Klevo" or "the Company") is pleased to announce the successful completion of a 14-day commercial trial of its stablecoin transaction platform.

During the trial period, the platform processed and generated approximately **USD \$1.22 million in gross revenue** for the Company.

The successful trial demonstrated the platform's ability to process significant transaction volumes and provides commercial validation of Klevo's stablecoin-based payment and financial services capability.

Following the completion of the trial, the Company is now working with its commercial and technology partners to finalise the operational, compliance and technical requirements for a broader commercial rollout.

This announcement is authorised for release by the Board of Directors of the Company.

**About Klevo Rewards Limited** (ASX: KLV) is an Australian rewards, loyalty and payments technology company delivering customised, subscription-based marketplace solutions for corporate clients, members, and consumers.

Following the acquisition and integration of Fly Wallet, Klevo has strengthened its technology capability and expanded its offering to include white-labelled Mastercard-powered loyalty and rewards solutions, digital wallet infrastructure, card-linked rewards, customer engagement programs, and digital marketing services.

Klevo's platform is designed to help corporates, financial services providers and consumer brands deliver more meaningful customer and employee engagement through tailored rewards, payment-linked benefits, loyalty marketplaces, and data-driven promotional campaigns. The Company continues to focus on building scalable technology, strengthening governance and compliance capability, and expanding its commercial partnerships across the rewards, loyalty, and payments ecosystem.
