Dear Sir / Madam

Request for Voluntary Suspension

Triangle Energy (Global) Limited (**Triangle Energy / Company**) requests a voluntary suspension in its ordinary shares (ASX Code: TEG), to apply from the commencement of trading today, 16 July 2026.

In accordance with ASX Listing Rule 17.2, Triangle Energy provides the following information in support of its request:

- (a) the voluntary suspension is necessary as the Company is not yet in a position to provide an update on the binding transaction with Pilot Energy Ltd (ASX:PGY) (**Pilot Energy**) regarding the sale of the Cliff Head project (**Announcement**), noting that Pilot Energy entered into voluntary administration on 14 July 2026 and the Company is seeking advice as to its position as the seller of the Cliff Head Project and as secured creditor over Pilot Energy;
- (b) Triangle Energy requests that the Voluntary Suspension will remain in place until the earlier of:
 - (i) the commencement of trading on 21 July 2026; or
 - (ii) when the Company makes the Announcement;
- (c) Triangle Energy considers that lifting the voluntary suspension ahead of an announcement would risk the market trading on an uninformed basis;
- (d) The Company is not aware of any reason why the voluntary suspension should not be granted, nor is it aware of any other information available at this stage that is necessary to inform the market about the voluntary suspension.

Please do not hesitate to contact the undersigned should you have any queries.

Yours faithfully

Geraldine Holland
Joint Company Secretary
For and on behalf of the Board of Directors of
