

Appeal of decision regarding historical MRL landfill levies

Cleanaway Waste Management Limited (Cleanaway or the Company) (ASX: CWY) has lodged an appeal of the decision of the Victorian Supreme Court regarding the historical underpayment of landfill levy at Melbourne Regional Landfill for FY18.

The landfill levy underpayment amount for FY18 is \$6.9 million. The EPA has also undertaken audits for FY19 and FY22 and has claimed underpayments relating to similar products of \$4.7 million and \$7.2 million respectively. However, the FY19 and FY22 amounts were not the subject of the Supreme Court proceedings. These amounts are before costs and interest.

Further detail regarding these proceedings is set out in Note 33 to Cleanaway's FY25 Financial Report.

Notwithstanding the appeal, Cleanaway intends to take a \$27.5 million provision for the relevant FY18, FY19 and FY22 levies and assessed costs and accrued interest, which it will treat as an underlying adjustment.

The cash flow impact for FY27 is expected to be approximately \$12.3m representing payment of the disputed FY18 levy amount and associated costs and interest.

This announcement has been authorised for release by the Chair of Cleanaway.
