About APA Group (APA)

APA is a leading Australian Securities Exchange (ASX) listed energy infrastructure business. As Australia's energy infrastructure partner, we own and operate a portfolio of more than \$20 billion of assets. This includes gas transmission, processing, compression and storage assets. Through our gas powered and renewable assets we generate electricity that powers our communities. We also own and operate battery storage and electricity transmission infrastructure. Consistent with our purpose of securing Australia's energy future, APA delivers around half of the nation's domestic gas through more than 15,000 kilometres of gas pipelines that we own, operate and maintain. APA Infrastructure Limited is a wholly owned subsidiary of APA Infrastructure Trust and is the borrowing entity of APA Group. For more information visit APA's website: apa.com.au.
