23 July 2026

Multistack International Limited: MSI (the Company)
Quarter Activity Report – April to June 2026 Quarter

Activities during the Quarter

During the quarter, the Company's activities were primarily its principal business activities being the sale, marketing and distribution of Multistack water-cooled and air-cooled water chillers. Sale revenue during the second quarter of 2026 included sales of some spare parts only.

On 24 June 2026 at the Extraordinary General Meeting, shareholders approved the disposal of the Company's main undertaking.

On 1 July 2026, the Company announced that it has completed the disposal of its main undertaking, and it has cash reserves to support its ongoing corporate, statutory and ASX compliance obligations.

The Company is currently investigating various business opportunities, meanwhile, the entity will continue to be prudently operated as a going concern. MSI will continue to comply with all its ASX and other reporting requirements.

Summary of cash position and expenditure during the quarter

The Company held cash and cash equivalents at the end of the quarter of \$361,406. Quarterly operating expenditure during the quarter was \$226,290, of which \$62,845 was relating to administration and corporate related costs and \$163,445 was net cash used in discontinued operations.
