Atomos response to media reporting

Melbourne, Australia - Atomos Limited ('ASX:AMS', 'Atomos' or the 'Company') notes media reporting on 23 July 2026, including in the Australian Financial Review, regarding legal proceedings commenced in the Federal Court of Australia by the Company's Managing Director and CEO, Mr Peter Barber, in his personal capacity, against Blackmagic Design Pty Ltd, concerning his personal shareholding in that company.

The proceedings are a private matter for Mr Barber and do not involve Atomos. They have no impact on Atomos, its operations, strategy, financial position or governance, and no impact on Mr Barber's ability to perform his duties as Managing Director and CEO.

Atomos Chairman, James Joughin, said: *"This is a private matter and has no impact on Atomos or Peter's ability to perform his duties. Peter is a highly accomplished CEO who has transformed Atomos, and we have every confidence that the Atomos business will continue to thrive under his leadership."*

Atomos does not intend to comment further on the proceedings.

This announcement has been authorised for lodgement with ASX by the Board of Directors.

--ENDS--

About Atomos

ATOMOS designs pioneering products that transform the way film and video content is made around the world. From our range of hardware devices for monitoring and recording, easy-to-use software tools, and intelligent cloud services, we engineer best-in-class technologies and create products for the next generation of filmmakers.

Through relentless innovation, we simplify your workflow. Whether you record cinema-quality footage, monitor a scene with crystal clear colour accuracy, switch between multiple cameras, or stream a live event with a portable studio, ATOMOS empowers anyone to realize the best possible version of their creative potential.

ATOMOS is based in Melbourne, Australia, with a distributed worldwide team and offices in the USA, Japan, China, UK, and Germany and has a worldwide distribution partner network.
