SFG ASX Announcement No: 812

June 2026 QUARTERLY ACTIVITIES REPORT

Seafarms Group Limited (ASX:SFG) (**SFG or Company**) is pleased to release the Company's Quarterly Activity Report and Appendix 4C (Quarterly Cash Flow Report) for the quarter ended 30 June 2026.

Business Activities

Project Sea Dragon Shrimp

Seafarms Group Limited (Seafarms or the Company), through its wholly owned subsidiary Sea Dragon Shrimp Pty Limited (SDS or the Project) continues to finalise the transfer of all licenses and approvals from the liquidator to SDS.

As reported in the previous quarter the determination of the ownership of an amount of \$1.4 million held by the Liquidator continues to be the remaining item required to finalise the liquidation of Project Sea Dragon Pty Ltd (In Liquidation) (PSD). A Federal court hearing to resolve this matter took place in August 2025 and the parties continue to await the judgment. While it is expected that the matter will be resolved in favour of the Company, if the liquidators are successful then those funds will form the cash assets of PSD to be distributed to creditors net of any final costs of the liquidation. As Seafarms is the largest creditor of PSD it will receive the majority of those funds in any event.

As previously advised to the ASX, the Company continues to actively engage with several potential funders with the aim of securing project financing and a Final Investment Decision.

Seafarms Queensland

The Black Tiger crop was completed in the June with total production for the crop of 242 tonnes. The majority of this harvest was processed as raw frozen product for export sale with the balance cooked for domestic sales.

Sales revenue for the quarter was \$1.6 million comprised wholly of export sales.

The Exmouth hatchery operations continue to advance the breeding program and the hatchery operations at Innisfail are setting up for PL production in the September quarter for own use and commercial sales.

Financing

The Company continues to be supported by Avatar Finance as it seeks to secure funding for the Project. The Company is also exploring a number of options to fund the operations of the business until such time as SDS is successfully funded including the sale of certain assets and further borrowing. The Company also expects to receive a distribution from the finalisation of the liquidation of Project Sea Dragon Pty Limited (in liquidation).

This Quarterly Cash Flow Report has been authorised for release by the Company's Board of Directors.

ENDS.
