

ASX Announcement

BMA Contract Extension

07 August 2026, RocketDNA Ltd (ASX: RKT) (RocketDNA or the Company) has received purchase orders totalling approximately \$1 million from BHP Mitsubishi Alliance (BMA) to extend its current on-site drone operations across BMA's Bowen Basin coal mines for a minimum of three months to October 2026.

The purchase orders continue existing operations at a rate broadly consistent with the current arrangement, as announced on [29 September 2025](#) and [27 October 2025](#).

The program remains one of the largest continuous autonomous drone deployments operating in Australia, as detailed in the Company's [case study](#), and continues to operate RocketDNA's xBot® fleet supported by Skylink® and SiteTube® software.
