About FDC Construction & Fitout

FDC is an Australian construction and building services contractor founded in 1990.

Employing more than 720 people, the Group delivers major construction and fitout and refurbishment projects across Australia, primarily in the non-residential building market.

FDC's Construction discipline delivers new-build and major development projects across sectors including industrial and manufacturing, logistics, commercial, data centres, education, government, accommodation and community infrastructure.

FDC's Fitout and Refurbishment discipline delivers interior fitout, refurbishment, adaptive re-use and heritage projects across sectors including commercial, health, education and cultural facilities.

FDC's approach is relationship-led and underpinned by its distinct culture that supports its operating ethos, Made Personal™, which provides an overarching framework for client engagement and project delivery. Since its founding, FDC has contributed over $14 million to community and charitable initiatives.
