Response to ASX Price Query Letter

Rubix Resources Limited (ASX: RB6) (**RB6** or the **Company**) refers to ASX's price query letter dated 12 August 2026 and provides the following responses to ASX's queries using the same numbering and terminology as in ASX's letter.

1. **Is RB6 aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

No.

2. **If the answer to question 1 is "yes".**

- (a) **Is RB6 relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in RB6's securities would suggest to ASX that such information may have ceased to be confidential and therefore RB6 may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**
- (b) **Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**
- (c) **If an announcement cannot be made immediately, why not and when is it expected that announcement will be made?**

Not applicable.

3. **If the answer to question 1 is "no", is there any other explanation that RB6 may have for the recent trading in its securities?**

No, as set out in the Company's most recent quarterly activities report, the Company is continually reviewing and assessing complimentary exploration opportunities for potential acquisition. The Company is not in possession of any material information that would explain the recent trading in its securities.
