This information is communicated by UBS AG and/or any of its affiliates ("UBS"). UBS may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market in any securities, currencies, financial instruments or other assets underlying the transaction to which the term sheet relates. UBS may provide investment banking and other services to and/or have officers who serve as directors of the companies referred to in this term sheet. UBS may pay or receive brokerage or retrocession fees in connection with the transaction described herein (further details available on request). UBS has policies and procedures designed to minimise the risk that officers and employees are influenced by any conflicting interest or duty and that confidential information is improperly disclosed or made available.

Structured transactions are complex and may involve a high risk of loss. Prior to entering into a transaction you should consult with your own legal, regulatory, tax, financial and accounting advisors to the extent you consider it necessary, and make your own investment, hedging and trading decisions (including decisions regarding the suitability of this transaction) based upon your own judgement and advice from those advisers you consider necessary. Save as otherwise expressly agreed in writing, UBS is not acting as your financial adviser or fiduciary in any transaction.

UBS generally hedges its exposure under structured transactions, although it may elect not to hedge or to partially hedge any transaction. UBS's hedging activity may be conducted through transactions in the underlying asset, index or instrument or in options, futures or other derivatives related to the underlying asset, index or instrument on publicly traded markets or otherwise, and may have an impact on the price of the underlying asset. If a transaction is cash settled, UBS will generally unwind or offset any hedge it has for such transaction in close proximity to the relevant valuation time or period. In some cases, this activity may affect the value of the transaction.

The terms of an OTC derivative transaction will be subject to the detailed provisions of the confirmation. To the fullest extent permitted by law, UBS is not liable for any loss (even if UBS has been advised of the possibility of loss) arising out of any person's use of, or reliance upon, the information.

UBS makes no representation or warranty relating to any information herein which is derived from independent sources. This term sheet shall not be copied or reproduced without UBS's prior written permission.
