Trading Halt Request

Dataworks Group Limited (ASX: DWG) (“DWG” or “the Company”), a leading responsible gambling technology company addressing the global problem gambling market, hereby requests a trading halt in relation to the Company's ordinary shares quoted on the Australian Securities Exchange (ASX) in accordance with ASX Listing Rule 17.1

The trading halt is requested pending an announcement by the Company to the market regarding a material Capital Raising (**the Purpose**).

In accordance with ASX Listing Rule 17.1, the Company provides the following information in relation to the request:

- The trading halt is necessary to assist DWG in managing its continuous disclosure obligations as the Company expects to make an announcement to the market in relation to the stated Purpose above.
- DWG requests that the trading halt remain in place until the earlier of commencement of normal trading on Tuesday 15 September 2026, or when the announcement regarding the stated Purpose is released to the market.
- DWG is not aware of any reason why the trading halt should not be granted or of any further information necessary to inform the market about the trading halt.

For and on behalf of the Board of DataWorks Group Limited.

Yours faithfully,
David Franks
Company Secretary

About Dataworks

Dataworks Group Limited (ASX: DWG) is a leading Regulated Gaming Technology (RegTech) company, specialising in unique innovative technologies to combat problem gambling.

Dataworks' solutions include **BetStop™ - The National Self-Exclusion Register (NSER)**, which enables vulnerable individuals to safeguard themselves from the harms of gambling addiction. The NSER, operated exclusively for the Australian Government, empowers Australians to self-exclude from all licensed interactive wagering services for periods ranging from three months to a lifetime.

Dataworks also delivers the Centralised Self-Exclusion ("CSE") solution for iGaming Ontario in Canada, one of the world's largest regulated online gambling markets. The Company provides a real-time, centralised exclusion platform integrated across licensed operators, together with end-to-end managed contact centre services supporting participant onboarding and ongoing engagement. This integrated solution further demonstrates Dataworks' ability to deliver both technology and operational infrastructure for large-scale, mission-critical regulatory programs, reinforcing the scalability and global applicability of its platform.

Together, Dataworks' Australian and Ontario government platforms have processed more than 41 billion real-time exclusion checks since launch around 2 years ago and currently process in excess of 50 million real-time exclusion checks on a typical day, demonstrating the scale, reliability and operational maturity of the Company's regulatory infrastructure.

As a pioneer in regulated gaming technology, Dataworks is driving social impact by delivering secure, scalable, and ESG-aligned solutions for governments and operators worldwide. Leveraging its deep heritage and expertise in data security and compliance, Dataworks is redefining the future of responsible gambling technologies on a global scale.
