ASX Announcement (ASX: AMX)

Aerometrex secures Daly Waters LiDAR and Imagery survey project with Tamboran B2 Pty Ltd, a Joint Venture between Tamboran Resources Corporation and Daly Waters Energy

- Contract valued at \$617,141 Ex GST
- The project covers approximately 7,500 km² across priority leases in the Beetaloo Sub-basin, Central NT

Aerometrex Limited (ASX: AMX) is pleased to announce the survey contract with Tamboran B2 Pty Ltd for LiDAR and imagery capture across the Daly Waters region in Central Northern Territory.

The project area covers approximately 7,500 km² across the Joint Venture's priority leases, supporting development planning in the Beetaloo Sub-basin. The project will be delivered using Aerometrex's high-density point cloud capability alongside concurrent aerial imagery.

The capture is expected to commence shortly after award, with completion anticipated by October 2026, and production finalised approximately 8 weeks post-acquisition.

Aerometrex Managing Director and CEO Rob Veitch said:

"This project contract reflects the strength of our relationship with Tamboran B2 Pty Ltd and reinforces Aerometrex's position as a trusted partner for large-scale geospatial survey work supporting the resources sector. We look forward to delivering another successful outcome for Tamboran across the Beetaloo Sub-basin."

This announcement has been authorised for release by the Board of Aerometrex Limited.
