Any other information the entity wishes to provide about the +securities the subject of this notification

The vesting of Restricted Rights detailed in this Appendix 3G relates to 50% of the Restricted Rights granted under each of the FY23 Equity Incentive Plan (Tranche 2) which had a performance period of 1 July 2022 to 30 June 2026 and under the FY24 Equity Incentive Plan (Tranche 1) which had a performance period of 1 July 2023 to 30 June 2026. Under the terms of the grants, these Restricted Rights did not carry any distribution or voting rights prior to vesting, however, recipients were entitled to receive distribution equivalent securities at the time of vesting equal to the distributions that would have been paid had those recipients received distributions on the Restricted Rights with respect to the respective performance periods ('Distribution Equivalent Securities'). The total of 703,139 VCX fully paid ordinary stapled securities that have been allocated to recipients upon vesting of the Restricted Rights therefore includes 101,066 Distribution Equivalent Securities.
