DATED: 18 SEPTEMBER 2026

BY ORDER OF THE BOARD

**PETER ARAMBATZIS
LASERBOND LIMITED
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting of Shareholders to be held at 10.00 am (AEDT) on 22nd October 2026 at the Campbelltown Catholic Club.

The purpose of this Explanatory Statement is to provide information that the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. IMPORTANT INFORMATION RELATED TO UNDIRECTED PROXIES

If a Shareholder appoints the Chairman of the meeting as their Proxy and does not specify how the Chairman is to vote on a Resolution, except as expressly stated, the Chairman advises that he intends to vote each proxy as a proxy for that Shareholder in favour of Resolutions 1 to 3.

In particular, if you elect the Chairman to vote on your behalf as a proxy holder and do not give directions about how your vote should be cast, your proxy will automatically become a directed proxy in favour of the Resolution to adopt the Remuneration Report.

2. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receiving and considering the Company's annual financial report for the financial year ended 30 June 2026, together with the declaration of the directors, the directors' report, the remuneration report, and the auditor's report.

Shareholders may view the Company's annual financial report on its website at <https://www.laserbond.com/investor-relations/financial-reports/>

3. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

The Corporations Act requires that at a listed company's annual general meeting, a resolution to adopt the remuneration report must be put to the shareholders. However, the Corporations Act expressly provides that the vote on such a resolution is advisory only and does not bind the Directors or the Company. Votes will not be cast by those members listed within the remuneration report or a closely related party of such member unless a Proxy appointing the member by writing directs them to do so and said Proxy is not cast by a member listed on the remuneration report or a closely related party.

The remuneration report sets out the Company's remuneration arrangements for the Directors and key management personnel. It is part of the Directors' report contained in the company's annual financial report for the financial year ending 30 June 2026.

At the Company's previous annual general meeting, 99.52% of votes were cast in favour of the 2025 Remuneration Report.

A reasonable opportunity will be provided to discuss the remuneration report at the Annual General Meeting.

4. RESOLUTION 2 – RE-ELECTION OF NON-EXECUTIVE DIRECTOR – MS DAGMAR PARSONS (BOARD ENDORSED)

Clause 13.2 of the Constitution requires that if the Company has three or more Directors, one-third (or the number nearest one-third) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a

period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election.

Dagmar Parsons, who has served as a Director since January 2023 and was last re-elected in October 2023, will retire by rotation and seek re-election.

Experience

Non-Executive Director, Audit, Risk, Nomination and Remuneration Committee member

Dagmar has worked with major national and multinational entities in senior executive and non-executive director positions, driving critical market success by providing strategic direction, visionary leadership, and innovative thinking. As a mechanical engineer, she has an in-depth knowledge of engineering, manufacturing, construction and service industry environments in the infrastructure, oil and gas, power, paper and steel sectors. Dagmar has considerable experience in transforming and growing complex businesses across diverse corporate, operational, and entrepreneurial roles in Australia, Asia and Europe. Ms Parsons is the Non-Executive Chairman of Advanced Braking Technology Limited [ASX:ABV] and a Non-Executive Director of Gateway Equipment Parts & Services Pty Ltd. She holds a master's degrees in Mechanical Engineering and Environmental Engineering Technologies, and a master's in Business Administration.

Independence

Dagmar has provided the Board with a declaration confirming her independence on the Board. The Board assessed this declaration and agrees her independence from management and substantial shareholders continues to be maintained. This is based on her unbiased oversight, lack of conflicts of interests or duties, and commitment to corporate governance. She emphasises her continued ability to ask challenging questions, provide valuable contributions, maintaining work-related interactions only, ensuring objectivity and the protection of shareholder interests. The Board considers Dagmar's skill set and experience will continue to enhance its ability to perform its obligations.

Board Recommendation

The Board recommends that shareholders vote in favour of this Resolution.

5. RESOLUTION 3 – APPROVAL OF AN ADDITIONAL PLACEMENT CAPACITY TO ISSUE SECURITIES EQUIVALENT TO AN ADDITIONAL 10%

ASX Listing Rule 7.1 prohibits a listed company from issuing equity securities representing more than 15% of its issued capital in any twelve-month period without obtaining shareholder approval (subject to certain exceptions).

However, under ASX Listing Rule 7.1A, an eligible entity can seek approval by shareholders by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25%.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P / ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks the approval by Shareholders by way of a special resolution to have an additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If the Resolution is approved, then the Company, within the twelve months after Shareholder approval, will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without further shareholder approval.

If the Resolution is not approved, then the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Any securities issued within this limit will be calculated in accordance with the formula in ASX Listing Rule 7.1A.2.

The following information is provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.3A:

- a) Shareholder approval of the additional 10% as per ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained. This approval will cease on the earlier to occur of:
 - the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
 - the time and date of the next annual general meeting; or
 - the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- b) The minimum price at which equity securities can be issued will be calculated in accordance with ASX Listing Rule 7.1A.3, which specifically states the issue must be in an existing quoted class of the eligible entity's securities and issued for a cash consideration that is not less than 75% of the volume weighted average market price for equity securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - the date on which the price at which equity securities are to be issued is agreed to by the entity and the recipient of the securities or
 - if the equity securities are not issued within ten trading days of the date agreed by the entity and the recipient of the securities, the date on which the equity securities are issued.
- c) The Company may seek to issue the equity securities for cash consideration. As disclosed in ASX announcements and reports, the Company continues to actively pursue further growth opportunities, in particular, to extend the Company's reach internationally. Any funds raised using this additional 10% capacity may be used to fund acquisitions or investments necessary (including expenses associated with such acquisitions or

investments) to grow the business and/or additional working capital to fund growth opportunities.

- d) If Resolution 3 is approved by Shareholders and the Company issues equity securities under the 10% Placement capacity, the existing Shareholder's economic and voting power in the Company will be diluted as shown in the table below under point g). There is a risk that:

- The market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this approval under rule 7.1A; and
- The equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

- e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity.

The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- The effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broker advisers (if applicable).

The allottees under this Placement Capacity have not been determined as of the date of this notice but may include new or existing Shareholders who are not related parties or associates of a related party of the Company.

- f) No securities were issued under Listing Rule 7.1A.2 in the twelve-month period preceding the date of this Notice of Meeting for the 2025 Annual General Meeting,
- g) The below table shows examples of possible dilution of existing Shareholders, based on the current market price of \$0.55 per Share and the current number of fully paid ordinary Shares on issue of 118,577,668 as of 7th September 2026.

Variable A as per ASX Listing Rule 7.1A2		Dilution		
		\$0.28 50% decrease in issue price	\$0.55 issue price	\$1.10 100% increase in issue price
Current Variable A 118,577,668 Shares	10% Voting Dilution	11,857,767 Shares	11,857,767 Shares	11,857,767 Shares
	Funds Raised	\$3,320,175	\$6,521,772	\$13,043,544
50% Increase in Current Variable A 177,866,502 Shares	10% Voting Dilution	17,786,650 Shares	17,786,650 Shares	17,786,650 Shares
	Funds Raised	\$4,980,262	\$9,782,658	\$19,565,315
100% Increase in Current Variable A 237,155,336 Shares	10% Voting Dilution	23,715,534 Shares	23,715,534 Shares	23,715,534 Shares
	Funds Raised	\$6,640,350	\$13,043,544	\$26,087,087

This table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Capacity.
 - The 10% voting dilution reflects the aggregate percentage dilution against Variable A at the time of issue.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
 - The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- h) Upon issuing any equity securities, the Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4.
- i) the Company previously obtained approval under ASX Listing Rule 7.1A at the Annual General Meeting held on 23 October 2024.
- j) At the time of the mailing of the Notice of Meeting, the Company is not proposing to make an issue of equity securities. Therefore, a voting exclusion statement is not required or provided.
