IMPORTANT INFORMATION

This document is a supplementary bidder's statement under section 643 of the *Corporations Act 2001* (Cth) (**Corporations Act**). It is the third supplementary bidder's statement (**Third Supplementary Bidder's Statement**) issued by Crimson Consulting Australia Pty Ltd ACN 600 634 991 (**Crimson Australia**), a wholly owned subsidiary of Crimson Consulting Limited (**Crimson Consulting**), in relation to Crimson Australia's off-market takeover offer to acquire all of the ordinary shares in Kip McGrath Education Centres Limited ACN 003 415 889 (**Kip McGrath**) contained in Crimson Australia's bidder's statement dated 30 July 2026 (**Bidder's Statement**).

This Third Supplementary Bidder's Statement supplements, and should be read together with, the Bidder's Statement, the first supplementary bidder's statement dated 7 August 2026 (**First Supplementary Bidder's Statement**) and the second supplementary bidder's statement dated 11 September 2026 (**Second Supplementary Bidder's Statement**). This Third Supplementary Bidder's Statement will prevail to the extent of any inconsistency with the Bidder's Statement, the First Supplementary Bidder's Statement and the Second Supplementary Bidder's Statement.

A copy of this Third Supplementary Bidder's Statement was lodged with ASIC and provided to ASX on 12 October 2026. Neither ASIC, ASX nor any of their respective officers takes any responsibility for the contents of this Third Supplementary Bidder's Statement or the merits of the Offer.

Unless the context requires otherwise, capitalised terms used in this Third Supplementary Bidder's Statement have the same meaning as in the Bidder's Statement. The rules of interpretation in section 10.2 of the Bidder's Statement also apply to this Third Supplementary Bidder's Statement.

1. INCREASE IN OFFER PRICE AND DECLARATION THAT OFFER IS NOW UNCONDITIONAL

1.1 The all-cash Offer Price has been increased

Crimson Australia is pleased to advise that it has increased the Offer Price to **\$0.75** per Kip McGrath Share (**Increased Offer Price**) (previously \$0.73 per Kip McGrath Share) less the cash amount of any dividend in respect of which Crimson is entitled to reduce the Offer consideration. The Increased Offer Price represents an attractive premium of:

- (a) 66.7% to Kip McGrath's closing price on 29 July 2026 (the last trading day prior to the Announcement Date, being A\$0.4500 per Share);
- (b) 59.3% to the five-day VWAP (A\$0.4707 per Share);
- (c) 58.2% to the one-month VWAP (A\$0.4740 per Share); and
- (d) 43.9% to the three-month VWAP (A\$0.5214 per Share),

each as at 29 July 2026.

A copy of the formal notice of variation in respect of the Increased Offer Price under section 650D of the Corporations Act is attached to this Third Supplementary Bidder's Statement as Appendix A.

As announced by Kip McGrath on 29 September 2026, the Kip McGrath Board declared fully franked dividends totalling 6.0 cents per Kip McGrath Share (comprising an ordinary dividend of 1.0 cent, a special dividend of 3.0 cents and a further special dividend of 2.0 cents), with a record date of 2 October 2026 and a payment date of 16 October 2026 (together, the **KME Dividends**). Under section 9.6(c) of the Bidder's Statement, Crimson Australia is entitled to all Rights in respect of accepted Kip McGrath Shares, and Rights include dividends and rights to

receive dividends attaching to or arising from Kip McGrath Shares at or after the Announcement Date of 30 July 2026. The KME Dividends are Rights for the purposes of section 9.6(c) of the Bidder's Statement. Accordingly, where an accepting Kip McGrath Shareholder is entitled to receive, has received, or will receive the cash amount of the KME Dividends in respect of accepted Kip McGrath Shares, Crimson Australia will deduct the cash amount of those KME Dividends from the cash amount otherwise payable by Crimson Australia under the Offer for those Shares. For a Kip McGrath Shareholder who is entitled to receive all of the KME Dividends, this means that Crimson Australia will pay \$0.69 cash per Share under the Offer and that shareholder will receive 6.0 cents per Share in dividends from Kip McGrath, resulting in aggregate cash receipts of \$0.75 per Share before any tax consequences¹. Crimson Australia will not require Kip McGrath Shareholders to account to it for, and will not deduct any amount from the Offer consideration in respect of, any franking credits attaching to the KME Dividends. Whether a Kip McGrath Shareholder is able to obtain the benefit of franking credits attached to the KME Dividends depends on that shareholder's own circumstances and on the application of the holding-period and related integrity rules in Australian taxation legislation, and Kip McGrath Shareholders should obtain their own taxation advice.

1.2 The Offer is now unconditional

Crimson Australia is pleased to advise that it has declared the Offer free from all defeating Conditions under section 9.7 of the Bidder's Statement, and accordingly the Offer is unconditional with immediate effect.

As at the date of this Third Supplementary Bidder's Statement, Crimson Australia's voting power in KME is 32.37%, comprising 16,989,719 KME Shares out of a total of 52,490,809 KME Shares presently on issue.

A copy of the formal notice declaring the Offer free of defeating conditions under section 650F of the Corporations Act is attached to this Third Supplementary Bidder's Statement as Appendix B.

1.3 Accelerated payment of Offer Price

Crimson Australia intends to **accelerate payment** of the Offer consideration so that Kip McGrath Shareholders are paid within **10 Business Days** after the later of their acceptance of the Offer and the date on which Crimson Australia varies the Offer, subject to obtaining the necessary relief from ASIC.

Crimson Australia has agreed under the Deed to apply promptly to ASIC for the necessary relief and to use reasonable endeavours to obtain that relief.

If the necessary ASIC relief is not obtained, Crimson Australia will provide the Offer consideration in accordance with section 9.6(a) of the Bidder's Statement.

2. THE KIP MCGRATH BOARD UNANIMOUSLY RECOMMENDS THE OFFER

2.1 Board recommendation

The Kip McGrath Board has issued a Supplementary Target's Statement stating that it unanimously recommends that Kip McGrath Shareholders **ACCEPT THE REVISED OFFER WITHOUT DELAY**, in the absence of a superior proposal.

¹ . For a Kip McGrath Shareholder who is not entitled to receive some or all of the KME Dividends in respect of accepted Kip McGrath Shares, no deduction will be made for the KME Dividends, or the relevant part of them, that the shareholder is not entitled to receive.

Further, each Director of Kip McGrath who owns or controls Kip McGrath Shares intends to accept the Revised Offer in relation to all the Kip McGrath Shares they own or control by 13 October 2026². Directors of Kip McGrath hold or control an aggregate 2,260,000 KME Shares, representing 4.31% of the total Kip McGrath Shares on issue.

2.2 Bid Process Deed

Crimson Australia and Kip McGrath have today entered into a bid process deed (**Deed**), a copy of which is attached as Appendix C, which provides:

- (a) that Kip McGrath will lodge with ASIC a Supplementary Target's Statement stating that each Target Director:
 - i. supports the Revised Offer;
 - ii. gives the Recommendation; and
 - iii. intends to accept the Revised Offer in respect of any Target Shares the Target Director owns or controls within one day after the Bidder lodges the Third Supplementary Bidder's Statement with ASIC; and
- (b) that Kip McGrath will include the Recommendation in all public statements and announcements relating to the Takeover Offer in the absence of a superior proposal;
- (c) that Kip McGrath will not make any public statement or take any other public action that would indicate that the Revised Offer is not recommended by the Target Board, or that is inconsistent with the Recommendation, in the absence of a superior proposal;
- (d) that Crimson Australia will declare the Offer and each takeover contract free from all defeating conditions at the same time as it varies the Offer;
- (e) that Kip McGrath will agree to exclusivity arrangements including a no-shop arrangement for the remainder of the Offer Period;
- (f) that Crimson Australia must promptly apply to ASIC under section 655A of the Corporations Act for the relief required to vary the Offer so that the Revised Offer consideration is paid within 10 Business Days after the later of acceptance and the date on which Crimson varies the Offer, and must use reasonable endeavours to obtain that relief; and
- (g) that the issued and approved but unissued performance rights will not vest or become exercisable and Kip McGrath will use reasonable endeavours to agree cash settlements with the affected holders and proposed recipients on the basis set out in the Deed. The total of all payments that may be made for this shall not exceed \$170,000 without the Target having first obtained the Bidder's written agreement to any additional amount.

3. BIDDER'S INTENTIONS IN RELATION TO KIP MCGRATH

Crimson Australia's intentions in relation to Kip McGrath are set out in section 6 of the Bidder's Statement. In summary:

- (a) if, at the end of the Offer Period, Crimson Australia has a Relevant Interest in 90% or more of the Shares, it will proceed with compulsory acquisition under Part 6A.1 of the Corporations Act, replace all members of the Kip McGrath Board with its own

² See Supplementary Target's Statement dated 12 October 2026 and the Bid Process Deed.

nominees, request Kip McGrath's removal from the official list of the ASX and conduct a broad review of Kip McGrath's business, operations, assets, strategy, financial position, management structure and prospects (section 6.3 of the Bidder's Statement);

- (b) if, at the end of the Offer Period, Crimson Australia has a Relevant Interest in more than 50.1% but less than 90% of the Shares (a scenario that, following the waiver of the 90% minimum acceptance condition described in section 1 of this Third Supplementary Bidder's Statement, is now a possible outcome of the Offer), it intends to become actively involved in determining and controlling the strategic direction of Kip McGrath's business, procure the appointment of a majority of its nominees to the Kip McGrath Board and conduct a broad review of Kip McGrath's business, operations, assets, strategy, financial position, management structure and prospects (section 6.4 of the Bidder's Statement);
- (c) if, at the end of the Offer Period, Crimson Australia has a Relevant Interest in less than 50% of the Shares (a scenario that, following the waiver of the 90% minimum acceptance condition described in section 1 of this Third Supplementary Bidder's Statement, is now a possible outcome of the Offer), Crimson Australia intends to seek representation on the Kip McGrath Board so that the proportion of its nominees is broadly in line with its voting power, with its intentions in relation to Kip McGrath's operations, assets, employees and dividend policy being those set out in sections 6.4(d) and 6.4(e) of the Bidder's Statement and subject to the limitations arising from Crimson Australia's position as a non-majority shareholder (section 6.5 of the Bidder's Statement); and
- (d) all statements of intention in section 6 of the Bidder's Statement are statements of present intention only, formed on the basis of information currently available to Crimson Australia, and may change in light of further information or changes in circumstances (section 6.2 of the Bidder's Statement).

Those intentions remain Crimson Australia's current intentions as at the date of this Third Supplementary Bidder's Statement.

4. HARVEST LANE ACCEPTANCE INTENTION STATEMENT

Section 4.5 of the Second Supplementary Bidder's Statement dated 11 September 2026 set out an acceptance intention statement provided to Crimson Australia by Harvest Lane Asset Management Pty Ltd (**Harvest Lane**), as trustee for the Harvest Lane Asset Management Absolute Return Fund and in any other capacity, in respect of 10,433,189 Kip McGrath Shares (representing approximately 19.88% of the then issued Shares) that Harvest Lane held or controlled as at the date of that statement. Harvest Lane has confirmed to Crimson Australia that its intention to accept the Offer has not changed.

Harvest Lane has provided the following statement to Crimson Australia:

"Harvest Lane Asset Management Pty Ltd (Harvest Lane) refers to its statement of intention dated 9 September 2026 in relation to the off-market takeover bid by Crimson Consulting Australia Pty Ltd (Bidder) for all of the fully paid ordinary shares in Kip McGrath Education Centres Limited (ASX: KME) (Kip McGrath Shares) at \$0.73 per Kip McGrath Share (Offer), as set out in the Second Supplementary Bidder's Statement dated 11 September 2026 (Original Statement).

Harvest Lane confirms that, as at the date of this statement:

- (a) *it has a beneficial interest in 10,463,189 Kip McGrath Shares, representing approximately 19.93% of the total Kip McGrath Shares on issue; and*
- (b) *the Original Statement remains its present intention, on the terms and subject to the qualifications set out in it.*

This statement has been made by Harvest Lane on a voluntary basis and does not constitute or evidence any agreement, arrangement or understanding between Harvest Lane and the Bidder, or any associate of the Bidder, in respect of the Offer or any Kip McGrath Shares."

Harvest Lane has consented to the inclusion of the above statement in this Third Supplementary Bidder's Statement pursuant to section 636(3) of the Corporations Act.

5. ACCEPT THE OFFER NOW

There are a number of key reasons why Kip McGrath Shareholders should accept the Revised Offer, which are summarised in section 5.1 below. Kip McGrath Shareholders who do not accept the Revised Offer should also consider the particular risks summarised in section 5.2 below.

5.1 Key reasons to accept the Offer

The key reasons for accepting the Offer are:

- (a) **Attractive all-cash offer price:** the Increased Offer Price of A\$0.75 per Share represents a premium of 66.7% to Kip McGrath's closing price on 29 July 2026 (the last trading day prior to the Announcement Date, being A\$0.4500 per Share), 59.3% to the five-day VWAP (A\$0.4707 per Share), 58.2% to the one-month VWAP (A\$0.4740 per Share) and 43.9% to the three-month VWAP (A\$0.5214 per Share), each as at 29 July 2026.
- (b) **The Offer is unconditional:** the Offer is now unconditional. Kip McGrath Shareholders who accept the Offer will receive the Offer consideration in accordance with section 9.6 of the Bidder's Statement.
- (c) **Board recommendation:** The Kip McGrath Board now unanimously recommends that Kip McGrath Shareholders accept the Offer in the absence of a superior proposal. Further, each Director of Kip McGrath who owns or controls Kip McGrath Shares intends to accept the Offer in relation to all the Kip McGrath Shares they own or control.
- (d) **Significant liquidity event:** Kip McGrath Shares are thinly traded. In the six months preceding 29 July 2026, the average daily trading volume of Shares was approximately 64,306 Shares, representing approximately 0.1225% of the Shares then on issue. The Offer provides a rare opportunity for Kip McGrath Shareholders to monetise their entire holding at an attractive premium.
- (e) **Removal of risks associated with Kip McGrath's business:** acceptance of the Offer eliminates your exposure to the ongoing business, operational, competitive and technological risks of holding Kip McGrath Shares.
- (f) **Kip McGrath's share price may fall after the Offer closes:** Kip McGrath's current share price is being supported by the Offer. The closing price of Kip McGrath Shares on 29 July 2026 (the last trading day prior to the Announcement Date) was A\$0.45 per Share. After the Offer closes, Kip McGrath's share price may trade at levels below

the Increased Offer Price and Kip McGrath Shareholders who have not accepted the Offer may not have another opportunity to sell their Shares for A\$0.75 per Share.

- (g) **Retain benefits of franking credits:** the Revised Offer preserves for Shareholders the benefit of the dividend approved at KME's annual general meeting, payable on 16 October 2026, together with the potential benefit of the associated franking credits for eligible Shareholders, while Crimson pays the balance of the A\$0.75 Offer consideration; and
- (h) **No competing or alternative proposal:** as at the date of this Third Supplementary Bidder's Statement, no superior proposal, competing offer or other alternative transaction has been announced in respect of Kip McGrath. Kip McGrath Shareholders who reject the Offer are not choosing between the Offer and a better alternative.

5.2 **Risks if the Offer is not accepted and Crimson Australia acquires a significant but less than 90% stake**

Kip McGrath Shareholders who do not accept the Offer should also consider the particular risks that may arise if, at the end of the Offer Period, Crimson Australia has acquired a significant stake in Kip McGrath but has not acquired a Relevant Interest of 90% or more and so is unable to proceed to compulsory acquisition under Part 6A.1 of the Corporations Act. In that scenario, you would remain a minority shareholder in a Kip McGrath that is controlled by, or significantly influenced by, Crimson Australia. The particular risks include:

- (a) **Reduced liquidity and free float:** the number of Shares held by Kip McGrath Shareholders other than Crimson Australia and its associates will be materially reduced, which is likely to result in reduced liquidity in the Shares and may make it more difficult for you to sell Your Shares in the future at the time and price of your choosing.
- (b) **Crimson Australia control of the Kip McGrath Board:** if Crimson Australia holds a Relevant Interest of more than 50% of the Shares at the end of the Offer Period, it intends to procure the appointment of a majority of its nominees to the Kip McGrath Board. The reconstituted Kip McGrath Board will determine Kip McGrath's strategic direction, operations, dividend policy and other matters affecting the value of Your Shares.
- (c) **No further opportunity to receive the Offer price:** if Crimson Australia does not acquire a Relevant Interest of 90% or more of the Shares, it will not be entitled to proceed to compulsory acquisition under Part 6A.1 of the Corporations Act. There is no assurance that any further opportunity to sell Shares at or above the Increased Offer Price will arise.
- (d) **Potential delisting of Kip McGrath from the ASX:** if Crimson Australia owns or controls at least 75% of the Shares at the end of the Offer, Crimson Australia may apply (through its nominees on the Kip McGrath Board) for Kip McGrath to be removed from the official list of the ASX, as foreshadowed in section 6.4(c) of the Bidder's Statement. Under ASX Listing Rules Guidance Note 33, subject to ASX discretion the ASX may approve such a removal without a Kip McGrath Shareholder vote if, among other things, there are fewer than 150 Kip McGrath Shareholders (other than Crimson Australia and its associates) with holdings in Shares to the value of at least A\$500. If Kip McGrath is removed from the official list of the ASX, Kip McGrath Shareholders would hold shares in an unlisted entity, which would materially reduce or eliminate liquidity in the Shares.

- (e) **Reduced influence as a minority shareholder:** your ability to influence decisions put to Kip McGrath Shareholders will be reduced, including on matters requiring a special resolution (such as changes to Kip McGrath's constitution). If Crimson Australia holds a Relevant Interest of 75% or more of the Shares, Crimson Australia would be able to pass special resolutions on its own, without the support of any other Kip McGrath Shareholder; and
- (f) **Decreased likelihood of any future alternative proposal:** To the extent that Crimson Australia obtains a Relevant Interest in more than 25% of KME Shares (which based on current acceptances it has already achieved), Crimson Australia will be able to block any future proposed scheme of arrangement. Therefore, in that scenario, Crimson Australia cooperation or support would be required for any third party scheme of arrangement to succeed. This may further decrease the likelihood that any third party would make an offer to gain control of 100% of Kip McGrath.

5.3 Accept the Offer now

For the reasons set out in section 5.1 above, and having regard to the risks summarised in section 5.2 above, Crimson Australia encourages Kip McGrath Shareholders to **ACCEPT THE REVISED OFFER WITHOUT DELAY.**

The Offer is scheduled to close at 7.00pm (Melbourne time) on 19 October 2026, unless further extended or withdrawn. See section 6 of this Third Supplementary Bidder's Statement for information on how to accept the Offer.

The Offer is scheduled to close at 7.00pm (Melbourne time) on 19 October 2026, unless extended or withdrawn.

7. FUNDING OF INCREASED OFFER PRICE

7.1 Total cash consideration

As a result of the Increased Offer Price of \$0.75 cash per Kip McGrath Share, the maximum consideration amount that could be payable by Crimson Australia under the Offer, calculated on the basis of \$0.75 per Share for all KME Shares on issue as at the date of this Third Supplementary Bidder's Statement (being 52,490,809 KME Shares) and assuming acceptances were received for all of those Shares, is \$39,368,106.75.

Under the terms of the Offer, Crimson Australia is entitled to reduce the cash amount payable under the Offer by the amount of the KME Dividends in respect of accepted Kip McGrath Shares where the accepting shareholder is entitled to receive the cash amount of those dividends. Accordingly, the actual amount paid by Crimson Australia under the Offer will be reduced, below the maximum consideration amount of \$39,368,106.75 to the extent that accepting Kip McGrath Shareholders are entitled to receive the cash amount of the KME Dividends in respect of their accepted Kip McGrath Shares.

7.2 Source of funding

The cash reserves described in section 5.2 of the Bidder's Statement are sufficient to satisfy the maximum consideration amount of \$39,368,106.75 (and associated transaction costs). The Increased Offer Price of \$0.75 per Kip McGrath Share will be fully funded on the same basis as currently disclosed in section 5.2 of the Bidder's Statement. The Offer is not subject to any financing conditions.

Crimson Australia continues to hold the view, and has reasonable grounds for holding the view, that it will be able to provide all consideration payable under the Offer and meet the associated transaction costs.

8. ADDITIONAL INFORMATION

8.1 On market purchase

In accordance with rule 5.13.1 of the ASIC Market Integrity Rules, Crimson Australia reserves the right to acquire KME Shares on-market at or below the Offer Price (at the relevant time) during the bid period (as defined in the ASIC Market Integrity Rules).

Kip McGrath Shareholders who sell their Shares on ASX will receive payment on a T+2 basis (being two Business Days after the date of the relevant transaction) and cannot subsequently accept the Offer in respect of the Shares sold on ASX. They may also incur brokerage charges and GST on those charges that they may not incur if they accept the Offer.
