Dear Sir/Madam

NEXTDC LIMITED (ASX CODE: NXT) – REQUEST FOR TRADING HALT

Pursuant to Listing Rule 17.1, NEXTDC Limited (ACN 143 582 521) (**NEXTDC**) requests that the Australian Securities Exchange (**ASX**) grant an immediate trading halt in NEXTDC's ordinary shares.

For the purposes of Listing Rule 17.1, NEXTDC provides the following information in support of its request:

- (a) NEXTDC needs to provide a material update to the market on the impact of a delay to the supply of power at its M3 Melbourne data centre and NEXTDC is seeking the trading halt to manage its continuous disclosure obligations while it assesses that impact (including on FY27 financial guidance that has been provided to ASX);
- (b) the Board has not yet met to consider the M3 power delay and its implications;
- (c) NEXTDC requests that the trading halt last until the earlier of it making an announcement to the market and the commencement of trading on Wednesday, 21 October 2026;
- (d) NEXTDC expects that the trading halt will be ended by it making an announcement to the market on the M3 power related matter within two days; and
- (e) NEXTDC is not aware of any reason why the trading halt should not be granted, or of any other information available at this stage that is necessary to inform the market about the trading halt.

Should you require any other information, please do not hesitate to contact me.

Yours sincerely

Michael Helmer

Company Secretary
